# Edwardsville Bulletin

To the Faculty, Staff and Students of Southern Illinois University at Edwardsville

Vol. 16, No. 10  
October 16, 1985

MEMO TO: The University Community  
FROM: Earl Lazerson   
SUBJECT: "Preview SIUE"

Last Saturday, over a thousand area high school and community college students and their families enjoyed another successful PREVIEW SIUE. With the cooperation of sunshine and warm weather, our campus was at its best. Faculty, staff, students and visitors participated in campus tours and presentations, were entertained by theater, dance, and musical groups, and were treated to a barbecue lunch held on the Morris Quadrangle. The members of the campus community proudly shared their knowledge of SIUE's fine programs and services, helping our visitors gain a new and personal understanding of the educational opportunities available to them at Southern Illinois University at Edwardsville.

A successful event such as this one is the result of many hours, days and weeks of hard work on the parts of hundreds of individuals in many positions, from grounds workers to office staff, to faculty, and to the hundreds of student volunteers who helped our visitors have a good experience at SIUE.

To all faculty, staff and students who worked so hard to make this year's PREVIEW a success, I extend my thanks and those of the University community. As anyone present on Saturday witnessed, when all of us work together on a major project, we are able to demonstrate in a very real sense the essence of University life and the college experience, qualities which can best be communicated through the personal interaction made possible by events such as PREVIEW SIUE. Your personal commitment and participation made the difference this Saturday.
