Annual Report of the Board of Trustees

Transmittal

Carbondale, Illinois
June 30, 1970

Honorable Richard B. Ogilvie
Governor of Illinois

Sir:

We have the honor to submit to you herewith, in compliance with the law, the twenty-first annual report of the Board of Trustees of Southern Illinois University, for the fiscal year July 1, 1969, to June 30, 1970.

Respectfully yours,

Melvin C. Lockard
Secretary, Board of Trustees

Board of Trustees

(as of June 30, 1970)

Members

Dr. Martin V. Brown	<i>Carbondale</i>
Mr. Ivan A. Elliott, Jr.	<i>Carmi</i>
Mr. Harold R. Fischer	<i>Granite City</i>
Mr. F. Guy Hitt	<i>Benton</i>

Minutes of the Meetings

1969-70

THE JULY MEETING of the Board of Trustees of Southern Illinois University was held in the office of the Board, Carbondale Campus, on Friday, July 18, 1969, beginning at 9:30 A.M.

The following members of the Board were present: Chairman Lindell W. Sturgis, Dr. Martin V. Brown, Ivan A. Elliott, Jr., Harold R. Fischer, F. Guy Hitt, Melvin C. Lockard, Eugene T. Simonds. The Honorable Ray Page was absent.

Also present were President Delyte W. Morris, Chancellor Robert W. MacVicar, Chancellor John S. Rendleman, Vice-President Ralph W. Ruffner, Special Assistant to the President Clarence W. Stephens, Assistant to the President Roland Keene, Budget Director Clifford R. Burger, Director of University News Services William H. Lyons, University Legal Counsel C. Richard Gruny; reporters Ben Gelman, *Southern Illinoisan*, Dave Smith and Alan Grover, *The Alestle*, Dean Rebuffoni, *Daily Egyptian*, I. J. Hudson, WSIU-TV; Charles H. Tragesser, President, Edwardsville Student Body; and Mrs. Louise Morehouse, Recorder for the Board of Trustees.

The Chairman presented minutes of a regular meeting held June 20, 1969, copies of which had been forwarded to all members of the Board in advance of this meeting. On motion of Mr. Hitt, seconded by Dr. Brown, these minutes were approved as presented.

The sixth in a series of presentations covering various phases of University function was made by Budget Director Clifford R. Burger concerning the Annual Internal Budget for Operations.

Mr. Burger indicated that preparation for the 1969-1970 internal budget began nearly a year ago with consideration by the Chancellors, the deans, and the department chairmen of the needs of various areas based on anticipated enrollments, in order to staff for fall quarter, 1969. As to salary adjustments for 1969-1970, he indicated that listings of both civil service and faculty-administrative personnel are considered, beginning in January, and go from the departmental offices, through the Chancellors' offices, and to the President before being submitted to the Board of Trustees. Mr. Burger further indicated that the operating budget to be requested for 1970-1971 probably will be presented to the Board at the October meeting, and it is to be presented to the Board of Higher Education on November 1.

After the appropriation bill is passed, it becomes the duty of the Budget Director to suggest to the President the distribution of new funds accord-

ing to the purposes for which they were approved by the Board of Higher Education. Once that distribution has been determined, a reconciliation and reduction process begins, with the Chancellors and the Vice-President attempting to reconcile funds available to them with the demands of their operating units. From appropriations, distributions, and reconciliations the budget document is then prepared. Mr. Burger indicated that personal services account for approximately 75 per cent of all expenditures covered by the internal budget.

Commenting on monitoring of the internal budget, Mr. Burger indicated that a number of reports are prepared, namely, (1) the personal services report, which identifies positions budgeted for each operating unit, whether filled or open, funds required to pay for those positions, and the amount committed for the year; (2) a monthly report of appropriated funds as departmental allocations, which is sent to fiscal officers, deans, directors, and the Chancellors; (3) a monthly report of student activity fees showing beginning balance, expenditures, and ending balance; (4) semiannual and annual reports made to the Chancellors and the Vice-President for the purpose of monitoring the units under their control.

Mr. Burger indicated in response to a question that four full-time people work on budgeting, but that information is gathered from every operating unit within the University. In answer to a further question, Mr. Burger briefly described the process of control exercised, beginning with initiation of a request by a department through final payment from allocated funds. The question of equipment control and inventory was brought up by Dr. Brown, and Mr. Burger described the annual inventory performed by each fiscal officer and the spot check made by the University Inventory Control Unit and the State Division of Property Control each year.

President Morris and Chairman Sturgis each expressed appreciation for Mr. Burger's presentation.

Matters Presented by President Morris

THE FOLLOWING UNIVERSITY MATTERS were presented by the administration for consideration by the Board of Trustees:

RECOMMENDATION FOR HONORARY DEGREE, CARBONDALE CAMPUS

It is recommended that at the August 30, 1969, commencement or some commencement thereafter, the honorary Doctor of Science degree be awarded Thomas Kirk Cureton, distinguished teacher, consultant, and writer in the field of physical education.

Thomas Kirk Cureton was born August 4, 1901, in Fernandina, Florida. He received the Bachelor of Science degree from Yale University and the Master of Arts and Doctor of Philosophy degrees from Columbia University. For fifteen years he served on the faculty of Springfield College, Springfield; from 1945 until his retirement he was Professor and Director of the Physical Fitness Research Laboratory at the University of Illinois.

Professor Cureton has won distinction as a lecturer, writer, and director of clinics in his chosen field. He has been a consultant to education associations,

dental and medical groups, YMCA's, and other organizations. He served as Vice-President of the Physical Fitness Corporation of America in 1966, and of the Positive Health Institute in 1967. Other services include membership on the Physical Fitness Research Committee of the United States Army Air Forces, the American Medical Association on Physical Fitness, Consultant to the Personnel Section of the United States Navy, Consultant on Physical Fitness to President Eisenhower's and President Kennedy's Youth Fitness Council in Washington, and Consultant to the United States Army Air Forces, Headquarters Command, Defense, Colorado Springs, and to NASA. During 1964 and 1965 he lectured and demonstrated for the President's Council on Physical Fitness at all regional meetings in the United States and was awarded a citation from President Johnson as one of the nation's three top physical fitness leaders.

Professor Cureton is the author of some forty books and innumerable articles published in professional journals both here and abroad. In 1941, he served as chairman and principal author of the monograph *Physical Fitness*, the first such scientific publication in the United States. During the war, Professor Cureton conducted extensive research on young men not drafted, published in *The Journal of The American Medical Association*. In 1952, Professor Cureton did physical fitness research work and lectured to various physiological and medical societies in nine foreign countries. The Australian Government invited him in 1956 to participate in the survey and publication of Olympic training and conditioning methods.

This recommendation was initiated by the Carbondale Faculty Committee on Honorary Degrees, approved by the University Committee for Honorary Degrees, and has the endorsement of the administration.

On motion of Mr. Fischer, seconded by Mr. Hitt, the Board approved award of the Honorary Degree recommended. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

APPROVAL OF SALARY ADJUSTMENTS, 1969-70

By letter dated July 11, 1969, listings of recommended salary adjustments for faculty/administrative personnel were forwarded to the members of the Board of Trustees. President Morris presented such listings for consideration, indicating several minor corrections to be entered; he then requested approval of the amended listings, subject to necessary adjustments. President Morris also presented the following resolution and requested adoption by the Board:

RESOLUTION CONCERNING SALARY INCREASES FOR CIVIL SERVICE EMPLOYEES, 1969-70

It is requested that the Board of Trustees adopt the following resolution concerning salary adjustments for Civil Service employees for the fiscal year 1969-70:

Be it Resolved, The administration of Southern Illinois University is authorized to grant salary increases to Civil Service employees effective July 1, 1969, in an amount not to exceed \$996,500 to June 30, 1970.

On motion of Mr. Lockard, seconded by Mr. Simonds, the Board approved the recommendations made by the administration, subject to

4 *Board of Trustees/Southern Illinois University*

adjustments which may become necessary; further, the Board adopted the Resolution presented concerning salary increases for Civil Service employees. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

A copy of the salary listings considered was placed on file with the Secretary for deposit in the office of the Board.

The Board next considered salary adjustments for certain administrative personnel, including President Delyte W. Morris. After consideration, Dr. Brown moved that the annual tax-deferred annuity contract for President Morris be increased by \$5,000 for the fiscal year 1969-70. The motion was seconded by Mr. Elliott, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

REPORT OF DEATHS

The death of Mr. William Betterton, Associate Professor of Music, was reported. He was born May 31, 1928, and died June 22, 1969. He received the Bachelor of Music, Master of Arts, and Doctor of Philosophy degrees from the University of Iowa. He served in the public schools of Williamsburg and Davenport, Iowa, prior to accepting appointment at Southern Illinois University in 1959. He resigned in 1964 to accept a position as Head of the Music Department at Frostburg State College, Frostburg, Maryland, and returned to Southern Illinois University in 1966. He was dedicated to the value of the General Studies Program and worked selflessly to improve this course of study for music students and as a musician, performed with music groups.

The death of Mr. William Richard Qualls, Instructor in Instructional Television, was reported. He was born February 11, 1926, and died June 10, 1969. He received the Bachelor of Science in Education and Master of Science in Education degrees from Southern Illinois University. He had taught in the Herrin Township High School, Herrin, Illinois, prior to accepting appointment at Southern Illinois University in 1961. He was one of the first teachers and writers for the public school television series operated by Broadcasting and the Southern Illinois Instructional Television Association and was instrumental in effecting its use in the area schools.

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL

Additions and changes in the faculty-administrative payroll were reported and approval requested. (See Appendix I.)

A report of current outside approved employment requests covering the period July, 1968, to July, 1969, was presented, and a copy was placed on file with the Secretary for deposit in the office of the Board.

On motion of Mr. Elliott, seconded by Mr. Hitt, the Board approved all additions to and changes in the faculty-administrative payroll, as requested. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

APPROVAL OF ACTIONS OF THE EXECUTIVE COMMITTEE

It is requested that the Board of Trustees consider and approve actions of the Executive Committee in approving requisitions and the report of purchase orders and contracts awarded for the Carbondale and Edwardsville campuses during May, 1969. The detailed report of purchase orders and contracts was mailed to the members of the Board in advance of this meeting, and a copy was placed on file in the office of the Board.

A report of purchase orders and contracts amounting to less than \$2,500, in the total amount of \$496,195.58 for Carbondale Campus and \$208,985.31 for Edwardsville Campus, awarded during May, 1969, was considered. Also considered were purchase orders and contracts amounting to \$2,500 or over, including actions of the Executive Committee in approving requisitions amounting to \$5,000 or over. The total of this portion of the report was \$257,140.35 for Carbondale Campus and \$329,439.96 for Edwardsville Campus.

On motion of Mr. Lockard, seconded by Mr. Fischer, the Board approved and ratified actions of the Executive Committee, as requested. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.*

REVISION OF RECOMMENDATION TO ILLINOIS BUILDING AUTHORITY FOR
CONTRACT FOR CARPETING IN COMPLETION OF MORRIS LIBRARY

At the meeting of March 21 a recommendation was made for award by the Illinois Building Authority of a contract for carpeting in Morris Library. Upon protest by an unsuccessful bidder and reevaluation of the bid specifications it is recommended that that recommendation be withdrawn and a new one made in accordance with the following resolution:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular session assembled, That the Resolution of March 21, 1969, on this subject be and is hereby rescinded and the recommendation therein contained withdrawn, and in lieu thereof

Be it further Resolved, That it be and is hereby recommended to the Illinois Building Authority that award of contract for installation of carpeting for IBA Project 75-22, Completion of Morris Library, Carbondale Campus, be made to the low bidder, Universal-Stearns, Inc., 411 North Illinois, Carbondale, Illinois 62901, in the amount of \$79,966.00, in accordance with its proposal dated June 16, 1969, and agreement to submit prior to installation an actual production sample for approval as conforming to specifications.

On motion of Dr. Brown, seconded by Mr. Elliott, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

A copy of the tabulation of bids received on June 16, 1969, was placed on file in the office of the Board.

CONVEYANCE AND CONSENT THERETO OF SITE FOR
VTI CLASSROOM AND LABORATORY BUILDING

The deed to VTI land requires consent of the Department of Health, Education, and Welfare to any conveyance within twenty years. The following resolu-

*Corrected at meeting of Board of Trustees held on August 15, 1969.

tion requests such consent for conveyance to the Illinois Building Authority of the site of the Classroom and Laboratory Building and authorizes such transfer when appropriate.

Resolution

WHEREAS, By quitclaim deed dated February 5, 1965, recorded with the County Clerk of Williamson County, Illinois in volume 339, pages 981 through 992, which said deed is herein incorporated by reference as if fully set out herein, the UNITED STATES OF AMERICA, acting by and through Secretary of Health, Education, and Welfare, by the Regional Director, Region V, Department of Health, Education, and Welfare (hereinafter called the "Secretary"), under and pursuant to the powers and authority contained in the Federal Property and Administrative Services Act of 1949 (63 Stat. 377) (hereinafter called the "Federal Act"), as amended, conveyed to the Board of Trustees of Southern Illinois University, a body politic and corporate of the State of Illinois, (hereinafter called the "Board"), for educational purposes, certain surplus property therein described consisting of a tract of land of 138.22 acres, more or less, together with buildings and improvements thereon, lying and being in the County of Williamson, State of Illinois (hereinafter called the "property"); and

WHEREAS, The aforesaid quitclaim deed dated February 5, 1965, provided that the said property was conveyed subject to certain covenants, conditions, reservations and restrictions, therein fully set forth, binding upon the said Board, its successors or assigns, including a prohibition against the resale, lease, mortgage, encumbrance or other disposal of the property hereby conveyed or any part thereof, or interest therein, within twenty (20) years from the date of said deed without first obtaining the written approval of the Secretary to such sale, lease, mortgage, encumbrance, or other disposal, which said deed is incorporated herein and by reference made a part hereof; and

WHEREAS, The Illinois Building Authority, a body corporate and politic, created and existing under the laws of Illinois, (hereinafter called the "Authority"), was created pursuant to the provisions of an Act of the General Assembly of the State of Illinois, entitled "AN ACT to create the Illinois Building Authority and define its powers and duties," approved August 15, 1961, as amended (Chapter 127, paragraphs 213.1 to 213.14, inclusive, Illinois Revised Statutes, 1967) (hereinafter referred to as the "Act"), and pursuant thereto said Authority has the power to acquire any real estate, construct, complete, remodel, maintain and equip buildings and other facilities for the Board, which said Act is incorporated herein and by reference made a part hereof; and

WHEREAS, In order to provide essential buildings and educational facilities, it will be necessary for the Board to convey to the Authority, under the provisions of the Illinois Building Authority Act, a portion of the premises and property heretofore conveyed by said quitclaim deed dated September 1, 1966, in order that the Authority may borrow money and issue its revenue bonds to pay part of the cost of constructing said educational facilities, which said facilities, pursuant to the said Illinois Building Authority Act, will be leased by the Authority to, and operated by, the Board for the educational purposes for which the said premises were conveyed by the aforesaid quitclaim deed of February 5, 1965, and when all the debts of the Authority which have been secured by the income from that portion of such property have been paid, that portion of said property will be reconveyed by the Authority to the District, in accordance with the terms of the Illinois Building Authority Act; and

WHEREAS, The Authority, in order that educational facilities may be made available to the District, under the provisions of said Illinois Building Authority Act, as amended, is desirous and willing to undertake the construction of said facilities and to finance part of the cost of construction thereof by the issuance and sale of revenue bonds; and

WHEREAS, The Authority has agreed to accept the conveyance of that portion of said property, subject to each of the covenants, conditions, reservations and restrictions set forth in the aforesaid quitclaim deed dated February 5, 1965, except as modified by the terms of a "Consent Agreement" to be executed by the Secretary and accepted by both the Board and the Authority, and upon completion of construction of the aforesaid facilities, to lease said premises and improvements to the Board until such time as the debts secured by the income therefrom have been paid, and thereafter to promptly reconvey to the Board said premises and improvements thereon;

Now, therefore, be it Resolved, That the Board of Trustees of Southern Illinois University shall request the written consent of the Secretary of Health, Education, and Welfare to the conveyance of the following described portion of the said property to the Illinois Building Authority for the purposes set forth above:

In general the land is located in the Southwest Quarter of Section Thirteen (13), Township Nine (9) South, Range One (1) East, Third Principal Meridian, Williamson County, Illinois. (Note: Detailed description is omitted in the interest of economy, but is available in the office of the Board of Trustees.)

And be it further Resolved, That the Board of Trustees of Southern Illinois University shall, upon obtaining the said written consent of the Secretary of Health, Education, and Welfare, convey the above-described portion of the subject property to the Illinois Building Authority for the purposes set forth above, subject to those covenants, conditions, reservations and restrictions contained in the aforesaid deed of February 5, 1965, except as modified by a Consent Agreement to be executed by the Secretary and accepted by the Board and the Authority; and

Be it further Resolved, That Robert L. Gallegly, the Treasurer of this Board, be and he is hereby authorized for and on behalf of the Board of Trustees of Southern Illinois University to do and perform any and all acts and things which may be necessary to carry out the foregoing resolution, including the preparing, making, and filing of applications for consent to reconveyance and other documents, the execution, acceptance and recordation of agreements, deeds and other instruments, and the payment of any and all fees or costs incurred in connection with both the obtaining of the Secretary's consent to the transfer of such property and the actual transferring of such property.

BOARD OF TRUSTEES
SOUTHERN ILLINOIS UNIVERSITY

BY _____
Lindell W. Sturgis, *Chairman*

On motion of Mr. Lockard, seconded by Mr. Fischer, the Board adopted the resolution presented by the administration. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

RESOLUTION CONCERNING INTERIM USE OF
1968-69 INTERNAL BUDGET FOR OPERATIONS

Because the 76th General Assembly of the State did not pass the Southern Illinois University Appropriations Bill for Fiscal Year 1969-70 until the last few days of the regular session, and because of financial forecasting and reporting required pursuant to State of Illinois Bureau of the Budget Circular Number 1, it is requested that the Board of Trustees adopt the following resolution:

Be it Resolved, The 1968-69 Internal Budget for Operations of Southern Illinois University, other than salaries, be used as a base for Fiscal Year 1969-70 operations until the completed Internal Budget for Fiscal Year 1969-70 can be submitted to and approved by the Board of Trustees.

President Morris indicated that it was the intention of the administration to present the Internal Operating Budget at the meeting of the Board scheduled for September 19, 1969. He further indicated that until the budget can be presented to and approved by the Board, use of the 1968-69 budget would continue operations other than payroll on the basis of funds available for the fiscal year ended June 30, 1969.

On motion by Mr. Hitt, seconded by Mr. Lockard, the Board approved use of the 1968-69 budget for operations as requested. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

BUDGET REQUESTS FOR BUILDINGS AND OTHER CAPITAL IMPROVEMENTS
FOR THE FISCAL YEAR BEGINNING JULY 1, 1970

Request is for ratification of budget requests to be presented to the State of Illinois Board of Higher Education, July 21, 1969.

A copy of "Budget Requests for Buildings and Other Capital Improvements for the Fiscal Year beginning July 1, 1970" was presented to each member of the Board, and a copy was placed on file with the Secretary for deposit in the office of the Board. President Morris indicated that the staff of the State of Illinois Board of Higher Education had requested that this document be submitted to them by July 21, 1969. He further indicated that the requests for capital appropriations for new buildings had been prepared in accordance with formulae established by the Board of Higher Education, based largely on student enrollments.

Consideration was given to various items included in the requests. Mr. Sturgis requested that Item No. 11 (Site Development, Non-Residential — \$900,000) and Item No. 16 (Amphitheatre for the Performing Arts — \$3,000,000) for the Edwardsville Campus be deleted from the document. Various members of the Board expressed their concern for the lack of time allowed to study and consider the requests being submitted. President Morris indicated his recommendation for approval of the requests, with the understanding that the booklet itself would be subject to change in priorities and in designations. (Note: A summarization of capital appropriations requests for the fiscal year beginning July 1, 1970, was included in the official minutes of this meeting but is omitted in the interest of economy.)

On motion of Mr. Hitt, seconded by Mr. Fischer, the Board approved the budget requests for capital appropriations, as recommended; further, because of the lack of opportunity to study and consider these requests, the Board reserved the right to make any changes after further consideration. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

President Morris reported to the Board the public announcement of a grant from the Agency for International Development, providing \$200,000 per year over a five-year period for support of the Center for Vietnamese Studies and Programs, which was approved by the Board of Trustees on March 21, 1969. He indicated that unlike most Agency for International Development grants, this grant is without contractual obligations.

President Morris requested advice from the Board concerning selection of two additional holidays to be designated by the President each year, according to changes in Civil Service employee benefits approved at the June meeting. It was the consensus of the Board that the matter should be left to the administration.

President Morris requested that the Board consider expansion of the Humanities and Social Sciences Building as replacement space for approximately 43,000 net assignable square feet of classroom and office space lost because of the burning of Old Main Building. He indicated that it seemed both practical and desirable to extend the architect's contract to include detailed planning for Phase II of the projected building, using funds provided by the Legislature for permanent replacement of the space lost. He further indicated that a decision must be made also as to the most useful and economical way to provide temporary classrooms on an emergency basis, available for use fall quarter, 1969.

During the discussion which followed, various members of the Board asked what consideration was being given to restoration of Old Main Building, to use of the ground area, to a memorial on the site, and to use of salvaged materials. Mr. Sturgis indicated his feeling that definite plans should be made as to what is to be done in the Old Main area, and that the decision should come prior to expenditure on another project of funds appropriated for construction of a general classroom building to replace Old Main, as stated in Senate Bill 1262. A suggestion was made by Mr. Fischer to interest the Alumni in a memorial fund. Mr. Lockard asked that an estimate be made of the cost of complete restoration of the building, and that the Alumni then be consulted as to their wishes in the matter.

President Morris indicated that everything possible had been done to eliminate any danger in the area of Old Main, and that the building and site will remain in present condition until the Board of Trustees decides what more is to be done. He further indicated that an estimate of the cost to restore the building could be presented to the Board at the next regular meeting.

After extended consideration and discussion, Mr. Fischer moved that the administration be authorized to proceed with extension of the architect's contract for detailed planning of Phase II, Humanities and Social Sciences Building; further, that the administration be directed to consider provision of a suitable memorial for Old Main Building. The motion was seconded by Mr. Elliott, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Lockard; nay, Mr. Sturgis.

10 *Board of Trustees/Southern Illinois University*

President Morris discussed briefly the difficulty of controlling use of University buildings and grounds for private purposes, a matter which had also been discussed informally at the June meeting. Subsequently, Mr. Elliott had written the first draft of a suggested ordinance, copies of which were distributed. After consideration, it was determined that the University Legal Counsel be requested to consider the ordinance, and that further consideration be given the matter at the next regular meeting of the Board.

President Morris read to the Board a letter from Governor Ogilvie, dated July 15, 1969, concerning continuing austerity in spending. He indicated that copies of this letter would be forwarded to the members of the Board within a few days.

The meeting adjourned at 1:00 P.M.

THE AUGUST MEETING of the Board of Trustees of Southern Illinois University was held in the office of the Board, Carbondale Campus, on Friday, August 15, 1969, beginning at 9:30 A.M.

The following members of the Board were present: Chairman Lindell W. Sturgis, Ivan A. Elliott, Jr., Harold R. Fischer, F. Guy Hitt, Melvin C. Lockard, Eugene T. Simonds. The Honorable Ray Page was absent.

Also present were President Delyte W. Morris, Chancellor Robert W. MacVicar, Assistant to the Chancellor James M. Brown, Special Assistant to the President Clarence W. Stephens, Assistant to the President Roland Keene, Budget Director Clifford R. Burger, Treasurer Robert L. Gallegly, Director of University News Services William H. Lyons, Assistant Directors of University News Services C. A. Frazer and A. R. Howard, Jr.; reporters Ben Gelman, *Southern Illinoisan*, Marion R. Lynes, *St. Louis Globe-Democrat*, Dick Norrish, *Edwardsville Intelligencer*, John Pavlik, *The Alestle*, Gary Blackburn and Mike DeDoncker, *Daily Egyptian*; Charles Tragesser, President of Edwardsville Student Body, and Mrs. Louise Morehouse, Recorder for the Board of Trustees.

