MEMO TO: The University Community
FROM: David Werner 
SUBJECT: Welcome Week '98

Welcome Week activities, scheduled August 24-28, are designed to greet new and returning students to SIUE. The events are created to promote an atmosphere of welcome and involvement. The underlying theme of the events this year is *Catch the Spirit* designed to promote school spirit and to enhance campus life while promoting student success.

To assure participation by the entire University community, each department and unit is invited to design ways to welcome students, perhaps by displaying a welcome banner, poster, or sign or by participating in the Welcome Week banner/door decorating contest. Additionally, I encourage everyone to wear a "Welcome to SIUE" button and attend these Welcome Week activities:
