# Edwardsville Bulletin

To the Faculty and Staff of Southern Illinois University at Edwardsville

January 18, 1978  
Vol. 10, No. 25

MEMO TO: The University Community

FROM: Ria C. Frijters *RCF*  
Vice President for Business Affairs

SUBJECT: Cardiac Pulmonary Resuscitation Training

To date there have been 200 employees involved in the above training. The comments received from the people that have had this training are really enthusiastic and they are grateful for the opportunity to receive CPR training.

There has been such good response for this training that Business Affairs will again conduct sessions during February and March for all faculty, staff and student workers who would be interested. Please call Kay Wannamaker at 2536 to schedule a time.