The Chairman presented minutes of a regular meeting held July 18, 1969, copies of which had been forwarded to all members of the Board in advance of this meeting. Mr. Lockard moved to approve the minutes presented, and the motion was seconded by Mr. Fischer. In response to a question, Mr. Elliott moved to vacate the motion approving the minutes, to amend the minutes to show that May bills were not approved at the last meeting, and also to correct a typographical error showing incorrect date for this meeting; with those two amendments, to approve the minutes presented. The motion was seconded by Mr. Fischer and was carried by unanimous vote.

Matters Presented By President Morris

THE FOLLOWING UNIVERSITY MATTERS were presented by the administration for consideration by the Board of Trustees:

TEMPORARY BUILDINGS, SITE WORK, AND UTILITIES AS REPLACEMENT FOR CLASSROOMS AND OFFICES IN OLD MAIN

Bids were received on July 31, 1969, for furnishing temporary buildings, site work, and utilities to provide 21 classrooms and 48 offices, as replacement for space lost in Old Main. By letter dated August 4, 1969, the University Archi-

tect's recommendation for award of contract for lease of facilities from R. H. & S. Steel Suppliers, Inc., in amount of \$339,736.22, was transmitted to the members of the Board, together with a tabulation of all proposals received.

At 11:00 A.M. on August 6, 1969, President Morris initiated a conference telephone call with the members of the Board from his office on the Carbondale Campus. The following members of the Board participated: Dr. Martin V. Brown, Mr. Ivan A. Elliott, Jr., Mr. Harold R. Fischer, Mr. F. Guy Hitt, Mr. Melvin C. Lockard, The Honorable Ray Page, Mr. Eugene T. Simonds, Mr. Lindell W. Sturgis. After consideration and discussion, Mr. Simonds moved that the contract be awarded as recommended by the administration, subject to the contractor's assurance of capacity to perform, and with an option to purchase the facilities at a set price. The motion was seconded by Mr. Fischer and was carried by the following recorded vote: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Page, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

A copy of the University Architect's letter of recommendation, together with a copy of the tabulation of proposals received July 31, 1969, was placed on file in the office of the Board.

This matter is submitted for the purpose of ratification, in accordance with Part II, Article III, Section 3 of the Bylaws of the Board of Trustees.

On motion of Mr. Lockard, seconded by Mr. Elliott, the Board ratified action taken on August 6, 1969, with addition of the requirement that the bill be signed by the Governor. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

DIPLOMAT-IN-RESIDENCE

The title Diplomat-in-Residence is recommended for the use of persons who have served with distinction in the diplomatic service and whose academic backgrounds, professional experiences and special interests indicate that they will contribute in a significant way to the broad program of the University. Like Visiting Professors, Diplomats-in-Residence will be appointed for one year or less and may be reappointed in the same manner as other term personnel.

On motion of Mr. Hitt, seconded by Mr. Fischer, the Board approved the title Diplomat-in-Residence. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Dr. Martin V. Brown entered the meeting at this time.

REPORT OF DEATH

The death of Mr. Luis A. Baralt, Visiting Professor of Foreign Languages and Philosophy, was reported. He was born April 12, 1892, and died July 18, 1969. He received a bachelor's degree from Havana Institute, the Doctor in Philosophy and Letters degree from the University of Havana, the Master of Arts degree from Harvard University, and the Doctor of Laws degree from the University of Havana. He served as Professor at Havana Institute, the University of Havana, and the University of Miami;

as Undersecretary of Public Instruction and Secretary of Public Instruction of Cuba; and as Dean of the Faculty of Philosophy and Letters, University of Havana, prior to accepting appointment at Southern Illinois University in 1960. He earned a reputation as a profound scholar and distinguished teacher.

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL

Additions and changes in the faculty-administrative payroll were reported and approval requested. (See Appendix I.)

On motion of Mr. Elliott, seconded by Mr. Hitt, the Board approved all additions to and changes in the faculty-administrative payroll, and requested that an appropriate resolution be prepared honoring Professor Luis A. Baralt, deceased. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

An appropriate statement of tribute to Professor Baralt was prepared and forwarded to Mrs. Baralt, and a copy was placed on file with the Secretary for deposit in the office of the Board.

APPROVAL OF SPECIALIST'S CERTIFICATE PROGRAM IN SCHOOL PSYCHOLOGY

Upon recommendation of the Graduate Council and the Dean of the Graduate School, approval is requested for submitting to the State of Illinois Board of Higher Education a curriculum leading to a Specialist's Certificate in School Psychology to be offered jointly by the Department of Guidance and Educational Psychology in the College of Education and the Department of Psychology in the College of Liberal Arts and Sciences, effective immediately.

The Illinois State Legislature has mandated availability of psychological services for all handicapped children by September, 1969. It is estimated that only about one-fifth of the personnel needed is available in Southern Illinois. The proposed program is designed to give, without unnecessary expense or irrelevant effort entailed in a full Ph.D. program, the necessary training to meet this need to individuals already trained to the masters level in psychology or related fields.

The proposed program is a logical development of current programs in educational psychology and guidance, and an adequate, highly capable staff is available in the sponsoring departments.

On motion of Dr. Brown, seconded by Mr. Fischer, the Board approved submitting to the State of Illinois Board of Higher Education a curriculum leading to a Specialist's Certificate in School Psychology. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

APPROVAL OF MASTER OF ARTS DEGREE IN LINGUISTICS

Upon recommendation of the Graduate Council and the Dean of the Graduate School, approval is requested for submitting to the State of Illinois Board of Higher Education a curriculum leading to the Master of Arts degree in Lin-

guistics to be offered by the Department of English in the College of Liberal Arts and Sciences, effective immediately.

This is a logical, economical, and highly desirable extension of the existing Master of Arts in English as a Foreign Language (MAEFL) program. Graduate study in linguistics is widely recognized as an essential part of higher education with important relevance to such disciplines as psychology, anthropology, philosophy, mathematics, speech pathology, computer science, foreign language, education, and English literature, all of which are represented on the Carbondale campus. The program would be devoted to the scientific study of language, the analysis of language characteristics and phenomena. Thirty-six universities in the United States offer a master's degree in linguistics, including the University of Chicago, the University of Illinois (Champaign), Illinois Institute of Technology, and Northwestern University.

The highly qualified faculty already established in the Department of English for the MAEFL program, supplemented by linguists in the departments of Anthropology, Foreign Languages, and Speech, are prepared to offer this curriculum.

On motion of Mr. Lockard, seconded by Mr. Fischer, the Board approved submitting to the State of Illinois Board of Higher Education a curriculum leading to the Master of Arts degree in Linguistics. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

RECOMMENDATION FOR CHANGE IN NAME OF UNIT

It is recommended that the name of the unit "Public Administration and Metropolitan Affairs" be changed to "Regional and Urban Development Studies and Services" effective immediately.

The Public Administration and Metropolitan Affairs unit has been an integral part of the service and research studies program of Area Services of the University and has been in the administrative organization responsible to the Vice-President for Student and Area Services (1964-1968) and to the Vice-President for Area and International Services (July 1968 to date).

The designation of the unit was changed administratively on an experimental basis on November 15, 1968, to "Regional and Urban Development Studies and Services." The experimental new title of the unit has been well received in the metropolitan area and it is believed that the title indicates both the mission and the functions of the unit.

On motion of Mr. Hitt, seconded by Mr. Fischer, the Board approved the change in name recommended by the administration. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

AFFILIATION WITH MID-WESTERN UNIVERSITIES

Authorization is requested to formalize the affiliation of Southern Illinois University at Carbondale with a group of four other Mid-Western State Universities for the purpose of mutual assistance in the broad areas of academic work, public service, research and intercollegiate relations in athletics. The official documents for the organization of the association will be presented at a later date; this formal action, however, would constitute the intention of the University to form such an association and direct the University officials concerned to complete the negotiations.

President Morris indicated to the Board that this recommendation is the culmination of discussions carried on over a period of four or five years, and if approved would mean mutual assistance in very broad areas for the institutions involved.

Chancellor MacVicar indicated that unanimous consent from each of the five institutions was necessary before the affiliation can be consummated, therefore he could not at this time reveal the names of the other institutions. He indicated, however, that all are within the states of Illinois and Indiana, and all are of comparable size and scope to Southern Illinois University.

On motion of Mr. Hitt, seconded by Mr. Elliott, the Board authorized the administration to formalize the affiliation as requested. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

REVIEW OF CAPITAL BUDGET REQUESTS

As directed by the Board at the July meeting, copies of the budget document concerning capital requests for the fiscal year 1970-71 were transmitted to the Board of Higher Education on July 21, 1969, with the following comment:

"Because of the lack of opportunity to review the document and study it in advance, the Board of Trustees of Southern Illinois University approved transmittal of the requests at its meeting on July 18, 1969. It reserved the right, following further consideration, to make such changes and modifications as may appear desirable."

The budget document is resubmitted at this time in order that the members of the Board may have the opportunity to make changes and modifications.

President Morris briefly outlined regulations of the State of Illinois Board of Higher Education concerning submission of budget requests and the methods adopted by that body for consideration of the institutions' requests. He indicated that final decision on requests to be presented to the legislature would not be made until some time in January.

Dr. Brown stated his opposition to construction of an underpass at Mill Street in Carbondale. He also indicated his feeling that provision of a golf course should receive very high priority in the list of capital budget requests. In reply, Chancellor MacVicar indicated that he hoped to receive a recommendation from the Board of Architectural Consultants for the Carbondale Campus and to present to the Board of Trustees the name of an architectural firm to serve as consultant in planning a golf course, possibly as early as the September meeting.

After discussion and consideration, Dr. Brown moved that Item 4 on Page 17 be moved up to become Item 3; and Item 3 then be placed as Item 4; further, that the Chancellor be directed to give a golf course number one priority in the new Item 3. The motion was seconded by Mr. Lockard, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Some discussion was held concerning an amphitheatre for the perform-

ing arts, Edwardsville Campus. Mr. Sturgis moved that Item 11, Page 13—\$500,000; Item 8, Page 14—\$168,000; and Item 16, Page 21—\$3,000,000 (totaling \$3,668,000) be deleted from the budget requests. The motion was seconded by Mr. Simonds, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Dr. Brown then moved that the item concerning an underpass at Mill Street, Carbondale, as set forth on Page 9, be deleted from the budget requests. The motion was lost for want of a second.

After further discussion and consideration, Mr. Elliott moved that the Board approve the budget requests, as amended. The motion was seconded by Mr. Simonds, and the vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, Dr. Brown.

President Morris briefly outlined discussions and consideration which had been given to provision of a golf course, indicating that two separate sites had been considered and that both sites would be affected by the rerouting of highway 51. He indicated that such rerouting would also affect the agronomy program and the poultry-dairy program, as well as other programs of the School of Agriculture, and that provision for additional farm land or curtailment of programs would become necessary.

SIDEWALK AND PARKING LOT RESURFACING, EDWARDSVILLE CAMPUS

Proposals were received on July 30, 1969, for campus improvements at the Edwardsville Campus. A tabulation of all proposals received is on file in the office of the Board of Trustees. The low bid for the work recommended is as follows:

Bituminous Fuel & Oil Co.
700 Johnson Hill
Collinsville, Illinois

A. New walks and walk resurfacing	\$54,660.81
B. Surfacing General Office-Services	
Building parking lot	32,972.98
D. Peck Building steps	2,900.00

Total	<u>\$90,533.79</u>
-------	--------------------

The recommended contract award at this time is \$90,533.79, which is 13 per cent under the engineer's estimate for this work. As can be noted from the bid tabulation, two or more bids were received on all divisions of the work and appear to be competitive. Subsequent requisitions will be submitted when availability of funds is assured.

Proposals for the work on which no present recommendation is being made can be accepted within 90 days of the bid date.

In reply to a question, President Morris explained the formula set up by the State of Illinois Board of Higher Education for recommending the sharing of costs of parking facilities. He indicated that an effort is being

made to plan parking structures for both campuses so as to take advantage of the progressive formula.

On motion of Mr. Fischer, seconded by Mr. Elliott, the Board approved award of contract as recommended by the administration. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

POLICY FOR WOMEN'S HOURS

It is recommended that the Board approve the following policy concerning Women's Hours for the Carbondale Campus of the University for the 1969-70 academic year:

1. The currently imposed hours continue in effect for this year.
2. The policy of self-determination of hours for women students permit all women of 21 years of age or older to regulate their absences from approved living centers in accordance with current practice, and all women students of less than 21 years of age have this privilege upon receipt by the University of formal consent of the parent or guardian.

Chancellor MacVicar indicated that the policy recommended had been worked out by the women themselves, and it has the approval of the Dean of Students.

On motion of Dr. Brown, seconded by Mr. Lockard, the Board approved the policy concerning women's hours. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

The Board next considered Item D (Approval of Actions of the Executive Committee: Purchase Orders and Contracts Awarded during May, 1969, for Carbondale and Edwardsville Campuses), postponed from the meeting held July 18, 1969. On motion of Mr. Lockard, seconded by Mr. Simonds, the Board approved and ratified actions of the Executive Committee, as requested. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Dr. Brown, a member of the Joint Committee with Hospital Trustees, reported briefly concerning the committee's search for office space in Springfield. He indicated that the committee was recommending to the respective boards that the Fury Estate at 7th and Carpenter be leased for this purpose, with provision for purchase at a later date.

After discussion and consideration, Mr. Lockard moved that the Board proceed through its committee to acquire property in Springfield. The motion was seconded by Mr. Elliott, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

The meeting was adjourned at 12:30 P.M.

September 19, 1969

THE SEPTEMBER MEETING of the Board of Trustees of Southern Illinois University was held on Friday, September 19, 1969, in the President's Staff Office, Edwardsville Campus.

The following members of the Board were present: Chairman Lindell W. Sturgis, Dr. Martin V. Brown, Ivan A. Elliott, Jr., Harold R. Fischer, F. Guy Hitt, Melvin C. Lockard, Eugene T. Simonds. The Honorable Ray Page was absent.

Also present were President Delyte W. Morris, Chancellor Robert W. MacVicar, Chancellor John S. Rendleman, Vice-President Ralph W. Ruffner, Special Assistant to the President James M. Brown, Assistant to the President Roland Keene, Budget Director Clifford R. Burger, Treasurer Robert L. Gallegly, Director of University News Services William H. Lyons, Assistant Director of University News Services A. R. Howard, Jr.; reporters Ben Gelman, *Southern Illinoisan*, Dolores Katz, *Illinois State Register*, Pat Gauen and John Pavlik, *The Alestle*, Terry Peters, *Daily Egyptian*, Roger Wolfe, WICS-TV, Springfield, Ben Kiningham, Radio Station WTAX, Springfield; Charles H. Tragesser, President of Edwardsville Student Body, Dwight Campbell, President of Carbondale Student Body, Richard Wallace, Vice-President of Carbondale Student Body, Tom Bevirt, Robert Bauman, Maureen Mrizek, Carbondale Students, Mrs. Grace Jones, and Mrs. Louise Morehouse, Recorder for the Board of Trustees.

The Chairman declared a quorum to be present and called for the first order of business.

Chairman Sturgis presented minutes of a regular meeting held August 15, 1969, copies of which had been forwarded to all members of the Board in advance of this meeting. On motion of Mr. Lockard, seconded by Mr. Hitt, the Board approved these minutes as presented.

Matters Presented by President Morris

THE FOLLOWING UNIVERSITY MATTERS were presented by the administration for consideration by the Board of Trustees:

APPROVAL OF BACHELOR'S DEGREE PROGRAM IN INTERNATIONAL AGRICULTURE

Upon recommendation of the Dean of the School of Agriculture, Carbondale, approval is requested for submitting to the State of Illinois Board of Higher Education a curriculum leading to the Bachelor of Science degree in Agriculture, with specialization in International Agriculture, to be offered by the

School of Agriculture, effective as soon as possible during the 1969-1970 academic year.

The proposed curriculum would include considerable work in social science as well as agriculture. It is intended to provide a rare, but much-needed, combination of professional competence in agriculture with training in working with the people and cultures of foreign countries. It applies to United States students expecting to serve in foreign countries with private firms, government services, or voluntary services, and to foreign students studying agriculture in this country. The agriculture component of the curriculum would consist of selected offerings from the existing departments of Agricultural Industries, Animal Industries, Plant Industries, and Forestry. The School of Agriculture would administer the curriculum directly, as it does currently its degree program in General Agriculture.

There are approximately fifteen universities in this country offering comparable undergraduate curricula in international agriculture, including Louisiana State University, Cornell University, Iowa State University, Pennsylvania State University, and the University of Alabama.

Several of the School of Agriculture faculty members have had extensive experience in agriculture in foreign countries. The proposed curriculum provides a way of capitalizing upon this experience and the earlier investment of resources in international activity.

On motion of Mr. Elliott, seconded by Mr. Hitt, the Board approved a Bachelor's degree program in International Agriculture, subject to approval by the State Board of Higher Education. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

TRANSFER OF SITE OF CLASSROOM AND OFFICE BUILDING,
SOUTHERN ACRES CAMPUS, TO ILLINOIS BUILDING AUTHORITY

In order for the Illinois Building Authority to proceed with construction of the Classroom and Office Building, IBA No. 75-28 at the Southern Acres Campus, it is necessary for the University to transfer jurisdiction over the site to the Authority. This action is necessary at this time in order to facilitate processing of the request for written consent of the U.S. Department of Health, Education, and Welfare, which consent is required under our deed to the Southern Acres Campus. The following resolution is therefore recommended for adoption at this time:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular session assembled, That the transfer of jurisdiction of the below-described site for the Classroom and Office Building, IBA No. 75-28, at the Southern Acres Campus to the Illinois Building Authority, a body corporate and politic of the State of Illinois, be and is hereby approved:

In general the land is located in the Southwest Quarter of Section Thirteen (13), Township Nine (9) South, Range One (1) East, Third Principal Meridian, Williamson County, Illinois, described in detail as follows:

(Note: Detailed description is omitted in the interest of economy, but is on file in the office of the Board.)

And be it further Resolved, That the Chairman and the Secretary of this Board be and are hereby authorized and directed to execute in the name of the Board a formal document of transfer of jurisdiction and any and all other documents needful or desirable to effectuate the said transfer.

On motion of Mr. Fischer, seconded by Mr. Simonds, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

REPORT OF DEATHS

The death of Mr. John W. Allen, Instructor (Emeritus) in the University News Services, was reported. Mr. Allen was born October 14, 1887, and died August 29, 1969. He attended Southern Illinois University. He taught in public schools in Illinois and was employed in construction enterprises prior to appointment at Southern Illinois University in 1942. He was recognized for his books and news articles on Southern Illinois history.

The death of Dr. Katharina Kalnins, Physician in the Health Service, was reported. Miss Kalnins was born March 28, 1919, and died August 3, 1969. She received the Doctor of Medicine degree from the University of Munich. She was appointed at Southern Illinois University in 1954, and was dedicated to the Health Service program.

The death of Mr. Herbert F. A. Smith, Professor in the Education Division, was reported. Mr. Smith was born October 17, 1915, and died August 30, 1969. He received the Bachelor of Arts degree from McGill University and the Master of Arts and Doctor of Philosophy degrees from the University of Michigan. He had taught in public schools in Canada and had served as Associate Professor at Mankato State College prior to accepting appointment at Southern Illinois University in 1957. He served with the Student Teaching Program at the Carbondale Campus until 1964, when he transferred to the Edwardsville Campus. He developed an interest in international education and was serving in Nepal under the terms of the University's program with the Agency for International Development at the time of his death.

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL

Additions and changes in the faculty-administrative payroll were reported and approval requested. (See Appendix I.)

On motion of Dr. Brown, seconded by Mr. Fischer, the Board approved all additions to and changes in the faculty-administrative payroll, as recommended. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

APPROVAL OF ACTIONS OF THE EXECUTIVE COMMITTEE

It is requested that the Board of Trustees consider and approve actions of the Executive Committee in approving requisitions and the report of purchase orders and contracts awarded for the Carbondale and Edwardsville campuses during June and July, 1969. The detailed reports of purchase orders and contracts were mailed to the members of the Board in advance of this meeting, and copies were placed on file in the office of the Board.

Reports of purchase orders and contracts amounting to less than \$2,500, in the total amount of \$992,023.05 for Carbondale Campus and \$466,-179.79 for Edwardsville Campus, awarded during June and July, 1969, were considered. Also considered were purchase orders and contracts amounting to \$2,500 or over, including actions of the Executive Committee in approving requisitions amounting to \$5,000 or over. The total of this portion of the reports was \$13,457,834.05 for Carbondale Campus and \$4,707,531.19 for Edwardsville Campus.

On motion of Mr. Lockard, seconded by Mr. Fischer, the Board approved and ratified actions of the Executive Committee, as requested. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

CONSIDERATION OF PROPOSALS FOR CHILLED WATER DISTRIBUTION SYSTEM,
CARBONDALE CAMPUS

Proposals were received on August 19, 1969, for modification and expansion of the chilled water distribution system, Carbondale Campus. Such modification and expansion will provide chilled water supply and return from the Refrigeration Plant-West to the General Classroom Building Group, Life Science Building Group, Agriculture Building and a first increment of extension to the Morris Library. This system will supply both existing buildings and future buildings, and also relieve the existing underground chilled water system in this area of the campus of its present function, so that it may serve only the Life Science Building, Stage II. A tabulation of all proposals received is on file in the office of the Board.

The University Architect has recommended that award be made to the low bidder, Shawnee Constructors, Inc., as follows:

1. Base bid proposal	\$306,000
2. Lump sum proposal for Unit Price #1 for pipe extension under Utility Tunnel	10,500
3. Lump sum proposal for Unit Price #2 for pipe extension under street	4,500
4. Acceptance of 40 L.F. of piping extension under sidewalk, 40 x \$90.00	3,600
Total	<u>\$324,600</u>

The base bid of Shawnee Constructors, Inc., in the amount of \$306,000.00 is approximately 8 per cent below the cost estimate of the engineers.

It is recommended that contract be awarded to Shawnee Constructors, Inc., in the amount of \$324,600, as shown above.

On motion of Mr. Hitt, seconded by Mr. Lockard, the Board approved award of contract to the low bidder, as recommended. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

CONSIDERATION OF ANNUAL INTERNAL BUDGET
FOR OPERATIONS, 1969-1970

Copies of the Annual Internal Budget for Operations, 1969-1970, were mailed to the members of the Board of Trustees on September 11, 1969.

President Morris indicated that some 70 per cent of the total budget had already been approved as salaries and wages. He further indicated that allocation of total funds made available by the General Assembly represents the cooperative efforts of the Budget Officer, the Chancellors, and Central Administration officers, based on their best judgment of equity and the objectives of the University.

Dr. Brown requested that the Board consider budget allocations of the Student Activity Fees. He asked why it was necessary to pay students who are officers in Student Government, and stated he felt the total of \$77,000 for Student Government on the Carbondale Campus was excessive. Dr. Brown also stated his objection to the following items: Student Radio Station, \$8,000; Leadership Training, \$7,000; Free School, \$3,100; Student Special Projects, \$3,500.

Chancellor MacVicar explained that the allocation for Student Government salaries had been increased only slightly over last year, and that students are paid while serving as Student Government officers because time devoted to such work prevents holding jobs elsewhere. He indicated that Student Activities includes such things as Homecoming and Parents' Day, as well as cultural and recreational programs such as the Friday and Saturday night movies. Student Special Projects, he indicated, is largely used for services to handicapped students. He stated that Student Radio Station is a new item, but has been under consideration for many years and will meet educational as well as recreational and informational needs. He stated that Free School has his personal support, as it provides services for many people who wish to learn unconventional things; Leadership Training is primarily educational, it is formal and organized, and is directed primarily at students but involves faculty and staff from the Student Affairs Division also.

Some discussion was held as to whether or not students serving as Student Government officers are required to be full-time students. Both Tom Bevirt and Dwight Campbell, Carbondale students, indicated that the Student Government constitution requires a candidate for office to be in school full time for four quarters, and he must also be a full-time student while holding elected office.

Mr. Simonds asked about the programs to be presented on the new student-operated radio station. Chancellor MacVicar indicated that programs will be supervised and under the direction of responsible University personnel, and the station will be operated under the canons of radio practice as determined by professional people.

Dr. Brown stated his objection that Health Services (Student Medical Benefit) is included in Student Activities. Chancellor MacVicar indicated that the Student Medical Benefit is a fixed percentage of income from Student Activity Fees and was determined by the Board of Trustees; it is, therefore, not considered by the student group working on allocation of funds. He indicated agreement with Dr. Brown that this item should not be included in Student Activity Fee and stated that a committee has been

set up to study the whole matter of better medical services for the student.

