SUBJECT: SIUE Charitable Fund Drive
State and University Employees Combined Appeal (SECA)

Please take time to review the SECA materials mailed to you in October, if you have not yet returned your pledge form. I urge you to consider the opportunity to support any of the 16 organizations who provide funding to hundreds of human service agencies.

Contributing to the charitable fund drive is one of the ways we can meet Challenge 5 of our action plan by "being responsive to community needs." The perception of the University is positively influenced as a result of our high participation in the campaign.

If you have any questions about the fund drive, please contact Mark Bacus at extension 3635; or Janet Hunsche, extension 2190. Let's help return to our community the support it has given to SIUE. Submit your pledge by November 15!
