MEMO TO: The University Community

FROM: Earl Lazerson *E. L.*

SUBJECT: "Preview SIUE"

On Saturday, October 12, the University will welcome prospective students and their parents to "Preview SIUE," an open house featuring departmental presentations, campus tours, musical offerings, and a complimentary luncheon. This annual event affords our guests an opportunity to get to know us better in an informal, friendly setting.

As an important part of our efforts to identify and inform capable young people, this event depends for its success on the wide participation of the University community. I want to express my appreciation to the 1985 Preview Planning Committee and to thank all who will take active roles in the various activities which have been planned. If time permits, please join us on October 12.
