To the Faculty and Staff of Southern Illinois University

Vol. 1, No. 10
January 2, 1969

Parking decals are now available for issue at the SIU Edwardsville Security Office (Tract 24). It has been the practice to request registrants to pick up their decals in conjunction with receipt of their new 1969 Illinois Auto License Plates. The deadline for vehicular display of these decals will be coordinated with the display of new license plates.

This year the decals will be color coded to the parking lot signs. At the time decals are issued, Security will also issue a three sheet color brochure explaining the new signs and symbols which are currently being installed throughout the campus.

This general information is applicable to faculty and staff. Student decals are issued at the Dean of Students Office.
