MEMO TO: All University Personnel

FROM: David Werner

SUBJECT: Career Network '98

Career Network '98, the annual Spring Employment and Volunteer Fair, will be held in the University Center on March 25, 1998 from 9:00 a.m. to 3:00 p.m. I am asking you to please mention this event in your classes and/or to any students with whom you may interact. This event is a joint effort between the Career Development Center and the Student Leadership Development Program.

There will be over 100 local and national employers and local volunteer organizations represented at this annual spring event along with a demonstration of the Career Development Center's computer software program, *1stPlace!* and the new *Cougar Employer-Line!*

This event promises to be the most comprehensive career fair in the region and will have something for everyone, including volunteer, internships and Cooperative Education opportunities as well as career opportunities for our graduating students and Alumni. I ask that you take a few moments to stop by and support this spring's **Career Network '98 Employment and Volunteer Fair.**
