Edwardsville Bulletin

To the Faculty and Staff of Southern Illinois University

Vol. 1, No. 7
November 11, 1968

Twenty three classes have been scheduled for the Fall Quarter 1968-69 in 15 locations in 13 counties (Alton, Belleville, Centralia, Edwardsville, Greenfield, Hardin, Highland, Jacksonville, Litchfield, Mt. Vernon, O'Fallon, Sparta, Springfield, St. Louis and Waterloo). This is an increase of four classes over the number in the Fall Quarter of 1967.

The enrollment consists of 198 undergraduate students and 349 graduate students, a total enrollment of 547 in the 23 classes.

Three of the classes are freshman and sophomore General Studies classes. One is a 300 level nursing course in Jacksonville; 41 nurses are enrolled in this course and have expressed their interest in working toward a nursing degree at Southern Illinois University, Edwardsville. Most of the other courses are in Education. However, there are courses in Geography, in Social Welfare, in Library Science and in Negro History.

Kurt Glaser of the Faculty of Government and Public Affairs recently published an essay entitled, "Entspannung und Frieden" in an anthology emanating from Koln, Germany. The volume is entitled Entspannung Sicherheit Frieden and resulted from a conference held in Germany in 1967.