Mr. Elliott asked about an item of \$105,000 for athletics. Chancellor MacVicar replied that this was not an earmarked amount, but was continuing support of athletics from Student Activity Fees budget, and an important part of the reserve for building a stadium. He further indicated that this amount is in addition to the proportionate athletic fee paid by all students.

Mr. Elliott also asked concerning Band, Chorus, and Newspaper (*Daily Egyptian* and *The Alestle*). Chancellor MacVicar and Chancellor Rendleman both indicated that additional funds from other sources are expended on each of these items.

Dr. Brown moved that the Board accept the Internal Budget, with the exception of three items, namely, Free School, Salaries for Student Government, and Student Radio Station, and that these items be considered and discussed later. The motion failed for want of a second.

Dr. Brown then made the following statement, with the request that it be included in the minutes along with a specific amount of the discussion, to this point: "In my opinion these items represent taxpayers' money which can be of more benefit if (1) saved as requested by Governor Ogilvie, or if (2) spent on a stadium which is so urgently needed on the Carbondale Campus."

On motion of Mr. Elliott, seconded by Mr. Fischer, the Board approved the Internal Budget for 1969-1970, as presented. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; present, Dr. Brown; nay, none.

Mr. Simonds indicated his feeling that the item of Student Activities should be carefully reviewed during the next year, in advance of presentation of the annual internal budget. Dr. Brown stated that the same request had been made when considering this portion of the budget in 1968.

MOTOR VEHICLE REGULATORY POLICIES, EDWARDSVILLE CAMPUS

In October of 1968, a committee was appointed with representation from the Faculty Sub-Council, the Student Council, and the staff of Southern Illinois University at Edwardsville to give consideration to the parking and traffic problems of this campus. It had been quite obvious during the preceding two years that previous regulations had not been effective in restraining illegal parking and illegal use of the University traffic facilities.

As a result of such consideration, it is recommended that the following regulatory policies be adopted by the Board of Trustees at this time:

Resolution

Motor Vehicle Regulatory Policies, September 1, 1969,
Southern Illinois University, Edwardsville, Illinois

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That the following Motor Vehicle Regulatory Policies shall be in effect at the property owned or controlled by the University under the jurisdiction of the Chancellor of Southern Illinois University at Edwardsville from and after September 1, 1969, and all regulations inconsistent herewith are as of that date repealed:

I. Southern Illinois University property is under the ownership and control of the Board of Trustees. University roads shall not be deemed public highways or public roads.

II. Permission to bring motor vehicles on University property is conditional upon compliance with applicable Federal, State and local laws, these regulatory policies, regulations adopted pursuant to these regulatory policies, and directives of duly authorized security officers. Persons failing in this compliance shall be deemed trespassers.

III. Permission to bring motor vehicles on University property is subject to the condition that the University is not responsible for the care or protection of any motor vehicle or its contents at any time.

IV. The Chancellor of Southern Illinois University at Edwardsville shall have general jurisdiction over matters relating to parking and traffic, including the establishment of vehicle registration/parking fees, the authorization of signs regulating traffic and parking, designation of parking areas, and the institution of regulations implementing these regulatory policies.

V. Cognizant University authority is authorized to impose sanctions for violation of regulations adopted by it including, but not limited to, monetary assessments not to exceed \$50, withdrawal of permission to bring motor vehicles on University property, withdrawal of parking privileges, removal of trespassing vehicles at the several expense of the driver, registrant and owner, recommendation of internal disciplinary action, or any combination of the above.

VI. Alleged violators shall be entitled to at least one appeal with the hearing on appeal of a formality commensurate with the gravity of the offense.

VII. Cognizant University authority is authorized to adopt vehicle registration/parking fees of not less than \$5 per year and not more than \$90 per year to help defray the cost of motor vehicle registration, enforcement of regulations, and parking facilities.

VIII. The assessment and collection of hourly or daily parking charges by meter or otherwise is hereby authorized. The rates of such fees shall be established by the cognizant University authority, but shall not exceed 25¢ per hour except where a particular space is rented on an exclusive basis, and in such case shall not exceed \$12.00 per month.

Mr. Elliott indicated that he believed the parking problem could become a real challenge to students, and that students, faculty and staff, the Faculty Council, and the Student Council should all be involved in attempting to solve the parking space problem.

On motion of Mr. Elliott, seconded by Mr. Hitt, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

CAMPUS HOUSING ACTIVITY FEE FOR THE EDWARDSVILLE CAMPUS

Educational, cultural and recreational programming by organizations of the residents of on-campus housing facilities has been a part of campus life since the University first had resident students. To place such programming on a continuing and stable financial base, it is recommended that there be instituted a special activity fee for such residents to be administered by the concerned organizations in accordance with a budget approved by the Board in approximately the same manner as the general activity fee and the campus housing activity fee for the Carbondale Campus. The Tower Lake Housing project on the Edwardsville Campus will become operational during the 1969-70 academic

year. For this purpose the following resolution is recommended for adoption at this time.

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That there is hereby created a special activity fee to be collected and administered for the benefit of all students residing in University Housing at the Edwardsville Campus beginning the fall quarter, 1969. Such fees shall be in the sum of Three Dollars (\$3.00) for each academic quarter for which an on-campus housing contract is in force, payable in advance, but refundable for any full academic quarter remaining after termination of such contract. The proceeds therefrom shall be deposited in a separate University restricted account to be disbursed by authority of a fiscal officer in accordance with University policy and the approved budget of recognized organizations which shall include all students who pay this fee.

On motion of Mr. Fischer, seconded by Mr. Simonds, the Board adopted the resolution presented. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; present, Dr. Brown; nay, none.

A letter from Mayor David H. Keene, Carbondale, was read by Chairman Lindell W. Sturgis and was placed on file with the Secretary for deposit in the office of the Board.

There being no further business before the Board, it was duly moved and seconded that the meeting be adjourned, and upon call of the question the Chairman declared that the motion had carried *viva voce*.

THE OCTOBER MEETING of the Board of Trustees of Southern Illinois University was held on Friday, October 17, 1969, in the office of the Board, Carbondale Campus, beginning at 9:30 A.M.

The following members of the Board were present: Chairman Lindell W. Sturgis, Dr. Martin V. Brown, Ivan A. Elliott, Jr., F. Guy Hitt, Melvin C. Lockard, Eugene T. Simonds. Mr. Harold R. Fischer and The Honorable Ray Page were absent.

Also present were President Delyte W. Morris, Chancellor Robert W. MacVicar, Chancellor John S. Rendleman, Vice-President Ralph W. Ruffner, Special Assistant to the President James M. Brown, Assistant to the President Roland Keene, Budget Director Clifford R. Burger, University Legal Counsel C. Richard Gruny, Treasurer Robert L. Gallegly, Director of University News Services William H. Lyons; reporters Ben Gelman, *Southern Illinoisan*, Terry Peters, *Daily Egyptian*, John Pavlik, *The Alestle*; Charles H. Tragesser, President of Edwardsville Student Body, and Mrs. Louise Morehouse, Recorder for the Board of Trustees.

The Chairman presented minutes of a regular meeting held September 19, 1969, copies of which had been forwarded to all members of the Board in advance of this meeting. On motion of Mr. Hitt, seconded by Mr. Simonds, the Board approved these minutes as presented.

Matters Presented by President Morris

THE FOLLOWING UNIVERSITY MATTERS were presented by the administration for consideration by the Board of Trustees:

PROPOSAL FOR A REGIONAL DEVELOPMENT CENTER FOR COMMUNITY EDUCATION

For the past year, the College of Education has been working with the Charles Stewart Mott Foundation on the possibility of setting up a Regional Development Center for Community Education.

Community education in this instance is focused on making the local public school facilities the center for all kinds of community educational activities. These activities could range from adult education classes to special classes for senior citizens, to public lectures, to recreational activities (nonathletic). The school truly becomes a community center, and in many urban and rural areas it is the only facility that can perform this function.

The Mott Foundation will provide funds on a matching basis to a university for setting up a regional center to furnish assistance and consultant help to local communities and to train persons to operate community education pro-

grams. The Foundation will also fund, again on a matching basis, local school districts as demonstration centers.

The program is designed to enable local schools better to serve the needs of both the young and old, the disadvantaged and the advantaged, and the urban and rural segments of the community through the employment of a broadly educated and sensitive Community School Director.

The essence of the program is year-long, day and night use of the community's schools and resources in an effort to improve the skills and knowledge of the people in the community and to provide a place for recreational activities and social affairs so that the community becomes school-centered.

Such a program, the Foundation says, allows the teacher to know his pupil's parents, makes the family a closer knit unit, informs the community about the condition of the school and its needs, and improves a worker's vocational skills or prepares a worker for a new job.

Through a regional center at Southern Illinois University, school districts would be provided with (1) trained community educators, (2) short-term training programs for educators, school board members and other community leaders, (3) technical assistance in planning and implementing model demonstration programs, and (4) information about the advantages of the program, the problems involved and ways of solving those problems.

Although the Mott Foundation provides an initial three years' funding, continued Foundation support is to be anticipated if it joins with the University in establishing such a Center. The proposed center at Southern Illinois University would service Illinois, Missouri, Kentucky and parts of Arkansas, Tennessee and Alabama. Anticipated costs for the first three years are:

FY 1970	\$149,817 (S.I.U.'s share — \$63,004)
FY 1971	\$180,935 (S.I.U.'s share — \$65,777)
FY 1972	\$186,011 (S.I.U.'s share — \$68,542)

In addition to the matching commitment indicated above, the University would be expected to assume all indirect costs.

The proposed center would be located on the Carbondale Campus and would function as a unit of the College of Education. In the future, should the need develop, the program in community education could be extended and appropriate services could be provided from the Edwardsville Campus.

Directions would be given the center by an advisory committee composed of public school teachers and administrators and persons drawn from the pertinent University units, such as the School Services Bureau, Community Development Services, Business Research Bureau, and six major departments from within the College of Education. Center personnel and the advisory group would also coordinate the development of a Master of Science degree program in community education.

As a prime producer of qualified teachers, Southern Illinois University has a responsibility to maintain its position as a leader in education. By sponsoring the development of community education programs throughout its region and by providing its technical assistance to those attempting to develop such programs, the University will meet its obligation to advance society.

It is therefore requested that the Board of Trustees endorse the above proposal and authorize its Chairman to seek approval of the Illinois Board of Higher Education, provided that funds are forthcoming from the Mott Foundation.

On motion of Dr. Brown, seconded by Mr. Lockard, the Board endorsed the proposal presented and authorized submitting it to the Illinois Board of Higher Education, subject to funding by the Mott Foundation. The

vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

ADJUSTMENT OF POLICY ON TEXTBOOK RENTAL AND ACTIVITY FEES

In planning for the International Study Center it was observed that such students neither received benefit from the Textbook Rental Fee or Activity Fee, nor did they place any financial burden on the programs supported by these fees. This is also true of some Extension courses. For the purpose of providing for exemptions in such cases the following resolution is recommended for adoption at this time:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That effective June 1, 1969, exemption from the Textbook Rental Fee or the Activity Fee, or both, is authorized for any course wherein it is certified by the Chancellor having jurisdiction over the curriculum of which this course is a part, that such course will be conducted primarily at a location so remote from the regular instructional centers of any campus that the students enrolled therein could receive no substantial benefit from the programs supported by one or more of these fees.

No student shall by enrollment in such a course acquire the right to participate in any program supported in whole or in part by a fee from which exemption has been granted.

On motion of Mr. Elliott, seconded by Mr. Hitt, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

REPORT OF DEATHS

The death of Mr. Robert V. Allen, Assistant Professor in the Vocational-Technical Institute, was reported. Mr. Allen was born February 1, 1913, and died September 13, 1969. He received the Bachelor of Arts degree from Atlantic Christian College. He had served with the Police Department, Reidsville, North Carolina; as special agent with the North Carolina Bureau of Investigation; as Warden of the North Carolina Prison Department; and as Task Force Director of the Joint Commission on Correctional Manpower and Training, Washington, D.C., prior to accepting appointment at Southern Illinois University on January 2, 1968. He served as the first Faculty Chairman of the Corrections and Law Enforcement Program at the Vocational-Technical Institute, and, in a quiet, dignified manner, was responsible for initiating this instructional program.

The death of Miss Katherine Lackey, Community Consultant in Community Development Services, was reported. Miss Lackey was born July 23, 1909, and died September 30, 1969. She received the Bachelor of Arts degree from Flora MacDonald College, the Master of Arts degree from the University of North Carolina, and the Doctor of Education degree from the University of California at Los Angeles. She served as Instructor at the University of Hawaii, the University of California at Los Angeles, and Texas Technological College, and as Assistant Professor at Kansas State University and as Training Specialist at the University of California

at Los Angeles prior to accepting appointment at Southern Illinois University on January 1, 1967. She was recognized for her study of university programs in community development, and, at Southern Illinois University, developed guidelines for a prospectus for formal course offerings in adult education.

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL

Additions and changes in the faculty-administrative payroll were reported and approval requested. (See Appendix I.)

On motion of Dr. Brown, seconded by Mr. Lockard, the Board approved all additions to and changes in the faculty-administrative payroll, as recommended, and requested that statements of tribute be addressed to the families of Robert V. Allen and Miss Katherine Lackey, deceased. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Copies of the statements of tribute to Mr. Allen and Miss Lackey have been placed on file in the office of the Board.

APPROVAL OF ACTIONS OF THE EXECUTIVE COMMITTEE

It is requested that the Board of Trustees consider and approve actions of the Executive Committee in approving requisitions and the report of purchase orders and contracts awarded for the Carbondale and Edwardsville campuses during August, 1969. The detailed report of purchase orders and contracts was mailed to the members of the Board in advance of this meeting, and a copy was placed on file in the office of the Board.

A report of purchase orders and contracts amounting to less than \$2,500, in the total amount of \$396,311.25 for Carbondale Campus and \$188,210.43 for Edwardsville Campus, awarded during August, 1969, was considered. Also considered was a report of purchase orders and contracts amounting to \$2,500 or over, including actions of the Executive Committee in approving requisitions amounting to \$5,000 or over. The total of this portion of the report was \$730,160.47 for Carbondale Campus and \$296,808.51 for Edwardsville Campus.

Mr. Elliott and Dr. Brown indicated that a proposal for revision of the method of reporting purchase orders and contracts to the Board of Trustees was under consideration and would be presented to the full Board in the near future.

On motion of Mr. Lockard, seconded by Mr. Simonds, the Board approved and ratified actions of the Executive Committee, as requested. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

REPORT OF TEMPORARY APPOINTMENTS, 1968-1969

A report of temporary appointments, 1968-1969, for Carbondale and Edwardsville campuses, was submitted in accordance with the Board's policy concerning retroactive reporting of such appointments. The report covered Graduate

Assistants, Graduate Interns, Preceptors, Research Assistants, Teaching Assistants, Call Staff Lecturers, Call Staff Lecturers in Adult Education, Practice Supervisors, and Substitute Teachers in the University School. A copy of the report was placed on file with the Secretary for deposit in the office of the Board.

On motion of Mr. Elliott, seconded by Mr. Lockard, the Board approved the report of temporary appointments, as requested. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

INCREASE IN OUT-OF-STATE TUITION CHARGE

It is recommended that the following resolution providing for an increase in the out-of-state tuition charge be adopted. This is in conformity with the policy of the Illinois Board of Higher Education which states that nonresident tuitions be increased by \$100 per year until tuitions and fees are equivalent to the observed cost of undergraduate instruction (a summary of this policy was entered into the minutes of the meeting of the Board of Trustees held on November 20, 1968).

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That effective for the Fall Quarter of 1970 the tuition charge for nonresident students shall thenceforward be \$80 per quarter for five hours of credit or less, \$160 per quarter for six to ten hours of credit, and \$240 per quarter for eleven hours of credit or more, an increase of \$34 per quarter for full-time students in accordance with recommendations made by the Illinois Board of Higher Education.

On motion of Mr. Lockard, seconded by Dr. Brown, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

PROPOSAL TO OBSERVE WASHINGTON'S BIRTHDAY HOLIDAY IN THE ACADEMIC CALENDAR

Because there is no break in the winter quarter academic calendar, the University Council, in accordance with its statutory responsibility for the academic calendar, recommended on December 11, 1968, that the observance of the Washington's Birthday Holiday be authorized effective in 1970. This matter had been studied by representatives from both campuses, and it was unanimously agreed that such a break would be beneficial from an educational point of view to faculty and students alike. Washington's Birthday will be observed nationally as a Monday holiday beginning in 1971. In addition to its advantage as a Monday holiday, the date fortunately falls near the middle of the winter quarter.

It is therefore requested that the Board of Trustees authorize the observance of the Washington's Birthday Holiday in the academic calendar effective in 1971.

On motion of Dr. Brown, seconded by Mr. Lockard, the Board authorized observance of the Washington's Birthday Holiday, effective in 1971. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

32 Board of Trustees/Southern Illinois University

AMENDMENT OF IBA LEASES

The Illinois Building Authority has submitted an amendment to existing permanent IBA leases regarding casualty insurance on buildings. The changes from the existing insurance clause are:

A. The right to examine the policies carried by IBA is added.

B. IBA will file a statement of coverage as previously, but the language now requires such action both at commencement of coverage and upon later modification thereof.

C. A new paragraph waives all rights of the IBA to recover from the University for any damage covered by insurance, regardless of any negligence of University agents, employees, or students.

The following resolution is therefore recommended for adoption at this time:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular session assembled, That the amendment of paragraph 18 of all existing permanent Construction Leases with the Illinois Building Authority as proposed by the Authority and as above-described be and is hereby authorized, and

Be it further Resolved, That the Chairman or Vice-Chairman and Secretary be authorized to execute documents evidencing such amendment for and in the name of this Board.

On motion of Dr. Brown, seconded by Mr. Simonds, the Board adopted the resolution authorizing amendment of IBA leases, as recommended. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

CONSIDERATION OF BIDS FOR ROUTE #51 — HARWOOD AVENUE — FAMILY HOUSING PHASE I: RELOCATE AND REPLACE ELECTRICAL DUCTS AND CABLE, CARBONDALE CAMPUS

Bids were received on Thursday, September 11, 1969, for electrical duct and cable work in the areas of Route #51 at Harwood Avenue, and Family Housing Phase I. These ducts and cables will service the proposed General Office Building, the proposed Humanities Building, provide for expansion to serve future buildings in the north and northwest portion of the Campus for perhaps the next ten years, and replace worn out underground cable in the Family Housing Phase I area. A tabulation of all bids received is on file in the office of the Board. The low bids for the work are as follows:

<i>Division of Work</i>	<i>Recommended Contract Award</i>	<i>Amount</i>
1. Electrical — Route #51 and Harwood Avenue	Cunningham Electric Company 414 East Davie Anna, Illinois	\$189,800
2. Electrical — Family Housing Phase I	Cunningham Electric Company 414 East Davie Anna, Illinois	\$ 19,800

The total recommended contract award is \$209,600, which is 1.76 per cent below the estimate of the engineer. As can be noted from the bid tabulations, two or more bids were received on the work and appear to be competitive.

It is recommended that the Board award a contract in the amount stated above.

On motion of Mr. Hitt, seconded by Dr. Brown, the Board approved

award of contract as recommended by the administration. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

President Morris indicated that the administration was faced with a November 1 deadline, set by the Board of Higher Education, for submission of the 1970-1971 budget request for operations. He further indicated that until the formula is fully applied by the Budget Director, it is impossible to translate into dollars the major portion of the budget request, which is based on registration figures to which the formula applies.

Mr. Lockard moved that the Board authorize the administration to proceed in the best way possible, with review of the budget request at the next regular meeting. The motion was seconded by Mr. Elliott, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

President Morris mentioned four bills recently signed by Governor Ogilvie, all of which are concerned with campus disorder. At the request of President Morris, University Legal Counsel C. Richard Gruny summarized the provisions of the three Senate bills and one House bill mentioned. Mr. Gruny indicated that House Bill 1894 requires that the University file a statement of policy on demonstrations by November 1, 1969.

President Morris indicated that he felt it might be possible for existing written documents on this subject to be brought together into one statement and submitted to the Board of Trustees for consideration and approval prior to November 1. At this point it was the consensus of the Board that a special meeting should be held to consider both the budget request for operations, 1970-1971, and the policy statement on demonstrations.

Dr. Brown, a member of the Joint Committee with Hospital Trustees, reported briefly concerning a meeting of that body held recently. At that meeting, and at the request of Dr. Richard H. Moy, Dean of the School of Medicine, the Joint Committee agreed to request authority for a study by persons competent in the field as to how to proceed with the development of the School of Medicine, particularly in the field of appointing teaching staff and operating staff. Dr. Brown indicated that a formal request would be presented to the Board at a later date.

Mr. Elliott moved that the Board adjourn until 9:30 A.M. on Friday, October 31, 1969. The motion was seconded by Mr. Sturgis. After discussion, it was agreed that President Morris would initiate a conference call before Friday, October 31, to review with Board members a draft of the policy statement mentioned above, with the possibility in mind of canceling the planned special meeting if such a move were found feasible at the time.

Before action was taken on Mr. Elliott's motion, Mr. Hitt, the Board's representative on the State Universities Retirement System Board, re-

ported concerning the investment program being carried out by the Retirement Board. He briefly outlined his theory for increasing the return from funds invested, and requested an indication of approval or disapproval of this theory from the members of the Board of Trustees. It was the consensus of the Board that Mr. Hitt's theory was sound, and that they would lend support to his efforts in the area of the investment program.

At this time the Board adjourned upon mutual agreement.

A SPECIAL MEETING of the Board of Trustees of Southern Illinois University was held on Wednesday, November 12, 1969, in the office of the Board, Carbondale Campus, beginning at 4:00 P.M.

The following members of the Board were present: Chairman Lindell W. Sturgis, Dr. Martin V. Brown, Ivan A. Elliott, Jr., F. Guy Hitt, Melvin C. Lockard, Eugene T. Simonds. Mr. Harold R. Fischer and The Honorable Ray Page were absent.

Also present were President Delyte W. Morris, Chancellor Robert W. MacVicar, Chancellor John S. Rendleman, Vice-President Ralph W. Ruffner, Special Assistant to the President James M. Brown, Assistant to the President Roland Keene, Treasurer Robert L. Gallegly, University Legal Counsel C. Richard Gruny, Budget Director Clifford R. Burger, University Architect Charles Pulley, Director of University News Services William H. Lyons, Assistant Director of University News Services C. A. Frazer; reporters Sam Hancock, United Press International, Peter R. Negronida, *Chicago Tribune*, John Colt, *St. Louis Globe-Democrat*, Pete Brown, University News Services, Ben Gelman and Margaret Niceley, *Southern Illinoisan*, P. J. Heller, *Daily Egyptian*, Pat Gauen and David Smith, *The Alestle*, Jack D. Buchanan and Jim Schwinn, WSIU Radio, Susie DuBois, *Serve the People*; Gerald Porter, Illinois Board of Higher Education, Ed Rosen, President of Carbondale Chamber of Commerce, Dr. J. B. Taylor and W. H. Whitson, Carbondale citizens, Dwight Campbell, Carbondale Student Body President, Tom Bevirt, Ellis May, Roger Leisner, and David Wilson, Carbondale Students; and Mrs. Louise Morehouse, Recorder for the Board of Trustees.

Chairman Lindell W. Sturgis directed that these minutes show that the adjourned meeting of October 31st was not held, by direction of the Chairman, and that this special meeting was called by the Chairman to consider matters thus postponed and other matters.

Mr. Elliott moved that the minutes of the Board of Trustees of April 19, 1968, be corrected as follows: On page 158 of the Annual Report of the Board of Trustees for 1967-1968 the words "In the Executive Session which followed" shall be corrected to read: "An Executive Session followed. Thereafter the open meeting resumed and . . ." Mr. Elliott's motion was seconded by Mr. Hitt and was carried by the following recorded vote: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

With the permission of Board Chairman Sturgis, Student Body Presi-

dent Dwight Campbell spoke briefly to the Board. He indicated that he would present a proposal to the Board at a later date.

Matters Presented by President Morris

THE FOLLOWING UNIVERSITY MATTERS were presented by the administration for consideration by the Board of Trustees:

ANNUAL BUDGET REQUEST FOR OPERATIONS, 1970-1971

Copies of the Annual Budget Request for Operations, 1970-1971, together with a booklet labeled "Supporting Detail," were mailed to the members of the Board of Trustees on October 31, 1969. Copies of each document were filed in the office of the Board.

