Edwardsville Bulletin

To the Faculty and Staff of Southern Illinois University

President Morris has been notified by Norman Burns, executive secretary of the North Central Association of Colleges and Secondary Schools that SIU-Edwardsville has been granted full accreditation. The letter to President Morris includes the following excerpt:

> This is to inform you officially that the North Central Association of Colleges and Secondary Schools, at its meeting on July 25, voted to grant full accreditation to the Southern Illinois University, Edwardsville as an operationally separate campus at the Master's degree-granting level. In addition, it was voted to grant full accreditation for the Educational Specialist degree programs in Educational Administration and Supervision, Elementary Education, Secondary Education, and Guidance. This action also includes the requirement that the Edwardsville campus secure preliminary accreditation for any new programs to be introduced beyond the masters degree level.

President Morris has designated November 28, 1969, the day following Thanksgiving, and December 26, 1969, the day following Christmas, as the two additional Civil Service holidays for the current year.
