Edwardsville Bulletin

To the Faculty and Staff of Southern Illinois University

Vol. 1, No. 5
September 23, 1968

Beginning with the fall quarter, all of Lot 8 will be reserved for Faculty-Staff parking and the lot will be so posted.

The Edwardsville Campus now has a bus which is available to all University departments or University-sponsored clubs for special events, field trips, activities, etc. It accommodates a maximum of 37 adult passengers and is equipped with individual head rest seats for passenger comfort. There is a maximum amount of locked luggage space plus interior overhead storage for coats, hats, small packages, etc. Reservations will be accepted on a first-come-first-served basis. Therefore, requests should be submitted to Transportation Service as far in advance of the need as possible. Requests from student groups should be made by the group's faculty sponsor. Student groups must be accompanied by a University sponsor. Qualified drivers will be furnished and arranged for as requests dictate.

The rate has been established on an estimated cost recovery basis; but if, through experience, it is found to be unrealistic, changes may have to be implemented with appropriate notice to the users. The rate will be 20¢ per mile for the bus plus \$3.00 per hour for the driver with a maximum driver charge for 12 hours or \$36.00 within a 24-hour period. This rate includes all costs such as bridge fare, parking, driver meals, driver lodging, etc.

The bus will be dispatched at the mileage rate only if the using department wishes to furnish a properly licensed and qualified driver. Drivers must be 21, have an Illinois Chauffeur's License, and be checked out in the operation of the bus.