President Morris indicated that the major portion of the budget requests have been developed under formulae established by the staffs of the Board of Higher Education and the universities and applied equally to the requests of all institutions. He pointed out that the most variable section of the budget requests concerns new programs and projects which point the way to the future and yield promise for such improved services as the University can give.

Budget Director Clifford Burger stated that almost 40 per cent of the total increase requested relates to the Retirement System contributions. Of the balance, approximately 36 per cent is based upon formulae, and only about 25 per cent is discretionary.

Dr. Brown began a page-by-page questioning of requests for new programs, and for program expansion and improvement (instruction, research, and public service). He first questioned the request of \$96,800 for the School of Law, Carbondale Campus. Mr. Elliott stated that the report submitted by Committee "U" has been accepted by the Board of Higher Education. Mr. Elliott moved that the following paragraph be added at page 22: "During the planning stage, the University will consult with representatives of the practicing legal profession and with representatives of the judiciary concerning the type of program to be developed." The motion was seconded by Mr. Lockard, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Dr. Brown next questioned the request of \$46,875 for a Master's Degree Program in Criminal Justice for Carbondale Campus. His question was answered by Mr. Elliott, who stated that the University already has a strong program which is well known in the legal profession, stressing criminology as opposed to criminal defense.

Dr. Brown next objected to a statement in the request for \$1,362,112 for the School of Dental Medicine, Edwardsville Campus, to the effect that students whose preparation has been less than desirable will be admitted. Chancellor Rendleman replied for the administration.

Dr. Brown then questioned four requests for doctoral programs, Edwardsville Campus, namely: in Administration, \$113,953; in Social Science, \$375,235; in Developmental Psychology and in Educational Psychology, \$74,866; and in Humanities, \$21,219. Chancellor Rendleman and Mr. Lockard, the Board's representative on the Board of Higher Education, explained these requests.

Dr. Brown then questioned the request for \$73,073 for Experimental Division, Edwardsville, and \$25,430 for a Self-Instructional Program in Shorthand, Edwardsville Campus. Mr. Elliott indicated that he had questioned the latter program also, and he moved that the request for this item be deleted. The motion was seconded by Dr. Brown, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Dr. Brown then questioned a baccalaureate degree program in Urban and Environmental Engineering, for which \$21,395 was requested for Edwardsville Campus. Mr. Lockard asked about the priority of the request for \$78,155 for a Master's Degree Program in Education and Human Resource Development for Edwardsville. Chancellor Rendleman replied concerning both of the programs in question, indicating that neither held high priority. Dr. Brown then moved that the latter program be deleted. The motion was seconded by Mr. Lockard, and the vote was as follows: Aye, Dr. Brown, Mr. Sturgis, Mr. Lockard; nay, Mr. Elliott, Mr. Hitt, Mr. Simonds.

The Secretary declared the motion lost because of a tie vote.

Dr. Brown then called attention to the request for \$156,307 for Cultural and Performing Arts, Edwardsville Campus. Budget Director Clifford R. Burger explained the request for funds for the second year of this program.

Dr. Brown then questioned the request for \$62,884 for a program in Structural Drafting Technology, and the request for \$96,529 for Hotel, Motel, and Restaurant Operation, both for Edwardsville Campus. He stated his opinion that these are programs more suitable for the Vocational-Technical Institute, and he moved to delete the request for the Structural Drafting Technology program. The motion was lost for want of a second. Dr. Brown then moved that the request for the Hotel, Motel and Restaurant Operation program be deleted. The motion was seconded by Mr. Elliott, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Simonds, Mr. Sturgis; nay, Mr. Hitt, Mr. Lockard.

Mr. Elliott asked that the Board consider the request for \$45,100 for a Comprehensive Training Center at Carbondale, also the request for \$60,500 for Expanding Community Services, Carbondale Campus. Mr. Elliott's questions were answered by Chancellor MacVicar and Vice-President Ruffner.

Dr. Brown next questioned the request for \$76,560 for a Southern Illi-

nois Center for Urban Education at Edwardsville. Chancellor Rendleman spoke for the administration.

Mr. Lockard asked for a short explanation of the relationship between the request for \$45,100 for a Comprehensive Training Center at Carbondale, and the requests for \$18,000 for Professional Training Internships and \$49,000 for Experimental Training Program, Community Development, also at Carbondale. Vice-President Ruffner replied for the administration.

Dr. Brown next questioned a request for \$101,784 for a Cooperative or Work-Study Program for Disadvantaged and/or Minority Students, Edwardsville Campus. Chancellor Rendleman and Mr. Burger explained the essential points of the program.

Mr. Lockard next asked about requests of \$49,700 for Human Resources Development and \$210,000 for Closed Circuit Television, both for Edwardsville. Vice-President Ruffner explained both programs. In answer to another question from Mr. Lockard concerning a request for \$24,077 for a Bachelor of Fine Arts in Dance, Edwardsville Campus, Chancellor Rendleman replied that the item was for part-time salaries for staff. Dr. Brown moved that the request for \$24,077 be deleted. The motion was seconded by Mr. Sturgis, and the vote was as follows: Aye, Dr. Brown, Mr. Sturgis; nay, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Lockard.

Dr. Brown next questioned the request for \$76,967 for Mass Communication with Concentration in Journalism, Edwardsville Campus. Chancellor Rendleman explained the program. Dr. Brown then moved that the item be deleted; his motion was lost for want of a second.

The request for \$5,467 for a program concerning Drug Use and Abuse, Curriculum Methods and Materials, Edwardsville Campus, was questioned by Dr. Brown. Mr. Lockard questioned Chancellor Rendleman as to priority, and he moved that the program be removed from the budget requests. Dr. Brown seconded the motion, and the vote was as follows: Aye, Dr. Brown, Mr. Lockard; nay, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis.

Dr. Brown next questioned the request for \$703,110 for Television Broadcasting Expansion, Carbondale Campus. Vice-President Ruffner and John L. Kurtz, Assistant Director of Broadcasting, replied for the administration. They pointed out that space exists for a second television studio, and that this request is for equipment for implementation, as well as for extension of programming to seven days each week.

Dr. Brown then asked about a request for \$46,950 for Learning Skills Improvement Program and a request for \$60,500 for Expanding Community Services, both for Carbondale Campus. Chancellor MacVicar replied for the administration.

Dr. Brown then called attention to the request for \$145,000 for University Services and Cultural Affairs in East St. Louis and Environs,

Edwardsville Campus. Vice-President Ruffner explained that the Cultural and Performing Arts program is divided evenly between service and academic functions, and that this is the service function portion of the second year request for a previously approved program.

Dr. Brown next questioned an Edwardsville Campus request for \$46,000 for Regional and Urban Development Studies and Services. Vice-President Ruffner answered for the administration.

Dr. Brown then asked concerning the request for \$155,200 for a Self-Instruction Center at Edwardsville. Chancellor Rendleman replied that the priority on this program was high, and the request is for both personnel and equipment.

Mr. Lockard requested explanation of the request for \$414,428 for Upgrading Computing Capacities, Carbondale and Edwardsville. Both President Morris and Budget Director Clifford R. Burger emphasized the necessity for improvement of the data processing and computing capacities of the University.

Dr. Brown moved that the Board approve the Budget Request for Operations, 1970-1971, with the exception of one addition and two deletions made by special motions, as set forth. The motion was seconded by Mr. Simonds, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

POLICY ON DEMONSTRATIONS

House Bill 1894, which has been signed into law, requires that the University "file a 'Policy on Demonstrations' with the Board of Higher Education and the Governor." Governor Ogilvie requested that the University accomplish this filing by November 1, 1969.

In accordance with the authority delegated by the Board of Trustees, the existing statements and policies on this subject and on the broader subject of campus disorders have been reviewed and their pertinent provisions brought together in a single statement by the President as a policy of the University applicable to all campuses and as the statement to be filed in satisfying the provisions of House Bill 1894. All provisions used in the document submitted herewith were drawn from existing sources approved for one or more campuses in the past and now in effect as approved.

In order to complete the formal compliance with the law, the following resolution is submitted for ratification:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in special meeting assembled, That the following Policy on Demonstrations be adopted effective immediately for all campuses of the University.

SOUTHERN ILLINOIS UNIVERSITY POLICY STATEMENT ON DEMONSTRATIONS

A. General*

The University is a community dedicated to intellectual development by the process of rational thought and to the freedom of expression of ideas and opinions. It is a community that not only tolerates dissent; it welcomes respon-

*Quoted with minor emendations from "Interim Policy Statement" issued by President Morris on May 8, 1968, and in effect since that date.

sible dissent and discourse on the issues of our time. The Southern Illinois University has historically stood in this tradition and still stands there. It intends to so remain.

Freedom is indivisible and recognition of this fact is paramount to the maintenance of the "open University community." Freedom to protest by lawful means must and will be protected by all the authority available to the University. However, when actions of individuals or groups interfere with the legitimate rights of others and are directed at the disruption of the normal processes of University life they must and will be resisted.

....

The democratic process is based on the principles of acceptance by both the majority and the minority of the rights of both — freedom to dissent and freedom to pursue one's own purposes so long as they do not interfere with the rights of others.

We are committed as a University to maintain these freedoms and will use all the means at the disposal of the University to do so. Acts which interfere with the rights of students, faculty, and staff to conduct their normal duties will be appropriately dealt with.

Interference with the normal function and proper conduct of the University forces the University to take appropriate disciplinary action including suspension and expulsion when University regulations are disregarded and to invoke legal action by civil authority when the laws of the State of Illinois are broken.

B. Standards of Conduct†

In order for the University to perform its function and in order to protect the rights and welfare of the members of the University Community it is necessary to establish minimum regulations of individual and group conduct. ... The fundamental conduct standards for both group and individual activities are the following:

1. Activities that disrupt the regular and orderly performance of authorized University functions are prohibited.
2. Activities that interfere with the safety, welfare, and rights of members of the University Community, University guests, and local citizens are prohibited.
3. Activities that are destructive of public or private property are prohibited.

In the normal course of events, enforcement of the above regulations and public law will be handled by the University Security Office. In the event that there are substantial questions regarding the propriety of individual or group action, the issue shall be referred to the administrative superior of the Security Officer for decision. If that administrative superior finds the action contrary to University regulations or the general welfare, he is authorized to direct such corrective action as he may deem appropriate. Students or employees who fail to obey such directions will be subject, under standard procedures, to University disciplinary action and separation from the University. In the event that any individual or group of persons refuses to obey the direction of appropriate University authority, the Security Police will be requested to take such action as may be necessary to enforce University regulations and public law.

†Quoted with minor emendations from "Interim Policy Statement on Student Disturbance" issued by Dean of Students Office, Carbondale, on October 17, 1968, and in effect since that date.

C. Rules, Regulations, Codes, and Operational Plans‡

The administration is hereby authorized to develop, maintain, and execute, through correct administrative procedures, any rules, regulations, codes, and operational plans necessary to implement the above policy. No such rules, regulations, codes, or plans shall abrogate the ultimate jurisdiction or authority of the Board of Trustees to act.

President Morris indicated that this policy was submitted to the Governor and to the Illinois Board of Higher Education in compliance with House Bill 1894. He further indicated that the Governor had requested that such policy be submitted by November 1, 1969, and that it had been anticipated the Board of Trustees might wish to make changes in the policy.

Dr. Brown stated that he felt it just as important to protect the rights of those students who wish to attend classes as it is to protect the rights of those dissenters who attend demonstrations. He moved that if any faculty member who teaches classes fails to meet those classes because of leaving the campus for demonstration purposes, his name shall be submitted to the Board of Trustees. The motion was seconded by Mr. Simonds. Subsequent discussion clarified that the motion applied only to instances in which classes were not suitably covered in accordance with usual University practices covering faculty absences. The vote was as follows: Aye, Dr. Brown, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, Mr. Elliott, Mr. Hitt.

Mr. Elliott then moved that the Board approve the Policy on Demonstrations, as presented. The motion was seconded by Mr. Lockard, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

President Morris then presented and read to the Board of Trustees the following policy statement:

In recent weeks we have witnessed much public interest in the matter of the University House. This interest has been focused on the use of discretionary funds of the University, executive sessions of this Board, and the procedures of the Board in relation to policies of the Board of Higher Education.

The discretionary funds accumulated by indirect costs in research contracts and grants have always existed as a matter of public record. They are not unique to Southern Illinois University. Rather, they accrue to all American universities which are distinguished by faculties whose credentials involve them in research projects. Ends to which these funds are devoted are, by law, within the complete discretion of the institution. A major purpose of allowing such

‡A copy of the procedures section of the Carbondale campus "Civil Disturbance Operations Plan — 1969" and a copy of the procedures section of the Edwardsville campus governing document entitled "On-Campus Demonstrations: Policies and Procedures," along with the above policy, were filed with the Governor on November 1, 1969, in accordance with Board action. Such plans and procedures are, of course, subject to revision and updating consistent with the provisions of the overall Policy Statement in order to reflect the specifics of situational change.

discretion by the institution is to provide incentives for the conduct of research in institutions of higher learning.

It has been consistent policy of this Board to cooperate fully with the Board of Higher Education. It has never been — nor is it now — the intent of this Board to disregard either the policies or the important responsibilities of the Board of Higher Education. The finest spirit of cooperation, however, does not fully preclude the development of misunderstandings, mistakes, or errors in judgment between autonomous governing boards and the Board of Higher Education. In our state system of higher education, this Board has requisite powers to govern matters of internal decision-making. We regret that our considered judgment in the matter of the University House was not congruent with the interpretation of the Board of Higher Education.

We further have been criticized for the conduct of business in executive session with the President of the University. It now is the declared policy of this Board to utilize executive session only in strict compliance with both the letter and spirit of the law. To effect this declaration, the proceedings of this Board shall be open to continuing scrutiny by the press and public. We welcome enlarged public interest in and knowledge about this Board and the major institution governed by it.

We continue to have full confidence in the Administration of the University. Such an expression of confidence, however, does not preclude the acknowledgment of mistakes. We make this comment in the interest of continuing the support and faith on the part of the public that have contributed invaluable to the development of this University from a small teachers college to one of the major centers of innovative higher education in our nation.

We are proud of our affiliation with this University. We welcome the enlarged interest and understanding of Illinoisans as to the worthwhile achievements and accomplishments of Southern Illinois University. We recognize, too, that procedural changes must be effected which will acknowledge this tremendous growth and secure continued future development.

Mr. Lockard moved that the Board adopt the policy statement presented. The motion was seconded by Mr. Hitt, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Copies of the policy statement were distributed to members of the Press.

David Wilson, a Carbondale student, was recognized by the Chairman and was granted permission to address the Board. Mr. Wilson stated that he represented the American Civil Liberties Union. He asked if, in the opinion of the Board, the adopted policy answers either of two questions, namely: (1) What is the Board's policy on past actions it has taken in executive session, which is illegal; and (2) is this policy an admission that such illegal actions have been taken?

Mr. Elliott stated that the answer to the first question is that no actions have been taken in executive session. The answer to the second question is that it is not an admission that such actions have been taken.

President Morris next presented and read the following statement, indicating that it was for consideration for adoption:

That the Board of Trustees of Southern Illinois University hereby creates the position of University Director. This Officer shall be responsible solely and

directly to the Board of Trustees. He shall be the Chief Administrative Officer of the University and as such is responsible for the fiscal affairs of the University, the coordination of the fiscal affairs of the various campuses, the supervision of the Chancellors in fiscal affairs, the preparation of budgets and appropriations, the presentation of matters to the Board of Higher Education and the Legislature on behalf of the Board of Trustees, the planning of capital projects and expenditures, the preparation of agenda for meetings of the Board of Trustees in coordination with the President and the Chancellors, the recommendation to the Board of Trustees of the duties and functions of other officers and departments, to keep the Board of Trustees advised of all pertinent affairs of the University, and to prepare and submit reports on items of special interest or at the special request of the Board of Trustees. A Committee of the Board shall be appointed by the Chairman which shall immediately proceed to select an individual as University Director and to recommend his employment and salary to the Board of Trustees for approval. The University Director shall be directed to make recommendations concerning his staff needs, actions to further implement and describe his position, and required amendments of University Statutes, policies and procedures.

The Board also creates the positions of Comptroller and Board Counsel who shall have a dual responsibility to the Board of Trustees and to the University Director. Their selection, salaries, duties, and responsibilities shall be determined by the Board of Trustees at a later date after receiving recommendations of the University Director.

Construction on University House shall be suspended immediately except for those steps which are necessary to protect the property against the elements and to receipt for materials and supplies already on order. A study shall be made immediately in conjunction with the Staff of the Board of Higher Education to examine alternative methods of funding and uses. A report shall be submitted at the earliest possible date.

Mr. Lockard moved that the Board adopt the statement presented. The motion was seconded by Mr. Simonds, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Copies of the statement were distributed to members of the Press.

Jim Schwinn addressed the chair and was granted permission to speak to the Board. He stated that he represented WSIU Radio. He told the Board that recently he had tried to acquire minutes of a recent Board meeting, but was told that the minutes are not open to the public until published. He stated that this seems to say that the meetings are open to the public, but not the minutes.

President Morris indicated that the policy under which the administration functions is to distribute minutes as published to the Library, where they are available to the public.

Mr. Elliott moved that a copy of the mimeographed minutes, when approved by the Board, be sent to the Library. The motion was seconded by Mr. Simonds. In the discussion that followed, Dr. Brown asked that the motion be deferred and the question brought up in the Faculty Council, inasmuch as faculty members whose appointments are reported in the minutes often object to having salaries and other personal information made public. He stated that he felt the people most concerned, faculty

members themselves, should be given an opportunity to state their feelings in the matter. Mr. Simonds then withdrew his second to the motion, and the motion failed for want of a second.

Mr. Lockard then moved that the administration be directed to study the matter and report back to the Board no later than January, 1970. The motion was seconded by Mr. Simonds, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

President Morris then presented the following statement of appreciation concerning the proffered gift of one million dollars from Mr. W. Clement Stone:

The Board of Trustees of Southern Illinois University gratefully acknowledges the expressed intention of W. Clement Stone to make a gift to the Southern Illinois University Foundation of one million dollars. This Board expresses its appreciation for such a magnificent gift and for the confidence and pride Mr. Stone has expressed in this University and its officials. This Board indicates its intention to cooperate with the Board of the Foundation in acceptance of this gift and to complete Mr. Stone's expressed intention by the sale to the Foundation of University House in its present state of construction and adjacent land for its value on the books and records of the University at the time of transfer. Necessary details shall be worked out and documents shall be prepared and submitted to this Board as soon as possible. Since the Board of Higher Education has expressed a desire that its staff confer with University officials to seek alternative methods of funding for the official residence and guest facility and has created a subcommittee to assist in this regard, this subcommittee and the Executive Director of the Board of Higher Education shall be consulted for concurrence and recommendations before these matters are completed.

President Morris indicated that by adoption of this statement the Board of Trustees indicates the intention to cooperate with the Board of Directors of the Southern Illinois University Foundation in completing Mr. Stone's intent.

Mr. Elliott moved that the Board adopt the statement presented. The motion was seconded by Mr. Simonds, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Chairman Sturgis then appointed members of the Board to a special committee to investigate and report back to the Board as soon as possible concerning selection of an individual to serve as University Director and to set his salary. The committee, which was given authority to select its own Chairman, is as follows: Mr. Simonds, Dr. Brown, Mr. Elliott, and Mr. Lockard.

Roger Leisner was recognized by the Chairman and was granted permission to speak to the Board. Mr. Leisner stated that he was a student. He asked if the Board could make a priority of scholarships to aid poor

students of the excess of funds from the proffered gift of one million dollars. Board Chairman Lindell W. Sturgis replied that the gift is to be made to the Southern Illinois University Foundation, and the Board of Trustees can do nothing about it.

The meeting was adjourned at 6:45 P.M.

THE REGULAR NOVEMBER MEETING of the Board of Trustees of Southern Illinois University was held in the President's Staff Office, Edwardsville Campus, on Friday, November 21, 1969, beginning at 9:30 A.M.

The following members of the Board were present: Chairman Lindell W. Sturgis, Dr. Martin V. Brown, Ivan A. Elliott, Jr., Harold R. Fischer, F. Guy Hitt, Melvin C. Lockard, Eugene T. Simonds. The Honorable Ray Page was absent.

Also present were President Delyte W. Morris, Chancellor Robert W. MacVicar, Chancellor John S. Rendleman, Vice-President Ralph W. Ruffner, Special Assistant to the President James M. Brown, Assistant to the President Roland Keene, Budget Director Clifford R. Burger, University Legal Counsel C. Richard Gruny, Treasurer Robert L. Gallegly, University Architect Charles Pulley, Director of University News Services William H. Lyons, Assistant Director of University News Services A. R. Howard, Jr.; Howard Webb, Carbondale Faculty Council Representative, Robert Engbretson, Edwardsville Faculty Council Representative, Robert Geddes and Melvin Brecher, representatives of Geddes, Brecher, Qualls and Cunningham, Architects, reporters, Ben Gelman, *Southern Illinoisan*, Alan Winchester, *Metro-East Journal*, Bob Wehling and Lou Phillips, photographers, *St. Louis Post-Dispatch*, Harry Barnes, *Granite City Press-Record*, Doug Thompson, *Alton Evening Telegraph*, Terry Peters, *Daily Egyptian*, David Smith and Tim Middleton, *The Alestle*, Bill Tanner, Radio Station WOKZ, Alton, and Mrs. Louise Morehouse, Recorder for the Board of Trustees.

Chairman Sturgis announced that three Edwardsville students had been granted permission to appear before the Board. Miss Carolyn Fantini, Miss Donna Smith, and Mr. Larry Rothrock entered and presented a petition in support of Chancellor John S. Rendleman. After receiving the thanks of the Board, the students left the meeting.

Chairman Sturgis presented minutes of a regular meeting held October 17, 1969, copies of which had been forwarded to all members of the Board in advance of this meeting. On motion of Mr. Simonds, seconded by Mr. Lockard, the Board approved these minutes as presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Matters Presented by President Morris

THE FOLLOWING UNIVERSITY MATTERS were presented by the administration for consideration by the Board of Trustees:

PRESENTATION OF PRELIMINARY PLANS, CARBONDALE CAMPUS

University Architect Charles Pulley introduced Mr. Robert L. Geddes and Mr. Melvin Brecher of Geddes, Brecher, Qualls and Cunningham, Architects. Mr. Geddes reminded the Board that at the meeting on December 9, 1967, the Master Plan for the Central Campus Area, Carbondale, as well as preliminary design drawings for Humanities and Social Sciences Building, Phase I, were approved.

Mr. Geddes presented preliminary design drawings for Phase I of Learning Resources and Library Complex, showing extension to the east of the third and second floors of existing Morris Library, with a general undergraduate reading area, a mezzanine floor and a basement floor installed below this extension. Phase I, comprised of these five floors, will provide for social studies library extension, humanities library extension, a reserved book room, and general studies library.

Phase II of Learning Resources and Library Complex was shown as vertical extension to a recommended seventeen floors above Phase I, with a possibility of substituting therefor a thirty-floor extension. Mr. Geddes indicated that Phase II might be built in either one or two steps, depending upon funds available. He further indicated that by using elevators located on the periphery of the building, the proposed seventeen-story extension could be entirely controlled and served by the entrances and library services of Phase I building. In answer to a question from the Board, Mr. Geddes indicated that the total capacity, when Phase II is completed, would be three million volumes.

On motion of Mr. Elliott, seconded by Mr. Fischer, the Board instructed the architects to proceed with plans for Phase I of Library addition and to consider in that planning the addition, in phases, of seventeen stories. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Mr. Pulley indicated that Stage II of the Humanities and Social Sciences Building was authorized by the 76th General Assembly and Senate Bill 1262, to provide replacement for space lost in Old Main.

In presenting preliminary plans, Mr. Geddes reminded the Board that Stage I had been approved for development of working drawings at the same time the Master Plan for the Central Campus Area was approved. He indicated that the proposed Humanities and Social Sciences Building is actually a series of quadrangles, with open cross walks forming a unified structure; circulation is provided through the building without entering it, and at the same time protection from the weather is provided. In answer

to a question, Mr. Geddes indicated that Stage II would add approximately 50 per cent more space.

