MEMO TO: All University Personnel

FROM: Nancy Belck

SUBJECT: Oktober Career Fest & Volunteer Fair
October 23, 1996
University Center, 9:00 a.m. - 3:00 p.m.

The first combined Oktober Career Fest and Volunteer Fair is a joint effort between the Career Development Center and the Student Leadership Development Program. Please announce this opportunity in your classes and share with other students you see.

There will be local and national employers, and volunteer organizations represented at this first, annual fall event. Also, you can view a demonstration of the Career Development Center’s computer software program, 1st Place!

SIUE is pleased to welcome Principia and McKendree Colleges, co-sponsors of this “Fair-Fest.” Students from both colleges will participate as volunteers and active job seekers.

As the most comprehensive career fair in the region, there will be something for everyone—including information about volunteer activities, internships and Cooperative Education opportunities—as well as career opportunities for our graduating students and alumni. Please take some time to stop by and learn from this fall’s Oktober Career Fest and Volunteer Fair.
