Vol. 22, No. 19
November 12, 1991

MEMO TO: SIUE Faculty and Staff
FROM: Earl Lazerson 
SUBJECT: Tuition Waivers for Children of University Employees

Pursuant to recently enacted State of Illinois legislation which becomes effective January 1, 1992, the children of individuals who have been employed by Southern Illinois University for at least seven years may receive fifty percent tuition waivers for undergraduate education in the SIU system. To be eligible, children must: a) be less than 25 years old at the beginning of the academic year during which the waiver is received, and b) qualify for admission under the applicable requirements, standards and policies for undergraduate education at the campus to which he or she is applying. If satisfactory academic progress toward graduation is maintained, the waiver may be renewed for up to four years.

By December 15, 1991, you will receive additional information on how this important employment benefit will be implemented.