A drawing was presented which showed the close relationship between Stage I and Stage II of Humanities and Social Sciences Building and the library expansion to the east. Mr. Geddes indicated that the main lobby remains the main entrance to the library, and that the covered walks and connecting walks join the library and Phase I of the Humanities and Social Sciences Building, lending a very pleasing appearance and also allowing for the preservation of major trees in the area.

On motion of Mr. Lockard, seconded by Dr. Brown, the architects were instructed by the Board to proceed with working drawings for Stage II of the Humanities and Social Sciences Building, subject to approval by the Illinois Board of Higher Education. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL

Additions and changes in the faculty-administrative payroll were reported and approval requested. (See Appendix I.)

A short section entitled Other Personnel Matters (for information only) was presented, and a copy was placed on file with the Secretary for deposit in the office of the Board.

On motion of Dr. Brown, seconded by Mr. Lockard, the Board approved additions to and changes in the faculty-administrative payroll, as requested. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

FACULTY-ADMINISTRATIVE PAYROLL — SUMMER, 1969

A report of faculty-administrative payroll for the summer months of 1969 was considered, and a copy of the report was placed on file with the Secretary for deposit in the office of the Board. On motion of Mr. Lockard, seconded by Mr. Elliott, the Board approved and ratified the report presented.

CONSIDERATION OF ACTIONS OF THE EXECUTIVE COMMITTEE: PURCHASE ORDERS AND CONTRACTS AWARDED DURING SEPTEMBER, 1969, FOR CARBONDALE AND EDWARDSVILLE CAMPUSES

Dr. Brown indicated that he had questions concerning three contracts and would require additional information before approving the report of purchase orders and contracts awarded during September, 1969, as a member of the Executive Committee. The three contracts in question were: No. 5766 to Fruco and Associates for development of design for an underpass near Mill Street, in amount of \$9,540.00; and Nos. 5787 SC and 5788 SC, each for \$114,800.00, to Peabody Coal Company and to Forsyth Coal Company, respectively for coal to be delivered during the fiscal year 1969-70.

On motion of Mr. Lockard, seconded by Mr. Elliott, the report was withdrawn from the agenda. The motion was carried by voice vote.

AMERICAN TELEPHONE AND TELEGRAPH EASEMENT, EDWARDSVILLE CAMPUS

Pursuant to Contract C-001 with the Board, American Telephone and Telegraph Company installed an underground cable to replace aerial telephone cables on the Edwardsville Campus. The contract also provided that the Board would grant an easement for right of way for the underground cable. American Telephone and Telegraph Company now requests that the easement be granted by the Board and has delivered to the University Legal Counsel a Release of Easements pertaining to easements for the former aerial cables over ten parcels of land now part of the Edwardsville Campus.

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That the grant of a communications systems easement to the American Telephone and Telegraph Company, be and is hereby approved, and the Chairman and Secretary are hereby authorized to execute an easement in such form in the name of the Board.

EASEMENT

Received of the AMERICAN TELEPHONE AND TELEGRAPH COMPANY, a New York Corporation, having an office at One North Wacker Drive, Chicago, Illinois (60606), One and 00/100 Dollars (\$1.00), in consideration of which the undersigned hereby grant and convey unto said company, its associated and allied companies, its and their respective successors, assigns, lessees and agents, a right of way easement to construct, operate, maintain, replace and remove such communication systems as the Grantees may from time-to-time require, consisting of underground cables, wires, conduits, manholes, drains, splicing boxes, repeaters, repeater housings, together with surface testing terminals, markers, poles, fixtures, guys, anchors, wires, and cables, upon, over and under strips of land of variable widths as shown on Exhibit "1", attached hereto and made a part hereof and further described as follows:

Part of the Southeast Quarter of Section 9; the North Half of Section 16; and in U.S. Survey 589, Claim 517; and U.S. Survey 596, Claim 2079; the Southwest Quarter of Section 17; and the Northwest Quarter of Section 20; Township 4 North, Range 8 West of the Third Principal Meridian, Madison County, Illinois, more fully described as follows: (Note: Detailed descriptions are omitted here in the interest of economy; such descriptions are on file in the office of the Board.)

Township of Edwardsville, County of Madison, and State of Illinois, together with the following rights: Of ingress and egress over and across the lands of the undersigned to and from said strips for the purpose of exercising the rights herein granted using routes of ingress and egress designated by the undersigned; and to clear and keep cleared from the said strips all trees, brush and roots so far as may be necessary to protect the Grantees' communications systems.

Grantees further agree by acceptance hereof, as a condition of this grant, to keep their said property in proper state of repair and to replace all earth or grass removed or disturbed in installation or maintenance thereof, and that no trees or shrubs shall be removed or disturbed without prior written approval of Campus Architect at the undersigned's Edwardsville Campus.

Grantees agree by acceptance hereof to pay promptly any and all damages to personal or real property of the undersigned and others which may result from the construction, operation, maintenance, alteration, replacement, removal

or inspection of Grantees' communications systems. The undersigned reserves the right to use the said strips for the undersigned's or others' utilities systems so long as such use does not interfere with or adversely affect the Grantees' use of the said strips for their communications systems. The undersigned shall give notice to Grantees of any proposed use of said strips prior to commencement of such use.

It is understood and agreed that in the event of any dispute or failure of the above easement description, the center line of the various strips shall coincide with the cable as presently constructed, which cable shall have its location indicated upon surface markers set at intervals on the land of the undersigned.

All rights granted hereunder shall revert to the undersigned upon Grantees ceasing to use the said strips for communications systems for one (1) year or more. The undersigned further reserves the right to pave the surface of all or a portion of said strips for use by pedestrians, bicycles and occasional vehicular traffic. Provided, however, the undersigned agrees to notify Grantees in advance when any work of any nature shall be undertaken upon all or any part of said strips of land and that all such work shall be conducted in such manner as not to interfere with or endanger Grantees' facilities over, across and under said strips of land. It being understood and agreed in this connection that the Grantees have the absolute right to cut and break into any such paving that might be placed over and across said strips of land at any time when it becomes necessary or desirable in connection with maintaining, operating, replacing, or repairing their facilities. It is further understood and agreed that the Grantees will not construct additional aerial communication facilities on that portion of the above described easement strips presently occupied by Grantees' underground cable communications systems.

The undersigned for itself, its successors and assigns, hereby covenants that no structure shall be erected or permitted on said strips.

Dated this _____ day of _____, 1969.

THE BOARD OF TRUSTEES OF SOUTHERN ILLINOIS UNIVERSITY

ATTEST:

BY _____

Secretary

Chairman

On motion of Mr. Lockard, seconded by Mr. Fischer, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

GRANT OF UNDERGROUND CABLE EASEMENT, CARBONDALE CAMPUS

As part of development plans concerning agricultural research on the west campus, Southern Illinois University seeks to extend telephone service to the Black Walnut Research Laboratory. To facilitate the extension of service to the laboratory, General Telephone Company proposes to remove an existing aerial pole line and abandon the easement thereto in this area on west campus, and to substitute therefor an underground cable for which the grant of a new easement to General Telephone Company is necessary.

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University, assembled in regular meeting, That the grant of an underground cable easement to the General Telephone Company in the following form and over the property therein described, be and is hereby approved, and the Chairman and

Secretary are hereby authorized to execute such an easement in the name of the Board.

CARBONDALE 464599

EASEMENT

Received of General Telephone Company of Illinois, One Dollar (\$1.00), in consideration of which the undersigned hereby grant unto said Company, its successors and assigns, the right, privilege, easement and authority to construct, and maintain its communication lines including the necessary underground cables and conduits. To form a part of a communication system to be owned and operated by the said Company, its successors and assigns, in Jackson County, Illinois. The property of the undersigned over which this grant is given and the location of the line or lines to be constructed thereon are described as follows: A part of the (W $\frac{1}{2}$) (NW $\frac{1}{4}$) Section (30) Township (9) South Range (1) West of the 3rd P. M. Telephone lines are to be buried, as shown on the print attached hereto and made a part hereof, in substitution of present lines and easement of the Company as described in the attached print which easement is hereby abandoned.

No major tree shall be cut or trimmed without the prior approval of the Architect, Carbondale Campus, Southern Illinois University; as a condition of this grant, upon any conflict with future land or road development by the undersigned and offer of an alternative easement route, General Telephone Company of Illinois agrees to remove all its equipment to the said alternative route.

Witness _____ hands and seals this _____ day of _____, A.D. 196_____.

_____(SEAL)

_____(SEAL)

On motion of Mr. Fischer, seconded by Mr. Simonds, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

CONVEYANCE AND CONSENT THERETO OF SITE FOR VTI CLASSROOM
AND LABORATORY BUILDING (AMENDED)

The deed to VTI land requires consent of the Department of Health, Education, and Welfare to any conveyance within 20 years. The following resolution requests such consent for conveyance to the Illinois Building Authority of the site of the Classroom and Laboratory Building and authorizes such transfer when appropriate. This was acted on previously, but HEW General Counsel has requested some technical corrections which have been incorporated in the following amended...

Resolution

WHEREAS, By quitclaim deed dated February 5, 1965, recorded with the County Clerk of Williamson County, Illinois in volume 339, pages 981 through 992, which said deed is herein incorporated by reference as if fully set out herein, the UNITED STATES OF AMERICA, acting by and through the Secretary of Health, Education, and Welfare, by the Regional Director, Region V, Department of Health, Education, and Welfare (hereinafter called the "Secretary"), under and pursuant to the powers and authority contained in the Federal Property and

Administrative Services Act of 1949 (63 Stat. 377) (hereinafter called the "Federal Act"), as amended, conveyed to the Board of Trustees of Southern Illinois University, a body politic and corporate of the State of Illinois, (hereinafter called the "Board"), for educational purposes, certain surplus property therein described consisting of a tract of land of 138.22 acres, more or less, together with buildings and improvements thereon, lying and being in the County of Williamson, State of Illinois hereinafter called the "property;" and

WHEREAS, The aforesaid quitclaim deed dated February 5, 1965, provided that the said property was conveyed subject to certain covenants, conditions, reservations and restrictions, therein fully set forth, binding upon the said Board, its successors or assigns, including a prohibition against the resale, lease, mortgage, encumbrance or other disposal of the property hereby conveyed or any part thereof, or interest therein, within twenty (20) years from the date of said deed without first obtaining the written approval of the Secretary to such sale, lease, mortgage, encumbrance, or other disposal, which said deed is incorporated herein and by reference made a part hereof; and

WHEREAS, The Illinois Building Authority, a body corporate and politic, created and existing under the laws of Illinois, hereinafter called the "Authority," was created pursuant to the provisions of an Act of the General Assembly of the State of Illinois, entitled "AN ACT to create the Illinois Building Authority and define its powers and duties," approved August 15, 1961, as amended (Chapter 127, paragraphs 213.1 to 213.14, inclusive, Illinois Revised Statutes, 1967) (hereinafter referred to as the "Act"), and pursuant thereto said Authority has the power to acquire any real estate, construct, complete, remodel, maintain and equip buildings and other facilities for the Board, which said Act is incorporated herein and by reference made a part hereof; and

WHEREAS, In order to provide essential buildings and educational facilities, it will be necessary for the Board to convey to the Authority, under the provisions of the Illinois Building Authority Act, a portion of the premises and property heretofore conveyed by said quitclaim deed dated February 5, 1965, in order that the Authority may borrow money and issue its revenue bonds to pay part of the cost of constructing said educational facilities, which said facilities, pursuant to the said Illinois Building Authority Act, will be leased by the Authority to, and operated by, the Board for the educational purposes for which the said premises were conveyed by the aforesaid quitclaim deed of February 5, 1965, and when all debts of the Authority which have been secured by the income from that portion of such property have been paid, that portion of said property will be reconveyed by the Authority to the Board, in accordance with the terms of the Illinois Building Authority Act; and

WHEREAS, The Authority, in order that educational facilities may be made available to the Board, under the provisions of said Illinois Building Authority Act, as amended, is desirous and willing to undertake the construction of said facilities and to finance part of the cost of construction thereof by the issuance and sale of revenue bonds; and

WHEREAS, The Authority has agreed to accept the conveyance of that portion of said property, subject to each of the covenants, conditions, reservations and restrictions set forth in the aforesaid quitclaim deed dated February 5, 1965, except as modified by the terms of a "Consent Agreement" to be executed by the Secretary and accepted by both the Board and the Authority, and upon completion of construction of the aforesaid facilities, to lease said premises and improvements to the Board until such time as the debts secured by the income therefrom have been paid, and thereafter to promptly reconvey to the Board said premises and improvements thereon;

Now, therefore, be it Resolved, That the Board of Trustees of Southern Illinois University shall request the written consent of the Secretary of Health, Education, and Welfare to the conveyance of the following described portion

of the said property to the Illinois Building Authority for the purposes set forth above:

(Note: Detailed description is omitted in the interest of economy; a copy of such description is on file in the Office of the Board.)

And be it further Resolved, That the Board of Trustees of Southern Illinois University shall, upon obtaining the said written consent of the Secretary of Health, Education, and Welfare, convey the above-described portion of the subject property to the Illinois Building Authority for the purposes set forth above, subject to those covenants, conditions, reservations and restrictions contained in the aforesaid deed of February 5, 1965, except as modified by a Consent Agreement to be executed by the Secretary and accepted by the Board and the Authority; and

Be it further Resolved, That Robert L. Gallegly, the Treasurer of this Board, be and he is hereby authorized for and on behalf of the Board of Trustees of Southern Illinois University to do and perform any and all acts and things which may be necessary to carry out the foregoing resolution, including the preparing, making, and filing of applications for consent to reconveyance and other documents, the execution, acceptance and recordation of agreements, deeds and other instruments, and the payment of any and all fees or costs incurred in connection with both the obtaining of the Secretary's consent to the transfer of such property and the actual transferring of such property.

BOARD OF TRUSTEES OF
SOUTHERN ILLINOIS UNIVERSITY

BY _____
Lindell W. Sturgis, *Chairman*

On motion of Dr. Brown, seconded by Mr. Lockard, the Board adopted the resolution, as requested. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

APPROVAL OF INTERIM LEASES WITH THE ILLINOIS BUILDING AUTHORITY

In order to support the disbursement of monies appropriated to pay rental to the Illinois Building Authority for projects authorized by the Seventy-sixth General Assembly, it is necessary to enter into lease agreements. The Authority is or will be borrowing money for the interim financing of these projects, and is authorized by law to enter into such leases contemporaneously with any financing. In order for these projects to proceed there is required to be a request from the Board to the Authority that it provide such projects, and authority to sign interim leases presently and other documents as they become necessary. The following resolution is therefore recommended for adoption at this time:

WHEREAS, the Illinois Building Authority, a body corporate and politic of the State of Illinois created by the General Assembly of the State of Illinois, is empowered to acquire by purchase or otherwise, construct, complete, remodel, maintain, and equip any and all buildings and other facilities as the General Assembly by law declares to be in the public interest;

WHEREAS, in accordance with the Illinois Building Authority Act, the 76th General Assembly of the State of Illinois has declared the following Southern Illinois University projects to be in the public interest:

Carbondale Campus

Construct Advanced Study of Physical Sciences Building	\$ 7,415,200
Construct General Classroom Building (Replace Old Main Building)	4,988,000
Total – Carbondale Campus	<u>\$12,403,200</u>

Edwardsville Campus

Construct Business Division Office and Classroom Building – Phase I	\$ 7,742,250
Construct Education Classroom and Office Building, Phase I	6,523,950
Total – Edwardsville Campus	<u>\$14,266,200</u>

Southern Acres Campus

Construct Power Plant	\$ 795,000
Total – Southern Acres Campus	\$ 795,000
Total – The Board of Trustees of Southern Illinois University	<u>\$27,464,400</u>

WHEREAS, the Board of Trustees of Southern Illinois University, a body corporate and politic of the State of Illinois, will be requested by the Illinois Building Authority to enter into leases, transfer jurisdiction of real estate and take other actions to carry out and complete the above projects in accordance with the Illinois Building Authority Act;

Now, therefore, be it and it is hereby Resolved, by the Board of Trustees of Southern Illinois University as follows:

Section 1. That the Illinois Building Authority be, and it hereby is, requested to provide the foregoing projects and facilities at the Carbondale Campus, Southern Acres Campus, and the Edwardsville Campus, and to lease the same to Southern Illinois University as provided in the Illinois Building Authority Act.

Section 2. That the Chairman and Secretary of this Board of Trustees be, and they hereby are, authorized to execute, acknowledge, and deliver in the name and on behalf of this corporation such instruments of transfer, conveyance, lease, contract, and other documents as are necessary or appropriate in order to provide for the carrying out of the foregoing projects and facilities by the Illinois Building Authority.

On motion of Dr. Brown, seconded by Mr. Fischer, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

STUDENT MEMBERS OF AN AD HOC STUDENT ADVISORY COMMITTEE
TO THE BOARD OF HIGHER EDUCATION

At its October meeting the Illinois Board of Higher Education approved a staff recommendation to establish an *ad hoc* Student Advisory Committee composed of students from each institution selected by methods approved by the governing boards concerned. Southern Illinois University is authorized two representatives and two alternates (one of each from each major campus).

It is recommended that the President be authorized to name these representatives and alternates from among students recommended to him by the

respective Chancellors. The Chancellors will use whatever selection methods they feel will produce the kind of students who can represent Southern Illinois University in an intelligent and responsible manner.

Dr. Brown stated his feeling that the University should be represented by undergraduate students. Mr. Elliott asked that the names of the students selected be reported to the Board. On motion of Dr. Brown, seconded by Mr. Hitt, the Board authorized the President to name representatives and alternates, as recommended to him by the Chancellors, subject to a stipulation that the students selected will serve only for the remainder of the current academic year. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

An item concerning The Training of Teacher Trainers Project, was withdrawn from the agenda at the request of President Morris, for submission at a later time.

REQUEST FOR CLARIFICATION OF THE NUMBER OF AUTHORIZED HOLIDAYS FOR UNIVERSITY EMPLOYEES

On June 20, 1969, the Board of Trustees approved changes in civil service employee benefits that included the provision that two floating holidays in addition to the six specified holidays be designated each year by the President on or before July 15 for the fiscal year in which they are to be observed.

On October 17, 1969, the Board also approved the addition of Washington's birthday to the Academic Calendar as a recognized holiday effective in 1971. (Washington's birthday becomes a Monday holiday in 1971.)

The recommendations for these two changes came to the Board through different channels and at different times, resulting in a question whether there are now eight or nine authorized holidays.

It was intended to authorize a total of eight holidays. Clarification is therefore requested through the following amendment to the civil service benefits policy:

Resolved, That effective in 1971 there be seven University holidays consisting of New Year's Day, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas Day, and that effective July 1, 1970, there be one additional floating holiday to be designated each year by the President on or before July 15 of the fiscal year in which it is to be observed.

Mr. Elliott indicated that this item was placed on the agenda at his request. As Chairman of the Merit Board of the University Civil Service System, his concern was for assuring the same holidays for all University employees.

On motion of Mr. Lockard, seconded by Dr. Brown, the Board adopted the resolution amending the civil service benefits policy. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

SALE OF TRACT 29-3-a TO THE S. I. U. FOUNDATION

An offer has been made by Mr. W. Clement Stone to donate to the S.I.U. Foundation Combined Insurance Company of America stock of current market value of one million dollars, more or less, for acquisition and completion of

construction of the Official Residence and Facility for University Sponsored Events now being constructed with Board funds. In order to enable consummation of this extremely generous gift, the following resolution is recommended for adoption at this time:

Resolution

Be it Resolved, by the Board of Trustees of Southern Illinois University in regular meeting assembled, That the conveyance to Southern Illinois University Foundation, a corporation not-for-profit of the State of Illinois, of the following described real estate with all improvements not herein reserved for Board usage is hereby authorized and directed, to wit:

(Note: Detailed description is omitted in the interest of economy; such description is on file in the Office of the Board.)

Be it further Resolved, That such conveyance shall be made for a consideration not less than the actual dollar cost to the Board or the State of Illinois, or either, of the real estate and improvements thereby conveyed with the reservation of an option in perpetuity to resume title to any portion of such tract which may be subsequently resolved by this Board to be required for University or State of Illinois purposes upon offer and tender of payment of a consideration equal in dollars to the aliquot dollar amount hereunder paid by the Foundation for any such portion of such tract and its improvements, and

Be it further Resolved, That acceptance of use of the completed facility by the Board for the purposes for which it was planned, at no cost to the Board or the State of Illinois except for ordinary operating expense and maintenance in the condition in which received for use, is hereby authorized and directed, and

Be it further Resolved, That the Chairman and Secretary are hereby authorized and directed to execute such agreements, deeds or other documents and perform such other acts as shall be deemed necessary or desirable to facilitate the above authorized actions in substantial accord with the above provisions, as advised by Legal Counsel, and

Be it further Resolved, That it is the wish and desire of this Board that the name of the donor be formally ascribed to this Foundation property in an appropriate manner in conformity with the sound discretion of the Foundation Board of Directors subject to the absence of objection by the said donor.

University Architect Charles Pulley presented a map showing the location of the tract under consideration. On motion of Mr. Lockard, seconded by Mr. Hitt, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

PEDESTRIAN OVERPASS PROJECT

The construction of a pedestrian overpass over the Illinois Central Railroad tracks at the Carbondale Campus is of the highest priority. In an attempt to be ready and able to proceed as soon as possible, authority is sought to have present plans brought up to date and construction documents prepared, coupled with a request for the prompt release of construction funds for this project.

President Morris presented and read a resolution and indicated that funds had been appropriated for construction of a pedestrian overpass;

final changes in the architect's plans and the production of bidding documents are necessary before bids can be sought.

After discussion and consideration, Mr. Elliott moved that the above-mentioned resolution be amended to read as follows, and that the Board adopt the resolution as amended.

Resolution

Be it Resolved by the Board of Trustees in regular meeting assembled, That retention of the architectural firm of Hansen, Nakawatase, Rutkowski & Wynn, Inc., for preparation of final construction documents and project supervision for the Pedestrian Overpass over the Illinois Central Railroad and U. S. 51 at the Carbondale Campus, on the Board's usual terms and for a fee not to exceed Eight Thousand Dollars, is hereby authorized and directed and the President is further authorized and directed to enter into a contract to that effect, and

Be it further Resolved, That the Board request the Illinois State Board of Higher Education to join us to earnestly petition the Honorable Governor of the State of Illinois to release the funds appropriated for construction of this project as an item of highest priority, because of the continuing serious threat to life of thousands of students.

Mr. Elliott's motion was seconded by Mr. Fischer, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Mr. Lockard presented and read to the Board the following statement related to action taken by the Board of Trustees at a special meeting held on November 12, 1969:

The Board of Trustees at its last meeting created new positions in an attempt to strengthen fiscal reporting and responsibility. A Committee was appointed to commence a search for the candidates for these positions. As a member of this Committee I believe it would be more fruitful for the Board of Trustees to authorize the Committee to engage the services of a national management consulting firm such as Booz-Allen & Hamilton of Chicago, Illinois; A. O. MacKenzie & Company of Chicago, Illinois; A. T. Kearney & Company of Cambridge, Massachusetts; Cresap, McCormick and Paget, Chicago, Illinois, or some other firm of similar stature. Such a firm, when selected, could give advice to the Board of Trustees on a broad and comprehensive basis of fiscal policies and procedures which would be attuned to the unprecedented growth of the University in practically every aspect.

This firm, together with the Board Committee and with appropriate faculty and administrative personnel, could review the operation and fiscal management of the University. Their studies would preclude the establishment for the present of any new positions.

I will ask that the Committee be empowered by the Board of Trustees to employ outside legal counsel to review the University and Board statutes with respect to the proposed study and other matters which are and may become of concern to the Board of Trustees. It is not assumed that this outside legal counsel would be employed on a continuing basis but rather would be employed for the immediate future.

Mr. Simonds expressed his feeling that the Board had over-reacted, under pressure, in creating the position of University Director. He indi-

cated his belief that the Board should now take time to evaluate the needs of the University and act properly on them.

Mr. Elliott expressed agreement with the statement presented by Mr. Lockard. He requested that a copy of the report of the Governance Committee, together with Faculty Council and University Council actions concerning University re-organization, be forwarded to each member of the Board of Trustees. President Morris indicated that Roland Keene, who serves as secretary for the three bodies mentioned, would make these materials available.

