SUBJECT: Dedication of University Park Drive  
Thursday, April 13, noon

APR 06 1995

SOUTHERN ILLINOIS UNIVERSITY  
AT EDWARDSVILLE

You are invited to the dedication ceremonies for University Park Drive, to be held on campus after the April Board of Trustees meeting. A ribbon-cutting will open the 2,950-foot addition to the University Park roadway, along with other features of the \$1.5-million infrastructure project.

Shuttle transportation and parkway tours will be available from Madison Mutual Insurance Company, One Mutual Court, directly east of the junction of University Park Drive with State Highway 157. Following the ceremonies, a reception will be held in the recently opened University Park Information Center.

This new section of University Park Drive provides an east entrance to University Park from Highway 157. It joins 3,100 feet of roadway and other infrastructure completed earlier, making 150 acres of University Park available in fully developed lots.

We look forward to this special day in the growth and advancement of the University. Please join us.
