# Edwardsville Bulletin

*To the Faculty, Staff and Students of Southern Illinois University at Edwardsville*

Vol. 15, No. 14  
September 27, 1984

MEMO TO: The University Community  
FROM: Earl Lazerson   
SUBJECT: "Preview SIUE"

On Saturday, October 20, the University will host prospective students and their parents at "Preview SIUE," an open house featuring departmental presentations, campus tours, musical offerings, and a barbeque luncheon. This important event will give us an opportunity for communicating the competitive strengths of our University to capable students, many of whom have already expressed an interest in attending SIUE. I am delighted that so many faculty, staff, and students plan to participate, and I hope that many others will join the day's activities. Participation expresses our resolve to make certain that all area students learn how much we have to offer them.

For several months a committee of 20 representing the schools and units within the University has worked diligently in planning for October 20. By your support and your presence, we can express our appreciation for their efforts and contribute to the success of "Preview SIUE."