Mr. Fischer moved that the Board's special committee, appointed by the Chairman on November 12, 1969, be empowered to proceed as rapidly as they may deem advisable with each step outlined in the above statement. The motion was seconded by Mr. Sturgis, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Dr. Brown and Mr. Elliott, both members of the Board's special committee, expressed their appreciation for the Faculty Council's offer of assistance with the work of that committee. Mr. Elliott moved that the resolution adopted unanimously by the Faculty Council on November 14, 1969, be included in these minutes. The motion was seconded by Dr. Brown and was carried by voice vote. Accordingly, the aforesaid resolution is reproduced here, as follows:

Resolution

Southern Illinois University is an educationally autonomous institution with its own executive officers and subject to the control of its own governing Board of Trustees. The Faculty Council of the University wishes to express its support of the Board of Trustees in maintaining this independence.

The Board has recently created a position of university director. The Faculty Council is concerned with the implications of this position in the total governing structure of the University. The description of this position, the duties and responsibilities of the office, call for interpretation and clarification. Certainly a university director should have academic as well as fiscal qualifications. To assist the Board of Trustees with clarification and interpretation, with the drafting of required amendments of University Statutes, and with the selection of the individual to be university director, the Faculty Council will name a committee of four faculty members — two from the Edwardsville campus and two from the Carbondale campus — to work with the committee of the Board.

The University Faculty, in addition to the administration and the Board of Trustees, is dedicated to the maintenance of the total excellence of the institution. The Faculty Council welcomes every opportunity to cooperate with the Board of Trustees and urges initiation of continuing faculty representation on the Board in the belief that it is in the best interests of this institution.

/s/ Robert Engbretson, *Chairman*
Howard W. Webb, *Vice-Chairman*

Discussion was held concerning a time and place for a meeting of the Board's special committee appointed November 12, 1969. Mr. Lockard

invited the committee members and Mr. Ben Gelman, representing *Southern Illinoisan*, to dinner at 6 P.M. on Wednesday, December 3, 1969; he invited all interested parties to an open meeting to be held at 7:30 P.M. on the same date at the First National Bank in Mattoon, Illinois.

Dr. Brown initiated discussion concerning the need for additional personnel on the staff of the Security Officer on both campuses of the University. At the request of President Morris, such discussion was postponed until after lunch, when Security Officer Thomas Leffler could appear before the Board.

On motion of Mr. Elliott, seconded by Dr. Brown, the Board unanimously agreed to go into executive session and to reconvene at 1:30 P.M.

The Board reconvened promptly at 1:30 P.M., and Chairman Sturgis stated that only personnel items had been considered during executive session, and that no action had been taken. On motion of Mr. Elliott, seconded by Mr. Hitt, and carried by unanimous voice vote, the open meeting was resumed.

At the request of President Morris, Thomas Leffler indicated to the Board his idea for an elite, task-force type group of police officers who would be especially trained in crowd control and other specialized duties. He indicated that such officers should be around twenty-five years of age, and that more formal education would be required than for regular security police. He further indicated that such officers would not be assigned to particular shifts or areas, but would instead be available for assignment in many special situations.

At the request of Dr. Brown, Mr. Leffler also discussed with the Board the need for a contingency fund for investigative purposes, covering also the cost of equipment, publications, etc. He estimated that such a program would require approximately \$5,000 initially.

After discussion and consideration, Dr. Brown moved that the Board approve the employment of twenty additional police officers, and that \$5,000 be allocated to a contingency fund for the Security Officer. The motion was seconded by Mr. Simonds, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

President Morris indicated that Mr. Leffler would limit the employment of additional police officers not by time, but by endeavoring to find the right people. In answer to a question from President Morris, Mr. Leffler indicated that a training program for such a special group of officers would last a minimum of three months, and that it probably would take a year or more before such a group could begin working.

Mr. Elliott moved that the University Legal Counsel be directed to attend all meetings of this Board and to review all of its proceedings. At any time any action of the Board is of doubtful legality, in Counsel's opinion, he is directed to inform the Board, even to the extent of inter-

rupting proceedings. Mr. Elliott's motion was seconded by Mr. Fischer, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Mr. Elliott next submitted to the Board Requisition 74831-5796, in the amount of \$29,816.00 to provide engineering services for design of air conditioning for Woody Hall. Chancellor MacVicar explained to the Board that the project had been submitted to and approved by the Illinois Board of Higher Education, and funds have been provided. Mr. Lockard moved that the Board approve the requisition in question. The motion was seconded by Mr. Fischer, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Budget Director Clifford R. Burger asked about the Board's intent in the matter of employing additional security officers and establishing a contingency fund for the Security Officer. Mr. Elliott answered by moving that the Board direct the administration to add an administrative request for both the supplemental salaries and contingency to the currently pending budget request for operations. The motion was seconded by Mr. Hitt, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

On motion of Mr. Lockard, seconded by Dr. Brown, and carried by unanimous voice vote, the Board adjourned the meeting at 2:15 P.M.

December 13, 1969

THE DECEMBER MEETING of the Board of Trustees of Southern Illinois University was held on Saturday, December 13, 1969, in Ballroom "C" of the University Center, Carbondale Campus, beginning at 9:30 A.M.

The following members of the Board were present: Chairman Lindell W. Sturgis, Dr. Martin V. Brown, Ivan A. Elliott, Jr., Harold R. Fischer, F. Guy Hitt, Melvin C. Lockard, Eugene T. Simonds. The Honorable Ray Page was absent.

Also present were President Delyte W. Morris, Chancellor Robert W. MacVicar, Chancellor John S. Rendleman, Vice-President Ralph W. Ruffner, Special Assistant to the President James M. Brown, Assistant to the President Roland Keene, University Legal Counsel C. Richard Grunty, Treasurer Robert L. Gallegly, Budget Director Clifford R. Burger, Director of University News Services William H. Lyons, Assistant Directors of University News Services C. A. Frazer and A. R. Howard, Jr., University Architect Charles Pulley, University Photographer Robert Stokes; Ralph Rapson of Ralph Rapson and Associates, Inc., David Keene, Mayor of Carbondale, William Norman, Carbondale City Manager, Mrs. Susan Casey, Carbondale Plan Commission, Clyde V. Winkler, Assistant Township Supervisor, Isaac Brandon, Chairman, Jackson County Board of Supervisors, John M. H. Olmsted and John E. King, Carbondale Faculty Members, Mrs. John Olmsted, League of Women Voters; reporters T. G. Middleton, David Smith, and John Pavlik, *The Alestle*, Margaret Niceley, *Southern Illinoisan*, Wayne Markham, Terry Peters, Norris Jones, *Daily Egyptian*, Donald Tapperson and R. R. Ferguson, *St. Louis Post-Dispatch*, John Colt, *St. Louis Globe-Democrat*; Bob Thomas and Tom Bevirt, Carbondale Student Government, Jeff Lybarger, Donald Monty, K. Peterson, Miss Wharton, Carbondale Students; and Mrs. Louise Morehouse, Recorder for the Board of Trustees.

Chairman Lindell W. Sturgis presented the minutes of a special meeting of the Board of Trustees held November 12, 1969, and the minutes of a regular meeting held November 21, 1969. On motion of Mr. Lockard, seconded by Mr. Simonds, the Board approved these minutes as presented.

Matters Presented by President Morris

THE FOLLOWING UNIVERSITY MATTERS were presented by the administration for consideration by the Board of Trustees:

PRESENTATION CONCERNING ANNEXATION TO
THE CITY OF CARBONDALE

President Morris indicated on various maps the portions of the Carbondale Campus covered by Proposals #1 and #2 submitted by the City of Carbondale for annexation, as included in Resolution #242, dated September 9, 1969. President Morris indicated that in addition to these two areas, a large portion of University-owned land lies to the west and south; this land is used for agricultural purposes and lies wholly within the County of Jackson. He indicated that the University has a bilateral relationship to the City and the County, and that the University farms area is much larger than the area for which annexation is being sought by the City.

City Manager William Norman read a statement entitled "Request for Annexation of Campus Area of Southern Illinois University by City of Carbondale, Illinois." A copy of this presentation was placed on file with the Secretary for deposit in the office of the Board, together with a small map of the two areas being considered for annexation.

Mr. Norman indicated that the city's request would add to the City all University-owned land lying north of Reservoir-Pleasant Hill Road and west of Wall Street. He estimated that such annexation would add some 4,500 persons to the population of Carbondale, and in addition would produce an estimated \$125,000 per year in additional revenues derived from motor fuel tax, state income tax, sales tax, and utilities taxes.

Township Supervisor Archie Stroup spoke informally in opposition to the proposed annexation, emphasizing the fact that some of the income derived from various taxes and revenue-producing facilities would be lost to the township and the county if annexation to the city is approved. Mr. Stroup also expressed appreciation for the fact that the University and the Board of Trustees had been considerate and very fair in cooperating with the township and the county on various mutually beneficial projects.

Tom Bevirt, representing the Carbondale Student Government, spoke briefly concerning a resolution passed by that body in support of the City's request for annexation of campus areas. He pointed out that students are probably responsible for much of the trash and litter with which the City must contend, as well as for much additional traffic generated by student owned and operated vehicles, both of which require additional revenues for the City. Mr. Bevirt urged the Board of Trustees to consider favorably the request of the City for annexation of campus areas.

Chairman Sturgis thanked Mr. Norman, Mr. Stroup, and Mr. Bevirt for their presentations and indicated that the Board of Trustees would take the matter under consideration and would report to them at a later date.

PRESENTATION OF REVISED SCHEMATIC DESIGN FOR RECREATION FACILITIES
BUILDING GROUP, CARBONDALE CAMPUS

On May 17, 1968, the Board of Trustees approved the schematic design for this project. The schematic design has now been modified and a project budget of \$8,900,000 has been established. Attached is a brochure which briefly describes the facilities and includes photographs of schematic design drawings, including a model.

Financing of this project would be by use of Student Welfare and Recreational Facilities Fund (SWRF) and by a Southern Illinois University Revenue Bond Issue. It is expected that plans will be issued for bidding in the fall of 1970.

We recommend approval of the revised basic design, project budget of \$8,900,000, and authority to present this project to the Board of Higher Education for review and approval.

A copy of the brochure prepared by Ralph Rapson and Associates, Inc., Architects and Planners, was placed on file with the Secretary for deposit in the office of the Board.

University Architect Charles Pulley indicated that since this project was presented to and approved by the Board in May, 1968, additional program requirements have been considered. In addition, pedestrian circulation in connection with the area surrounding the building, and siting of the building, has been revised.

Architect Ralph Rapson used schematic drawings to indicate to the Board changes in the site for Recreation Facilities Building Group. He indicated that the most significant thing had been resiting the proposed building to emphasize the approach from the north and west, and placing outdoor facilities for such things as soccer, tennis, etc., to the west of this building and so closer to the main campus. Mr. Rapson also stated that location of the swimming pool to the west of the building will allow for circulation from the north and west, rather than from the south and east, which seems considerably more desirable. Circulation diagrams, elevation diagrams, and a view from the west side were presented for information. Mr. Rapson indicated that this is a very simple building, with emphasis on durability and easy maintenance.

Dr. Brown asked about parking facilities to accommodate people coming to the Recreation Facilities Building as spectators. Mr. Pulley indicated that provision had been made for a parking lot for 100 cars close to Wall and North Marion Streets. He further indicated that major parking areas are being considered in other areas of the campus, some for surface parking and some for garage facilities.

Mr. Elliott also emphasized the need for parking space for spectators. He placed special emphasis on the fact that consideration must be given to leaving adequate space for parking lots to accommodate not only this building, but any buildings constructed in the future.

President Morris indicated that a study is under way for a three-year plan for parking facilities, under provisions set up by the State Board of Higher Education. He indicated that careful consideration was being

given both to the areas to be used for parking and the types of facilities.

Discussion was held concerning the estimated cost of the proposed building. Both Mr. Pulley and Mr. Rapson stated that reductions and simplifications of certain areas had brought costs to an absolute minimum. In answer to a question from Chancellor MacVicar as to the feasibility of the estimated construction cost of approximately \$7,000,000, Mr. Rapson stated that professional estimators were furnished with working drawings and carefully detailed information, that it was his belief that their estimates were accurate, and that the building could be built within the estimated figure.

Further questions concerning funding were answered by Treasurer Robert L. Gallegly, who indicated that a bond issue of approximately \$4,000,000, plus \$4,565,000 from Student Welfare and Recreational Facility Building Trust Fund (SWRF), would be supplemented by interest from the investment of construction funds during the period of construction. Detailed figures concerning funding for the building were distributed for information.

Dr. Brown asked the cost of architectural and engineering fees. Treasurer Robert L. Gallegly indicated that the overall cost of \$375,000 for architectural and engineering services had already been partially funded by contract from SWRF monies.

On motion of Mr. Lockard, seconded by Mr. Fischer, the Board approved the recommendation of the administration. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL

Additions and changes in the faculty-administrative payroll were reported and approval requested. (See Appendix I.)

On motion of Mr. Simonds, seconded by Mr. Lockard, the Board approved all additions to and changes in the faculty-administrative payroll, as requested. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

APPROVAL OF ACTIONS OF THE EXECUTIVE COMMITTEE

It is requested that the Board of Trustees consider and approve actions of the Executive Committee in approving requisitions and the report of purchase orders and contracts awarded for the Carbondale and Edwardsville campuses during September and October, 1969. The detailed reports of purchase orders and contracts were mailed to the members of the Board in advance of this meeting, and copies were placed on file in the office of the Board.

Reports of purchase orders and contracts amounting to less than \$2,500.00 in the total amount of \$865,880.45 for Carbondale Campus and \$351,797.76 for Edwardsville Campus, awarded during September and October, 1969, were considered. Also considered were purchase orders and contracts amounting to \$2,500.00 or over, including actions of the Executive Committee in approving requisitions amounting to \$5,000.00 or over.

The total of this portion of the reports was \$1,656,629.22 for Carbondale Campus and \$620,730.16 for Edwardsville Campus.

Dr. Martin V. Brown again asked about expenditures totaling some \$21,000 for projects for the various University housing areas. He stated that this money was being spent without any accountability whatever.

Chancellor MacVicar stated that this money comes from the Special Housing Activity Fee charged each resident in University housing, and the fee is collected by authority from the Board of Trustees and is placed in a restricted account. Expenditures for such things as television equipment, athletic equipment to be loaned to participating students, and recreation and social projects, are supervised and controlled by the Assistant Dean for the living area sponsoring the activity or purchase. He indicated to Dr. Brown that there is strict control and supervision by officials of the University over all fees so collected.

Mr. Fischer questioned fees paid to Reed, Armstrong, Gorman & Coffey for legal services for the Edwardsville Campus. Chancellor Rendleman indicated that this firm makes Mr. Coffey available one-half time on the Edwardsville Campus.

On motion of Mr. Lockard, seconded by Mr. Simonds, the Board approved and ratified actions of the Executive Committee, as requested. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

PROPOSED SCHEDULE OF MEETINGS FOR 1970

It is suggested that the Board consider a list of dates for meetings to be held during 1970. A calendar showing the scheduled meeting dates will be prepared following approval by the Board.

On motion of Mr. Lockard, seconded by Mr. Elliott, the Board scheduled meetings on the third Friday of each month, with the exception of December. The motion was carried by unanimous voice vote.

ADDITIONAL ITEM FOR PREVIOUSLY SUBMITTED 1970-1971 OPERATIONAL BUDGET REQUEST

In accordance with Board action at its meeting on November 21, 1969, approval for an additional operating budget item to permit expansion of Security Forces is requested. Approval is requested to support submission of this item to the Illinois State Board of Higher Education.

The following item was mailed to the members of the Board of Trustees on December 10, 1969:

ADDITIONAL ITEM FOR PREVIOUSLY SUBMITTED 1970-1971 OPERATIONAL BUDGET REQUEST - ADDITION OF 20 POLICEMEN TO THE CARBONDALE SECURITY FORCE (4-F)

The Board of Trustees of Southern Illinois University voted in its meeting of November 21, 1969, to add a minimum of twenty officers to the Security Force on the Carbondale Campus. This item is to authorize specific actions regarding funding for the addition.

The additional officers will be prepared through training and duty assignments to become the nucleus of a model university Security Force. They will

be engaged immediately in a concentrated training program involving some 400 hours of instruction, to be supplemented with a continuous program of instruction for the entire Security Force. It is intended that this instruction be carried out under the provisions of the Illinois Police Training Act as amended, for which suitable application will be prepared immediately.

Since the Board action on this item was taken after the 1970-71 operating budget request had been presented to the Board and approved for submission to the Illinois Board of Higher Education, it is necessary to request authorization to submit an additional budget request item for this purpose to the Board of Higher Education. Both campus need and available training schedules argue for immediate initiation of this program; and to this end, authorization is requested to seek Board of Higher Education approval for the use of 1969-70 funds previously scheduled for lapse to the State in an amount required to support such initiation, which will involve the phased hiring of twenty officers and a nonrecurring expenditure for equipment and uniforms during the period January through June, 1970.

It is therefore recommended that the Board adopt the following resolution at this time.

Resolution

WHEREAS, This Board has voted that 20 additional policemen be added to the Carbondale Security Force at the earliest date possible;

And WHEREAS, It is necessary to provide initial funds for the employment, training, and equipping of these additional officers;

And WHEREAS, It is also necessary to provide for the continued operation of the increased Security Force;

Now therefore be it Resolved:

(1) That a request be directed to the Illinois Board of Higher Education, supported by a detailed analysis of the required costs, for the provision of \$96,220.00 during the current fiscal year through authorization to utilize funds anticipated for lapse at the end of the year;

(2) That a further request be directed to the Illinois Board of Higher Education, also supported by a detailed analysis of the required costs, to add to the operating budget request for 1970-71 already submitted an additional item of \$186,880.00 to provide for the continued increased cost of operating the expanded Security Force;

(3) That it is understood that any funds received as a result of the requests in (1) and (2) above shall be adjusted in the amount of any supporting fund that may be received by reason of participation in training programs under the Illinois Police Training Act as amended.

Also presented were schedules showing the breakdown of these estimated costs for Stage I (January, 1970, to July, 1970) and for Stage II (July, 1970, to July, 1971). Copies of these schedules were placed on file with the Secretary for deposit in the office of the Board.

Budget Director Clifford R. Burger indicated, in reply to a question from Mr. Lockard, that the contingency fund in the amount of \$5,000 had been established from funds already available.

On motion of Mr. Lockard, seconded by Mr. Simonds, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

On the advice of Mr. Elliott and Dr. Brown, the Board agreed to defer an item concerning Revision of Executive Committee Procedures until the January meeting.

REVISED BUILDING SITE FOR PHYSICAL EDUCATION BUILDING,
EDWARDSVILLE CAMPUS

The Board of Trustees has previously approved the concept of the physical education facilities for the Edwardsville Campus. It is now requested that the Board approve the relocation of these facilities to a new site immediately west of Bluff Road and north of the Interurban Trace.

The former site required preloading of the soil to achieve adequate foundations and is restrictive to the desired building and playfields. Grading required would turn what is now a beautiful, rolling site into a stressed site for the facility.

The new site is not restrictive to development. Fields can be adjacent to the building and the entire facility will be closely related to the proposed intercollegiate athletic facilities. The new site will create a scheduling problem, but the Physical Education faculty believe they can surmount this problem by both scheduling innovations and by the development of direct transportation to the facility.

The former site required initial installation of utilities which would be partially abandoned later. The new location does not present this problem, and although the initial utility costs will be higher, none of it would be wasted on work to be abandoned later. In addition, the new utilities extension will serve ultimately not only the physical education facility but other facilities south and west of the Northwest Entrance Road and Circle Drive.

On motion of Mr. Fischer, seconded by Mr. Elliott, the Board approved the change in location of the proposed Physical Education Building at the Edwardsville Campus, as requested. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

TEMPORARY ATHLETIC FACILITIES, EDWARDSVILLE CAMPUS

A committee of the Student Senate has been working for some months to develop a program of temporary athletic facilities to be located in the northwest corner of the central academic area. This committee has now reported to the Student Senate, which has unanimously approved their proposed temporary athletic facilities. Preliminary estimated costs are \$100,000.

It is recommended that working with the students such facilities be provided and that the costs be taken from the Student Welfare and Recreational Facilities Fund.

It is also recommended that there be authorization for the employment of William L. Flippo and A. R. Kampwerth of Alton, Illinois, as the architects for this project at a fee not to exceed \$8,000.00.

At the request of President Morris, Chancellor Rendleman explained that temporary athletic facilities are needed until permanent playfields can be constructed near the proposed Physical Education Building, perhaps in four or five years. In answer to a question from Mr. Simonds, Chancellor Rendleman indicated that it was possible that some of the apparatus would be reusable for the future.

Dr. Brown requested that the minutes show that the employment of

these two architects does not constitute tacit understanding that they will be employed for the design of any permanent athletic facility at Edwardsville.

On motion of Mr. Simonds, seconded by Mr. Fischer, the Board approved the recommendations made by the administration, with reservations as stated by Dr. Brown. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

RATIFICATION OF NEW HEALTH CARE GROUP INSURANCE PLAN FOR
SOUTHERN ILLINOIS UNIVERSITY EMPLOYEES

In the past year the University Committee on Common Faculty and Staff Benefits has, with the assistance of its consultants, Powers, Carpenter, and Hall, Inc., studied the health insurance provided for University employees and developed a new, modernized plan.

During its work, the Committee, which is composed equally of faculty and nonacademic representatives from both campuses, has kept the Faculty and Nonacademic Councils on each campus informed of its progress. The Committee obtained the unanimous support of all four councils when it made the determination that it was necessary to purchase the health insurance on a true group insurance basis with the Board of Trustees of Southern Illinois University designated as the master policyholder. Only in this way could the employees be assured of a measure of control over the benefit coverages and the overall cost of the insurance. (The old plan still in effect is a franchise plan whereby the carrier issues an individual policy to each insured, is not accountable for the retention and reserves, and can take unilateral action regarding changes in premium rates and coverages.) Again, when the Committee had designed the specifications for a new modern plan with comprehensive hospital, surgical, medical, and major medical coverages, the four councils gave their unanimous approval to the specifications and to the proposal that the Committee submit them for bids, select the most competitive, qualified offer, and put the new benefits into effect.

In due course the Purchasing Office submitted, under Request for Quotation No. 47360-1111, the new specifications for bids which were opened on November 18, 1969. Sixteen companies submitted bids which were carefully analyzed by the Committee and its consultants. It was the unanimous decision of the Committee that the Continental Assurance Company of Chicago had submitted the best proposal. The Continental proposal met all specifications, was offered as a conventional true group master policy plan, fully experience rated, with the lowest quoted guaranteed rate. (The monthly premium quoted for the family plan was only 2¢ more than that currently paid under the old plan.)

In accordance with the University policy structuring the University Committee on Common Faculty and Staff Benefits as the policy-making and negotiating body in such matters, the chairman has signed accepting the proposal of the Continental Assurance Company of Chicago subject to approval of the Board of Trustees, the State Department of Insurance, and the Department of Personnel of the State of Illinois. Some 60 to 90 days will now be required in order to secure State approvals, complete all arrangements for enrollments, and put the new plan into effect.

The Continental Assurance Company of Chicago has requested that the Board of Trustees ratify the decision of the Committee and verify as authoritative the signature of its chairman. The Company also has requested that the customary earnest money in the amount of \$5,000 be deposited with the Continental Assurance Company to be returned upon receipt of the first monthly

premium payments. The following resolution is therefore recommended for adoption:

Resolution

WHEREAS, The Purchasing Office and the University Committee on Common Faculty and Staff Benefits have publicly submitted for bids (under Request for Quotation No. 47360-1111) specifications for a new health care true group insurance plan with the Board of Trustees of Southern Illinois University as the master policyholder; and

WHEREAS, The said Committee has determined that the Continental Assurance Company of Chicago has quoted the lowest guaranteed rate and the best overall offer; and

WHEREAS, Roland Keene, as chairman of said Committee, has signed accepting the offer of the Continental Assurance Company of Chicago subject to approval of the Board of Trustees and the State Department of Insurance and the Department of Personnel of the State of Illinois; and

WHEREAS, It is customary to deposit earnest money as contract consideration;

Now, therefore, be it Resolved:

- (1) That the Board of Trustees ratify the decision of the University Committee on Common Faculty and Staff Benefits in accepting the offer of the Continental Assurance Company of Chicago subject to appropriate State approvals and verify the authority for the signature of its chairman, Roland Keene, in concluding the contract; and
- (2) That the Board further direct the University Treasurer to deposit with the Continental Assurance Company of Chicago earnest money in the amount of five thousand dollars (\$5,000), such amount to be returned to Southern Illinois University upon receipt by the Continental Assurance Company of Chicago of the first monthly premium payments under the contract or upon refusal by the Department of Insurance or the Department of Personnel of the State of Illinois to approve the contract for any reason attributable to the Continental Assurance Company of Chicago.

At President Morris' request, Assistant to the President Roland Keene explained briefly the advantages of the plan chosen by the University Committee on Common Faculty and Staff Benefits.

On motion of Dr. Brown, seconded by Mr. Lockard, the Board adopted the resolution presented by the administration. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Lockard; pass, Mr. Sturgis; nay, none.

Mr. Elliott, a member of the Executive Committee, presented Requisition 89360-5823, in amount of \$14,860.00, providing for topographic survey and contour maps of 365 acres of land for the golf course proposed for the Carbondale Campus. He indicated that he felt the entire Board should know the exact location of the site chosen, the size of the site, and the survey cost.

Both President Morris and Chancellor MacVicar indicated that the site chosen for the proposed golf course probably will not interfere with future construction. Dr. Brown stated that only 18 holes are to be built, but the site is to be designed for 36 holes. He indicated that it seemed feasible to survey the entire area, looking forward to future expansion. He also indicated that the cost of the survey was very reasonable.

In answer to a question, Chancellor MacVicar indicated that only a very small portion of the land under consideration is not currently University owned.

On motion of Mr. Fischer, seconded by Mr. Lockard, the Board approved the requisition in question. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, Mr. Hitt.

Mr. Elliott moved that the Board go into executive session, during which time the Board would recess for lunch, then resume the open meeting at 2:00 P.M. Mr. Elliott's motion was carried by unanimous vote.

The Board resumed the open meeting promptly at 2:00 P.M., and the Chairman called for an item postponed from the morning session, as the first item of business.

MISSISSIPPI RIVER FESTIVAL FOR 1970

Southern Illinois University at Edwardsville and the St. Louis Symphony Society jointly sponsored the Mississippi River Festival during the summer of 1969. Under the existing agreement, which is attached hereto and made Supplement No. 1, the continuation of the summer art and music festival is discretionary with the Board of Trustees for 1970 and 1971.

Because of inadequacies in the present arrangement by the Society and the University, an amendment to the agreement has been worked out subject to approval of the Board of Trustees and the St. Louis Symphony Society. This amendatory agreement is attached hereto as Supplement No. 2.

The import of the amended agreement is to provide that the University will have complete charge and control of the festival, receiving all income generated therefrom, but also incurring all expenses. We believe it to be a better arrangement and gives the University the kind of control of both expenditures and income created by the activity.

It is recommended that the Board approve the amended agreement and agree to the continuation of the Mississippi River Festival for the following reasons:

1. It is an opportunity to provide an in-depth educational experience in the arts for Southern Illinois University students specifically, and students of all the area colleges.
2. It is a valid recognition of the relevance of the desires of today's youth.
3. It is an opportunity to cooperate with area elementary and secondary schools in providing an educational center for the performing arts.
4. It is an opportunity for experimental educational programs in the fine arts.
5. It is an opportunity to affect a wide population strata and expose the University and the festival to this group.
6. It gives the geographic region a summer festival similar to those in other parts of the country such as Ravinia, Tanglewood, and Meadowbrook.
7. It provides a vehicle for bringing major cultural and artistic attractions to the wide area both geographically and in population served by the University.
8. It provides the offering of educational, social, and cultural advantages which could not be received in any other way.

The important disadvantage, of course, is the estimated financial loss. A conservative income and expense statement has been prepared, which is Supplement No. 3 attached hereto. It predicates upon an income increase of 25 per cent over 1969. This, we believe, is a conservative estimate but does result in

an estimated loss of \$136,760. The University is not a profit-making organization and each of its programs and agencies runs at a financial loss. The recommendation to proceed with the festival, even in view of its financial loss, is based upon the judgment that the advantages listed above far outweigh the estimated loss incurred.

At the request of President Morris, Chancellor Rendleman indicated to the Board that since this item was prepared there has been a public drive and a solicitation for funds to partially offset the estimated deficit of \$136,000 shown in Supplement 3. He indicated that other programs, such as the Celebrity Series on the Carbondale Campus, also incur deficits but are considered justifiable as cultural, social, and educational projects. Dr. Albert W. Trtanj, a dentist from the Edwardsville area, was introduced to the Board by Chancellor Rendleman.

Dr. Trtanj indicated tangible benefits resulting from the 1969 Mississippi River Festival as (a) the opportunity for students to study individually with some of the 95 musicians of the orchestra; (b) classes in conducting under Walter Susskind, who served as Visiting Professor during the six weeks' festival period; and (c) the advantages gained by high school students from surrounding areas who were involved in ensemble playing with the symphony orchestra. He cited as one intangible benefit the drawing of thousands of persons from every state to the Metro-East area, where truly cultural programs have never before been offered.

Mr. Fischer indicated that the public opinion of Southern Illinois University at Edwardsville was very materially enhanced by the Mississippi River Festival, and that it has made people of Illinois and many other states aware of the University and the area. He further indicated that although he could not support the entire proposal, he felt that the festival should be continued for at least another year.

Mr. Simonds stated that he felt the Symphony Society should underwrite the festival, and the University could then furnish the grounds and the existing facilities without cost to the Society. Dr. Brown also expressed his feeling that assets of the University should not be pledged to the project, but physical facilities could be made available.

Mr. Elliott indicated that he could not vote for an open-end proposal, as submitted. He stated that he would be willing to subsidize the festival to some extent, but would not vote for the entire proposal and the assumption of all financial risks.

After consideration and discussion, Mr. Fischer moved that if a contract can be written for one year, so that the festival can be put on as it was last year, using our facilities as they presently stand, and with a guaranteed maximum expense to Southern Illinois University of \$100,000, then the Board would approve. Mr. Hitt indicated that response to the festival last summer, from people on both sides of the river, was excellent. He stated that he felt the Board would fall short of its responsibility to the area if a way cannot be found to continue the festival for the summer of 1970. He further indicated his feeling that the response to the program

would be much better, and that probably the deficit for 1970 would be much smaller than anticipated. Mr. Hitt then seconded the motion made by Mr. Fischer.

In answer to a question from Mr. Fischer as to the source of funds for continuation of the festival, Treasurer Robert L. Gallegly indicated that some cost items could come from State appropriations for educational purposes, and that some restricted funds might also be used. Chancellor MacVicar indicated his agreement that a contribution from State appropriated funds might well be made on behalf of Edwardsville students, in order to provide appropriate programs through the Mississippi River Festival project. He indicated his full support for the use of State funds for such cultural events.

Mr. Sturgis stated that he could not vote for the University assuming all financial risks, nor could he agree to a firm commitment beyond the one season. He indicated agreement with Mr. Simonds and Dr. Brown and suggested that this might be a more fitting object of subsidy by the State Government.

After discussion of how to control and report the expense, Mr. Fischer amended his motion to call for submission to the Board of definite plans for such controls before implementing the program, to which Mr. Hitt agreed. The motion was defeated by the following recorded vote: Aye, Mr. Fischer, Mr. Hitt; nay, Dr. Brown, Mr. Elliott, Mr. Simonds, Mr. Sturgis, Mr. Lockard.

Mr. Fischer then moved to repeat his motion, substituting the figure of \$75,000. The motion was seconded by Mr. Hitt and was defeated by the following recorded vote: Aye, Mr. Fischer, Mr. Hitt; nay, Dr. Brown, Mr. Elliott, Mr. Simonds, Mr. Sturgis, Mr. Lockard.

Mr. Fischer then moved to authorize and approve bringing a contract back to the Board of Trustees, which Legal Counsel and the Administration are satisfied with, in which the University's maximum expenditure shall be \$50,000, plus the use of our facilities. The motion was seconded by Mr. Hitt and was defeated by the following recorded vote: Aye, Mr. Elliott, Mr. Fischer, Mr. Hitt; nay, Dr. Brown, Mr. Simonds, Mr. Sturgis, Mr. Lockard.

Copies of Supplements No. 1, No. 2, and No. 3, as mentioned above, were placed on file with the Secretary for deposit in the office of the Board.

University Legal Counsel C. Richard Gruny indicated that the Board of Trustees had previously discussed the proposed May Fest, or rock festival, to be held near Carbondale. He stated that the University has been approached by various people, and that the Board had directed that the following resolution be presented in open meeting:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That the University administration be and is hereby directed to take all necessary steps to protect University property and programs from damage or disruption by the proposed May Fest "rock festival," including legal action either singly or in cooperation with local, state, or federal authorities or with private persons or organizations who are similarly concerned, to the further end of deterring undue exploitation of persons who might attend such a function, hazards to public health or safety, or other severely detrimental impact upon the community.

Mr. Lockard moved that the Board adopt the resolution presented. The motion was seconded by Mr. Simonds and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

The meeting was adjourned at 3:00 P.M.

THE JANUARY MEETING of the Board of Trustees of Southern Illinois University was held on Saturday, January 17, 1970*, beginning at 9:30 A.M. in the International Room at University Center, Edwardsville Campus. The following members of the Board were present: Chairman Lindell W. Sturgis, Dr. Martin V. Brown, Mr. Ivan A. Elliott, Jr., Mr. Harold R. Fischer, Mr. F. Guy Hitt, Mr. Melvin C. Lockard, Mr. Eugene T. Simonds. The Honorable Ray Page was absent.

Also present were President Delyte W. Morris, Chancellor Robert W. MacVicar, Chancellor John S. Rendleman, Vice-President Ralph W. Ruffner, Special Assistant to the President James M. Brown, Assistant to the President Roland Keene, University Legal Counsel C. Richard Gruny, Treasurer Robert L. Gallegly, Budget Director Clifford R. Burger, Director of University News Services William H. Lyons, University Architect Charles Pulley; Charles W. Moore, representing the Architectural Board; Fred Sanneman, representative of Consoer, Townsend & Associates; reporters Kathy O'Dell and Don Magary, Edwardsville University News Services, Phil Sutin, *St. Louis Post-Dispatch*, Ben Gelman, *Southern Illinoisan*, Doug Thompson, *Alton Evening Telegraph*, Allen Winchester, *Metro-East Journal*, Harry Barnes, *Granite City Press-Record*, Dick Norrish, *Edwardsville Intelligencer*, Judith Waters, *The Alestle*, P. J. Heller, *Daily Egyptian*; Bob Thomas and Frank Bianca, Carbondale Student Government; members of the Edwardsville Faculty, Staff, and Student Body; and Mrs. Louise Morehouse, Recorder for the Board of Trustees.

Minutes of a regular meeting held December 13, 1969, were presented by Chairman Sturgis, but at his request these minutes were not considered for approval.

*Pursuant to a request from Chairman Lindell W. Sturgis, a telephone conference call was initiated by President Morris at 8:30 A.M. on January 9, 1970, from his office in Carbondale. The following persons participated: President Delyte W. Morris, Dr. Martin V. Brown, Mr. Ivan A. Elliott, Jr., Mr. Harold R. Fischer, Mr. F. Guy Hitt, Mr. Melvin C. Lockard, Mr. Eugene T. Simonds, Mr. Lindell W. Sturgis, and Mrs. Louise Morehouse, Recorder.

President Morris explained that the reason for the call was that a meeting of the chief officers of the five educational systems of the State had been called by Governor Ogilvie for January 16, 1970, which conflicts with the regular meeting of the Board of Trustees scheduled for that same day.

After consideration and discussion, it was unanimously agreed by the members of the Board to reschedule the meeting to Saturday, January 17, 1970, the time and place to remain unchanged.

Matters Presented by President Morris

THE FOLLOWING UNIVERSITY MATTERS were presented by the administration for consideration by the Board of Trustees:

OLD MAIN AREA

A plan and model of the proposed Old Main scheme will be presented to the Board showing the development of the area in stages as funds are made available for construction. A scheme has been developed which would keep the walls of Old Main to the second floor arch level, making the space at the ground floor level available for such things as outdoor performances by the Music Department. A tower in its original location could be constructed in the future, on the premise that funds would be made available through the Alumni, a donor, or some other source for this project.

The scheme, as developed by Dean Charles W. Moore of the Department of Architecture of Yale University and the Architectural Board, has been reviewed and approved by the Administration and a committee composed of members of the Alumni Association and the S.I.U. Foundation.

Senate Bill 1262 authorizes funds to the Illinois Building Authority for the construction of classroom space to replace Old Main classrooms. On August 6, 1969, the Board approved a proposal for Temporary Classroom Buildings located on the corner of Washington Avenue and Park Street. On November 21, 1969, the Board approved proceeding with the working drawings for the Humanities Building, Stage II, IBA Project No. 76-008, for permanent classroom space. The same bill provides, in our Operating Funds, for the "Razing of Old Main, restoration of site, provision of temporary facilities and other items related to the loss of Old Main facility."

The following resolution is, therefore, recommended for adoption at this time:

Resolution

Be it Resolved by the Board of Trustees in regular meeting assembled, That the concept of razing Old Main to the second floor arch level is approved, and employment of the architectural firm of Ferry and Henderson, 1320 South State Street, Springfield, Illinois, to prepare plans and specifications for the razing of the remaining dangerous portions and those additional portions necessary to be removed to prepare a proper site for a memorial. The razing and restoration of the site will be at a planned cost of \$250,000. The memorial project will be developed through close involvement with the S.I.U. Alumni Association and when suitably developed will be presented to the Board of Higher Education for approval.

University Architect Charles Pulley introduced Mr. Charles W. Moore, Dean of the Department of Architecture at Yale University and a member of the Architectural Board, to make the presentation concerning the Old Main Area. Mr. Moore used an architect's drawing and a model of the old campus area to explain a plan for development in five stages. He indicated that the first phase would include leveling the walls of Old Main to the second floor arches and stabilizing the walls at that level. The space inside the walls would then become a garden-plaza-audience space, a place for listening to music or performances from a small stage in the base of the tower proposed for future construction, and duplicating the original tower. Mr. Moore also outlined plans for the future expansion of Allyn Building and Altgeld Hall to accommodate the Art and Music depart-

ments; a terrace to the east of Shryock Auditorium, connecting to the walls of Old Main, and with a gallery underneath where music practice rooms might be built; pedestrian ways for circulation east-west, north-south, and diagonally; and development of a Museum around Wheeler Hall, featuring enclosed courtyards for protected exhibitions.

Mr. Moore emphasized the fact that the money now appropriated would possibly accomplish the first stage; that is, restoring and stabilizing the Old Main walls and cleaning out the inside and the surrounding area.

On motion of Mr. Elliott, seconded by Mr. Simonds, the Board deferred the proposal in regard to Old Main and requested that alternate proposals to memorialize Old Main be studied and presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

INCREASE IN RESIDENCE HALL RATES

Board approval is recommended for an increase in rental rates for University residence halls and apartments, effective with the fall quarter, 1970, in accordance with the following terms:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That the rents and charges heretofore established for University housing as required by various Bond Resolutions of the Board shall be and are hereby changed and altered by amendment in accordance with such Bond Resolutions, effective beginning fall quarter, 1970, and until otherwise amended to the rate shown in the column headed "Quarterly Rate 1970-71" in the following schedule:

SCHEDULE OF RATES PROPOSED FOR 1970-71

Based on Rate Study Dated November 15, 1968, and November 4, 1969

ROOM AND BOARD RATES	REVENUE	CURRENT	PROPOSED
	FUND DATE	QUARTERLY RATE 1969-70	QUARTERLY RATE 1970-71
Brush Towers	1966	\$327.00	\$347.00
Thompson Point	1960	327.00	347.00
University Park - Neely	1963	327.00	347.00
University Park - Triads	1963	312.00	322.00
Southern Acres Res. Halls		287.00	307.00
VTI Dormitory	1966	322.00	337.00
ROOM RATES			
Group Housing	1958-1960	162.00	172.00
Southern Acres Co-op		72.00	72.00
APARTMENT RENTAL			
	REVENUE FUND DATE	CURRENT MONTHLY RATE	PROPOSED MONTHLY RATE
Southern Hills	1958-1960		
Efficiency		79.00	84.00
One-Bedroom		89.00	94.00
Two-Bedroom		94.00	99.00
University Trailer Court		28.00	28.00

This recommendation is necessary for the following reasons:

1. The cost of operation per student has increased since the last rental rate was approved by the Board of Trustees effective with the fall quarter, 1969.
2. A contributing factor in the increase of cost of operation has been the policy of the Board of Higher Education limiting the subsidy to residence halls to use of tuition fees. Residence halls have paid full costs of operations for the past three years.
3. Realistic projections of increased costs of labor and food indicate that the per student cost will continue to increase during the coming academic year and that this cost will exceed the income generated by the present rate.

Both President Morris and Chancellor MacVicar expressed regret that the increase in residence hall rates was necessary. Chancellor MacVicar reminded the Board that a year ago a plan for increases in two steps was presented; he indicated that nothing had occurred during the past year to make it possible for the University to do other than make the second increase in rates.

On motion of Mr. Lockard, seconded by Mr. Fischer, the Board adopted the resolution increasing residence hall rates. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Bob Thomas of the Carbondale Student Government requested that he be permitted to make the presentation scheduled on the agenda, which had been postponed because of his unavoidable late arrival.

Mr. Thomas spoke very briefly concerning his talks with legislators during the Christmas break. He then entered a list of student complaints concerning the increase in residence hall rates, the proposed golf course for Carbondale Campus, parking rates and the difficulty of finding a parking space, the need for a crossing guard at the corner of Harwood and Rt. 51 at all times that classes are in session, and the desire of students for an open visitation policy. In concluding, Mr. Thomas stated these are only a few of the problems that students are facing.

Some discussion was held by the Board concerning parking problems, and the Student Government was encouraged to bring constructive suggestions for improvement to the attention of the Board. Mr. Thomas received the thanks of the Board for his presentation.

REPORT OF DEATHS

The death of Mr. Roy Vail Jordan, Assistant Professor (Emeritus) in Morris Library, was reported. Mr. Jordan was born December 31, 1881, and died December 27, 1969. He received the Bachelor of Education degree from Southern Illinois University, the Bachelor of Arts degree from the University of Illinois, and the Master of Arts degree from the University of Wisconsin. He taught in the high school at Marissa, Illinois, and served as Superintendent of Schools in Herrin, Illinois, and Centralia, Illinois, prior to accepting appointment at Southern Illinois University in 1948. He served as curator of the Tilton-Lincoln library at the time the

collection was presented to Morris Library, served as President of the Southern Illinois University Foundation, and always displayed a thoughtful interest in the University's growth and programs.

The death of Mr. Jack M. Morris, Instructor in English, was reported. Mr. Morris was born March 25, 1924, and died December 31, 1969. He received the Bachelor of Arts degree from the University of Kentucky and the Master of Arts degree from the University of the Americas, Mexico City, Mexico. He taught in the Mexico-North American Institute of Cultural Relations, the Metropolitan Institute of English, and the Political Institute of Mexico prior to accepting appointment at Southern Illinois University in 1967. A mature and experienced teacher of English as a second language, he contributed to the organization and efficient conduct of this study, and as Assistant to the Director, helped to achieve a more useful and effective curriculum.

The death of Miss Marjorie Shank, Associate Professor (Emerita) of Geography, was reported. Miss Shank was born August 8, 1898, and died December 28, 1969. She received the Bachelor of Arts degree from the University of North Dakota and the Master of Arts degree from Clark University. She taught in the public schools of Cleveland and Dickinson, North Dakota, prior to accepting appointment at Southern Illinois University in 1923. Between 1930 and 1952 she served as the University's Registrar, and during this period of rapid growth greatly influenced the modernization of record-keeping methods. She established an excellent reputation both as Registrar and as a teacher.

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL

Additions and changes in faculty-administrative payroll were reported and approval requested. (See Appendix I.)

On motion of Dr. Brown, seconded by Mr. Lockard, the Board approved all additions to and changes in the faculty-administrative payroll, as recommended. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

CONSIDERATION OF ACTIONS OF THE EXECUTIVE COMMITTEE

It is requested that the Board of Trustees consider and ratify the actions of the Executive Committee in approving requisitions and the report of purchase orders and contracts awarded for the Carbondale and Edwardsville campuses during November, 1969. The detailed report of purchase orders and contracts was mailed to the members of the Board in advance of this meeting, and copies were placed on file in the office of the Board.

By letter dated January 2, 1970, the Executive Committee was asked to consider rejection of bids received November 25, 1969, for Academic Core Utilities Extension III, Edwardsville Campus. All three members of the Executive Committee indicated their approval for rejecting the bids. It is also requested that this action be ratified.

A report of purchase orders and contracts amounting to less than \$2,500, in the total amount of \$357,377.71 for Carbondale Campus and

\$142,472.00 for Edwardsville Campus, awarded during November, 1969, was considered. Also considered were purchase orders and contracts amounting to \$2,500 or over, including actions of the Executive Committee in approving requisitions amounting to \$5,000 or over. The total of this portion of the report was \$274,100.99 for Carbondale Campus and \$148,357.00 for Edwardsville Campus.

Mr. Lockard asked the total paid for the bronze statue of Mahatma Gandhi, final payment for which was listed on page 24(c) as \$3,000 (Purchase Order No. 71883-0007 R). President Morris indicated that Budget Director Clifford Burger would furnish the information requested.

Dr. Brown then asked if any other statues are in the works, any statues about which the Board has not been informed. President Morris said no. University Legal Counsel C. Richard Gruny stated that he had received a call recently from the Director of Mitchell Gallery, asking how to go about putting a statue under contract. Chancellor MacVicar indicated that the University has an understanding with Nicholas Vergette, a member of the Art Department faculty, Carbondale Campus, that he will spend a portion of next summer designing and constructing a piece of sculpture for external display on the Carbondale Campus. Chancellor MacVicar stated that Mr. Vergette would be on salary, that materials would be furnished by the University, and that the resulting artifact or sculpture would belong to the University.

Dr. Brown and Mr. Elliott, members of the Executive Committee, indicated that it seemed desirable to consider further additions to the revisions of Executive Committee procedures now being studied, to cover statuary, sculpture, etc., even though considered professional services.

On motion of Mr. Fischer, seconded by Mr. Lockard, the Board ratified actions of the Executive Committee, as requested in the two paragraphs of this item. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

RECOMMENDATION FOR CHANGE IN NAME OF UNIT

The Small Business Institute was established on the Carbondale Campus by action of the Board of Trustees on July 8, 1954, to direct research activities of use to small business concerns of Southern Illinois, to provide instruction leading to degrees for students intending to work in small business and industrial careers, and to provide consultant service to small business and industries of Southern Illinois.

On September 20, 1965, an assistant director of the Small Business Institute was appointed with specific duties to serve the Illinois area of Metropolitan St. Louis from the Edwardsville Campus. Because of the urban character of the area served by Southern Illinois University at Edwardsville, it has been discovered that the focus of University assistance to the business community should be altered from the original charge given to the Small Business Institute to permit concentration upon the following activities:

1. Programs for the mature executive who has acquired policy management responsibilities or who is moving into such responsibilities.
2. Programs designed to meet the special needs of line managers and staff

concerned with operation at the middle and upper levels of the organization.

3. Development of special programs designed to meet the particular management problems of a specific industry.

Because of the change in focus and to provide for a title more descriptive of the actual function of the unit, adoption of the following resolution is recommended:

Resolution

Be it resolved by the Board of Trustees in regular meeting assembled, That the title of the Small Business Institute at the Edwardsville Campus be changed to "Business Institute," with a concomitant change in function focusing upon executive and management development activities suited to the urban characteristics and business community needs of the area.

On motion of Mr. Lockard, seconded by Mr. Fischer, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

REQUEST FOR DIVISIONAL STATUS, NURSING

The Department of Nursing was established by the Board of Trustees in 1953 as an autonomous unit in the University's educational structure. It was formally activated in 1955 on the Carbondale Campus. During its early years, all hospitals in and near Carbondale were utilized for the clinical experiences. In July, 1963, the Board of Trustees approved the moving of the Department of Nursing to the Edwardsville Campus. One of the major reasons for the move to the Edwardsville Campus was to be able to provide a curriculum which would result in combining the supplement of courses for Registered Nurses and the generic areas of study for students who wish to become Registered Nurses into one baccalaureate program. Students in the Nursing program are subject to all the University's rules and regulations which apply to students.

The following comments characterize the present status of the Nursing training program at the Edwardsville Campus:

1. The number of graduates from Nursing for the past six commencements is comparable to that of at least two other Divisions on the Campus.
2. In the very near future the Nursing program will include work through the Master's level.
3. At the present time Nursing is accorded the same privileges and responsibilities of autonomy as are the Divisions within the University at Edwardsville.
4. The Dean of Nursing is a member of the Dean's Conference which acts as an advisory body to the Chancellor.
5. Education for nursing is a recognized professional program.

On the basis of the demonstrated development of the Nursing program, the following resolution is recommended for adoption at this time:

Resolution

Be it Resolved by the Board of Trustees in regular meeting assembled, That the name of the Nursing Unit at the Edwardsville Campus be changed to the Division of Nursing, to function with the present administrative structure and programs in Nursing training, this action being in essence only a change in title.

On motion of Mr. Fischer, seconded by Mr. Hitt, the Board adopted

the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

RESOLUTION TO PARTICIPATE UNDER THE PROVISIONS OF THE ILLINOIS
POLICE TRAINING ACT (AS AMENDED)

Senate bill 648 of the 76th General Assembly for the first time permits campus police to participate in training under the Illinois Local Governmental Law Enforcement Officers Training Board. This also involves a responsibility to bring each new officer to minimum training standards before making his appointment permanent. In order to implement this legislation the Board referred to above requests that the following resolution be enacted:

Resolution

WHEREAS, Southern Illinois University, Carbondale and Edwardsville, is desirous of electing to participate in the benefits provided for in the Illinois Police Training Act, as enacted by the 74th General Assembly of the State of Illinois, and as amended by the 75th and 76th General Assemblies; and

WHEREAS, In order that a State-controlled university, college, or junior college be eligible for initial or continued participation in the program, the law requires that before an individual may commence regular employment as a policeman, or as a security officer, or as a campus policeman, he must have been certified by the Illinois Local Governmental Law Enforcement Officers Training Board as having successfully completed an approved training course; and

WHEREAS, Southern Illinois University intends to provide such required basic training for its new recruit officers at one of the training facilities already certified by the Training Board; and

WHEREAS, Southern Illinois University, Carbondale and Edwardsville, is a State-controlled university, college, or junior college, within the meaning of the Act:

Now, therefore, be it Resolved, That Southern Illinois University, Carbondale and Edwardsville, hereby elects to participate in the program provided for in the Illinois Police Training Act, as amended.

Be it further Resolved, That before an individual may commence regular employment as a security officer or campus policeman, he must have been certified by the Illinois Local Governmental Law Enforcement Officers Training Board as having successfully completed an approved training course as provided in said Act.

Be it further Resolved, That such basic training must be completed by the trainee within his probationary period of six months, or within six months from the date of initial employment.

On motion of Mr. Simonds, seconded by Mr. Lockard, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

OUTSIDE COUNSEL FOR ANTI-TRUST ACTION

Certain major manufacturers of plumbing fixtures have been found guilty of price-fixing in a criminal action, and based on this treble damages are recoverable in a civil action. These cases are set in Philadelphia. It is recommended that the same anti-trust lawyers as have been retained by the Illinois Building Authority be retained by this Board and by the SIU Foundation, so that every structure on campus can be handled together.

Resolution

WHEREAS, The Board of Trustees of Southern Illinois University are charged with the duty to operate, manage, control and maintain the University; and

WHEREAS, The Board of Trustees of Southern Illinois University have learned that the major manufacturers of plumbing fixtures have been found guilty of price-fixing in violation of the Federal Anti-Trust laws; and

WHEREAS, Many of the projects constructed on behalf of the University were so constructed during the period of the conspiracy; and

WHEREAS, The Board of Trustees of Southern Illinois University may, therefore, be entitled to damages as provided by law; and

WHEREAS, The law firm of Concannon, Dillon, Snook and Morton, 111 West Washington Street, Chicago, Illinois, presently represents the Illinois Building Authority and the Public Building Commission of the City of Chicago, in the Multi-District Plumbing Anti-Trust action presently pending in the United States District Court for the Eastern District of Pennsylvania under General Number 41773;

Now, therefore, be it and it is hereby Resolved by the Board of Trustees of Southern Illinois University, as follows:

(1) That a civil action be instituted on behalf of the Board of Trustees of Southern Illinois University, seeking damages for any and all overcharges for plumbing fixtures caused by the conspiracy of the plumbing manufacturers in Case No. 41773, United States District Court, Eastern District of Pennsylvania; and

(2) That the law firm of Concannon, Dillon, Snook and Morton be hereby authorized and employed to represent the Board of Trustees of Southern Illinois University in said action; and

(3) That all fees of said litigation shall be set and fixed by the United States District Court from any damages or settlement received by the Board of Trustees of Southern Illinois University; and

(4) That this resolution shall be in full force and effect immediately upon its passage.

On motion of Dr. Brown, seconded by Mr. Lockard, the Board adopted the resolution presented by the administration. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

SELECTION OF ARCHITECT FOR SCHOOL OF DENTAL MEDICINE,
EDWARDSVILLE CAMPUS

The Design Consultants, University Architect's Office, Chancellor, and Dean of the School of Dental Medicine recommend retaining the architectural and engineering firm of Smith, Hinchman & Grylls for professional services relating to remodeling of facilities on the Alton Campus and the programming, master planning and complete architectural services for the development of physical facilities on the Edwardsville Campus for the School of Dental Medicine. Proposed funding and a contract will be submitted to the Board for approval.

Information regarding the experience of Smith, Hinchman & Grylls Associates, Inc., regarding the planning of dental education facilities, was submitted in advance of the meeting, and a copy was placed on file with the Secretary for deposit in the office of the Board.

On motion of Mr. Simonds, seconded by Dr. Brown, the Board tabled this item and requested that a study be made of the method by which

architects are selected. The motion was carried by unanimous voice vote.

UTILITIES STUDY, CARBONDALE CAMPUS

A Utilities Study including steam, chilled water and electric for the Carbondale Campus has been completed. The report is based on campus building projections through 1979. An estimated total of \$17,803,400 will be required over the next ten years to implement the planning and construction of the following:

1. A new central Power Plant to replace the existing Power Plant.
 - a. The new Power Plant will provide additional steam generation capacity as will be required in the early 1970's.
 - b. The new Power Plant will provide higher steam pressures to permit adequate service to the outlying regions of the campus and the purchase of more efficient steam turbines for refrigeration machines.
 - c. If available and if favorable rates can be obtained, natural gas will be utilized as the prime energy source for the new Power Plant operation in lieu of coal. An investigation is presently being made by CIPS as to the availability of natural gas for this use.
 - d. Location of the new facility is flexible but first consideration should be given to a site within reasonable distance of the existing Power Plant. This new facility would be a low silhouette plant with short boiler stacks and can be made very pleasing architecturally.
2. If a favorable gas rate is not available, the existing coal-fired Power Plant can be expanded to provide additional capacity and higher steam pressures. Highly efficient air pollution control equipment should be installed on all new and existing boilers.
3. Extensions of the existing campus steam distribution system to serve new buildings and to close pipe loops. Also, the addition of higher pressure steam mains to serve the outlying areas of the campus as they are developed.
4. Additional Sub-Central refrigeration plants and the expansion of existing refrigeration plants.
 - a. Develop Phase II of the Refrigeration Plant-South.
 - b. A refrigeration plant to serve the northeast section of the campus as it develops.
 - c. Expansion of the Refrigeration Plant-West.
5. A higher voltage campus electrical distribution system to serve new buildings, improvements to the existing campus electrical distribution system and an additional electric substation.
 - a. A 12,500 volt distribution system with dual feeders (Primary Selective) should be constructed to serve new buildings. This represents greater economy, greater capacity and more reliability as compared to expansion of the existing distribution system.
 - b. The existing 4160 volt radial distribution system should be converted to a Primary Selective system to effect increased capacity and greater reliability.
 - c. A second electrical substation is needed to help implement the new 12,500 volt distribution system and to facilitate future campus expansion. It is proposed that this second substation be located on the west side of the campus.
6. New underground duct banks to accommodate growth and changes in the campus telecommunications system.

As implied by the above, the thrust of the report is that utility projects should be budgeted separately from the building projects that they serve. The report also recommends that this utility study should be updated every five years and that the master utility plan should be integrated with the Campus Master Plan.

Resolution

Be it Resolved by the Board of Trustees in regular meeting assembled, That planning begin at the earliest possible date to implement the recommendations contained in Volume I, Summary and Recommendations of the Utilities Study, Carbondale Campus, as prepared by Consoer, Townsend and Associates and dated 1969 and as briefly described above; however, employment of engineers-architects and letting of construction contracts for such facilities are to be the subject of further recommendations to this Board from time-to-time over approximately the next ten (10) years.

University Architect Charles Pulley introduced Mr. Fred Sanneman of Consoer, Townsend and Associates, Consulting Engineers, to present a summary of and recommendations resulting from a study prepared by that firm.

Mr. Sanneman discussed with the Board some of the problems encountered during the study; namely, the unreliability of the present electric supply; the need for additional steam capacity at the power plant as soon as possible; the need to face the problem of air pollution; and the need for a decision concerning fuel, which also involves problems of equipment. Mr. Sanneman recommended a Campus Master Plan for Utilities, just as for buildings, and updating of the study at five-year intervals. He emphasized the need for a more adequate air-conditioning system, as well as expansion of the refrigeration system.

Several bright spots were mentioned by Mr. Sanneman, such as availability of two electrical power supplies, the existing central refrigeration system, and the central campus utilities control system. He indicated that if natural gas were to be selected as a source of power, rather than coal, the University should be able to negotiate beneficial rates because of the enormous total consumption.

On motion of Mr. Lockard, seconded by Mr. Simonds, the Board approved the plan, subject to review by an individual or firm recommended to the Board by the administration. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

INDEMNIFICATION OF ILLINOIS BUILDING AUTHORITY

Three and a half years ago the University rejected a damaged shipment of card catalog cases for the Edwardsville library, and now the seller has filed a lawsuit against us and the Illinois Building Authority which was to pay for the cases. The Authority in fact did pay for the replacement cases now in the library, and participated in no way in the decision to reject the first order. It is felt that the University should bear the full weight of defense of this case, but in order for us to do so without any conflict of interest on the part of our attorney, we must destroy any adverse interest of the codefendant. For the Authority to avoid having to engage separate counsel, its attorney has requested enactment of the following resolution:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Board acknowledges its sole legal respon-

sibility for the rejection of delivery of card catalog cases under Contract IBA 02-73-38, for the defense of legal actions based thereon, and for the indemnification of the Illinois Building Authority against any legal judgment resulting from any such legal action.

On motion of Mr. Elliott, seconded by Mr. Fischer, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

APPLICATION FOR DEBT SERVICE SUBSIDY GRANT FOR SINGLE STUDENT
HOUSING PROJECT #1 — EDWARDSVILLE

The Board approved going forward with planning beyond preliminary design drawings for this project on March 21, 1969. Pursuant thereto the Treasurer of the Board sought a reservation of Federal funds under the new Department of Housing and Urban Development program for subsidizing all interest costs in excess of 3 per cent, which was granted December 11, 1969. A form accompanying the Fund Reservation indicates the requirement of a formal resolution, specifically authorizing application for this program; the following resolution is therefore recommended for adoption at this time:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That the application of March 25, 1969, by the Treasurer of this Board for Federal debt service subsidy (Form HUD-4501) for Single Student Housing Project #1 of Edwardsville Campus, comprised of housing for 1000 students at an estimated cost of \$8,000,000 capital funds and \$500,000 equipment, be and is hereby formally ratified and approved in all respects as the act of this Board.

On motion of Mr. Lockard, seconded by Mr. Simonds, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

DISTRIBUTION OF BOARD MINUTES FOR PUBLIC INFORMATION

At its meeting on November 21, 1969, the Board charged the administration to present at the January meeting a recommendation concerning the distribution of Board minutes for public information. Several considerations, including a review of practices followed by several other educational boards in the State, suggest that additional study should be directed to the handling of minutes and meeting records before a final recommendation is submitted for Board consideration.

The administration therefore requests that a delay of one month in the submission of the required recommendation be authorized. If such delay is not considered suitable, the administration presents without recommendation the following resolution for Board consideration:

Resolution

Be it Resolved by the Board of Trustees in regular meeting assembled, That a copy of the approved minutes of each Board meeting, with salary figures removed from any personnel matters contained in the minutes, be deposited in the Central Library at each campus following approval by the Board and retained thereafter in those locations for purposes of public information.

On motion of Mr. Elliott, seconded by Mr. Hitt, the extension of time requested by the administration was granted. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

USE OF UNIVERSITY PROPERTY FOR FUND-RAISING, CANVASSING,
SOLICITING, AND VENDING

After some discussion and explanation by Chancellor MacVicar and University Legal Counsel C. Richard Gruny, the Board agreed to defer consideration of this item until the next regular meeting.

Mr. Lockard, Chairman of the Special Committee appointed by Chairman Sturgis on November 12, 1969, indicated that several meetings of the committee had been held, pursuant to proper notice. At a meeting on January 16, 1970, the committee agreed to recommend to the Board of Trustees that the committee be authorized to employ the firm of Cresap, McCormick and Paget as management consultants. He indicated that if the Board approved, the committee would hold one more meeting to work out the contract. He further indicated that the study will cost approximately \$30,000, plus a quarter of that amount for out-of-pocket expenses.

Mr. Lockard then moved that the committee be authorized to employ the firm of Cresap, McCormick and Paget to make a management study of Southern Illinois University pursuant to their proposal of December 31, 1969, and subject to final approval by the committee of a contract of employment. The motion was seconded by Mr. Simonds, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Mr. Elliott moved that the Board go into executive session. The motion was seconded by Dr. Brown and was carried by unanimous vote.

Following the executive session, Mr. Elliott moved that the open meeting be resumed. The motion was seconded by Harold R. Fischer and was carried by unanimous vote.

President Morris presented Requisition 59074-0032, in amount of \$93,192.00 for a pipe organ installed in Shryock Auditorium. Mr. Elliott indicated that he had wanted the requisition presented to the full Board because of the amount of money involved.

On motion of Mr. Elliott, seconded by Mr. Fischer, the requisition in question was approved. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

COOPERATIVE AGRICULTURE PROJECT IN BRAZIL

For approximately one year Southern Illinois University and the Food and Agriculture Organization of the United Nations have been developing a project proposal entitled "Agricultural Education and Research at the Federal University of Santa Maria, Rio Grande" to assist the government of Brazil. This development culminated in the receipt on December 24, 1969, of a proposed contract document signed by the sponsoring party. The proposed contract calls

for the provision, over a four-year period, of faculty from the School of Agriculture in fifteen specialty areas to conduct research, develop curricula and assist in instructional activities.

The funds to be committed by the sponsor total approximately \$1,400,000; therefore, approval by the University Board of Trustees and by the State Board of Higher Education is required. The sponsoring organization desires to have this program commence in March; accordingly, it is hoped that the proposal may be submitted to the State Board of Higher Education at its February meeting. Since University Board of Trustees' approval is required before such submission, the following resolution is recommended for adoption at this time:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That participation of Southern Illinois University in the proposed project "Agricultural Education and Research at the Federal University of Santa Maria, Rio Grande" is approved subject to satisfactory internal clearance and formal University approval of the proposed form of contract and to State Board of Higher Education approval of the program.

On motion of Mr. Hitt, seconded by Mr. Lockard, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Mr. Sturgis announced that one member of the Board had requested further discussion on the question of the Mississippi River Festival, and that if there were no objections, the subject would be reconsidered. No objections were stated, and the Chairman called on Mr. Fischer.

Mr. Fischer indicated that during the past month a not-for-profit corporation had been formed, and that interested individuals are endeavoring to raise funds to make the Mississippi River Festival a reality in 1970. He indicated that the not-for-profit corporation will assume the liability for any indebtedness incurred by the Festival. Mr. Fischer mentioned a news item which appeared in the *St. Louis Post-Dispatch*, indicating that Governor Ogilvie had expressed his hope that Southern Illinois University would support the Festival. He further indicated that a great deal of interest has been expressed by industrial leaders, businessmen, citizens and students of the area. Mr. Fischer then offered the following resolution:

"Be it Resolved, That the Board of Trustees of Southern Illinois University subscribe not to exceed \$75,000 for the continuation of the Mississippi River Festival in a manner to be prescribed by the University Legal Counsel. This subscription is to be made for the educational and cultural benefits to be derived by the students, faculty, staff, and the taxpayers of the area. The Festival can be held in the multi-purpose tent on the Edwardsville Campus but the sponsors must defray the cost of operation. It is further understood that subscription shall be made after the sponsors of the Festival have raised, from other sources, at least the same amount and with the further understanding that the University will not incur any additional liability whatsoever."

Mr. Hitt moved that the Board adopt the resolution presented, and the vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Lockard; nay, Dr. Brown, Mr. Simonds, Mr. Sturgis.

The meeting was adjourned at 4:30 p.m.

THE FEBRUARY MEETING of the Board of Trustees of Southern Illinois University was held in Ballroom "B" of the University Center, Carbondale Campus, on Friday, February 20, 1970, beginning at 9:30 A.M.

The following members of the Board were present: Chairman Lindell W. Sturgis, Dr. Martin V. Brown, Mr. Ivan A. Elliott, Jr., Mr. Harold R. Fischer, Mr. F. Guy Hitt, Mr. Melvin C. Lockard, Mr. Eugene T. Simonds. The Honorable Ray Page was absent.

Also present were President Delyte W. Morris, Chancellor Robert W. MacVicar, Chancellor John S. Rendleman, Special Assistant to the President James M. Brown, Assistant to the President Roland Keene, University Legal Counsel C. Richard Gruny, Treasurer Robert L. Gallegly, Budget Director Clifford R. Burger, Director of University News Services William H. Lyons, University Architect Charles Pulley, University Photographer Robert Stokes; William Eaton, Mayor *Pro Tem* of Carbondale, William Norman, Carbondale City Manager; reporters Dean A. Rebuffoni, *St. Louis Globe-Democrat*, William K. Stercus, *The New York Times*, Doug Thompson, *Alton Evening Telegraph*, Tommy Davis, Ben Gelman, and Margaret Niceley, *Southern Illinoisan*, Judith Waters, *The Alestle*, Phil Heller and Nathan Jones, *Daily Egyptian*; Ken Garen and Steve Robertson, photographers, *Daily Egyptian*; Terry Caldwell, WCIL, Carbondale, I. J. Hudson, WSIU-TV, Pete Brown, University News Services; Dwight Campbell, Student Body President, Richard Wallace, Student Body Vice-President, Nick Fera, Student Body Housing Commissioner, Ken Zucker, representing the "Coalition;" Barbara Creath, Court Reporter, Alice Griffin, Acting Recorder for the Board of Trustees; several hundred unidentified persons.

Chairman Sturgis presented the minutes of meetings of the Board of Trustees held December 13, 1969, and January 21, 1970. On motion of Mr. Lockard, seconded by Dr. Brown, the Board approved these minutes as presented.

Chairman Sturgis presented the Report of Minutes of Meetings of a Special Committee of the Board of Trustees held on December 3, 1969, January 7, January 16, and January 24, 1970:

(Note: In the interest of economy, minutes of Special Committee meetings are not reproduced here; these documents are on file in the Office of the Board.)

On motion of Mr. Elliott, seconded by Mr. Lockard, minutes of this

Special Committee were received and ordered spread upon the Board's minutes. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

By secret ballot, in accordance with Part II, Article II, Section I of the Bylaws of the Board of Trustees, the following members of the Board were elected to serve as officers until their successors were elected and qualified: Lindell W. Sturgis, Chairman; Harold R. Fischer, Vice-Chairman; Melvin C. Lockard, Secretary. Mr. Robert L. Gallegly was designated to serve as Treasurer of the Board.

In accordance with Part II, Article III, Section I of the Bylaws of the Board of Trustees, the following members of the Board were elected to serve as members of the Executive Committee: Martin V. Brown and Ivan A. Elliott, Jr. As stated in the Bylaws, the third member of the Executive Committee shall be the Chairman of the Board.

Without objection, the Chairman of the Board designated the following Board representatives to these five bodies:

Board of Trustees, State Universities Retirement System — F. Guy Hitt
Merit Board, University Civil Service System — Ivan A. Elliott, Jr.

Board of Directors, Southern Illinois University Foundation — Ivan A. Elliott, Jr.

Association of Governing Boards of Universities and Colleges — Martin V. Brown

Board of Higher Education — Melvin C. Lockard as alternate for the Chairman

(Note: Mr. Elliott's term on the Board of Directors, Southern Illinois University Foundation, will expire June 30, 1973. Also serving on this Board are Martin V. Brown, with term expiring June 30, 1972; Melvin C. Lockard, with term expiring June 30, 1971; and Chairman Lindell W. Sturgis, *ex officio*.)

The Board then heard Mr. William Norman, Carbondale City Manager, introduce Councilman William Eaton, Mayor *Pro Tem* of the City of Carbondale. Mr. Eaton made a brief presentation on behalf of the City, requesting that the City be permitted to annex the remaining portion of the academic Carbondale campus of Southern Illinois University which is not presently within the City Limits of Carbondale. He pointed out a considerable tax advantage to the City, adding that the City would be willing to reimburse Jackson County for its loss of funds, if such annexation should be authorized. Also, he cited the fact that there probably could be an arrangement worked out concerning the Utility Tax which would be charged to the University in the event of annexation. He strongly urged that the University agree to annexation.

At the conclusion of Mr. Eaton's remarks, at the request of the Chairman, C. Richard Grunty, University Legal Counsel, pointed out that the

figures of dollar benefit to the City of Carbondale which he had furnished the Board were based on projections of 1970 tax rates, and that a large portion of the University was already within the City Limits. He estimated the cost to the University which would be brought about by utility taxes and also the possible cost of building permits for University construction if H.B. 1013 were to be reintroduced and passed. Currently, most major construction is out of the City Limits, but a building permit for Life Science II would have cost approximately \$22,500, and there seems no assurance that this legislation will not be reintroduced in the future. In addition, he cited the practice that, when there is a specific expense caused directly by the existence of the University, the Legislature commonly makes a special appropriation usable by the City only for that purpose; whereas annexation would provide "free money" with no requirement that the City use it for the problems which they say are caused by the University. Also, he raised a legal question as to whether the City could reimburse the County for lost revenue. Further, it was pointed out that once the University was annexed to the City, it could not be de-annexed without the City's consent. He suggested less cost in annexing only the campus east of the Illinois Central Railroad, but said that in order for the University to pay the appurtenant utility taxes, it might have to raise dormitory charges since the Board of Higher Education's practice precludes meeting this cost from other sources.

Mr. Gruny read a letter addressed to the Board of Trustees from W. I. Brandon, Chairman, Jackson County Board of Supervisors. Mr. Brandon expressed the opposition of the Board of Supervisors to the annexation. One of the primary considerations of the Board of Supervisors is to maintain the income from tax revenues which the County receives from the Carbondale Campus. It is the opinion of their attorney that the County Board cannot enter into any agreements with the City of Carbondale under which the City would give or share revenue with the County.

At the conclusion of Mr. Gruny's remarks, President Morris reported that he has requested a tabulation of University expenditures over the years for the City or for mutual advantage of the City and the University. This list is not as yet complete, but it already runs over four pages; the largest expenditure was \$546,000, another in excess of \$500,000, down to items of \$1,700 or less. He added that the picture, when put together, is rather massive, and it would seem to indicate that the substitution of direct annexation would be to the disadvantage of the City. It would seem to be wise to complete this list and make the information available to the Board before action is taken.

Mr. Gruny said that the newspapers suggested the figure of \$15,000 which the County receives from our sales tax, and that the actual figure was nearer \$6,650.

Mr. Elliott asked just how much of the University is presently in the City, and Mr. Gruny explained what portion of the University was inside the City, being approximately one-third of the built-up portion.

On motion of Mr. Fischer, seconded by Mr. Lockard, the Board denied the request of the City for annexation. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Matters Presented by President Morris

THE FOLLOWING UNIVERSITY MATTERS were presented by the administration for consideration by the Board of Trustees:

THE ESTABLISHMENT OF A DEPARTMENT OF LINGUISTICS IN THE COLLEGE OF LIBERAL ARTS AND SCIENCES, CARBONDALE

Programs dealing with the field of linguistics have been growing and maturing within the Department of English for the last several years. These programs include a master's degree in the teaching of English as a foreign language. On August 15, 1969, the Board of Trustees authorized the development of a master's degree in linguistics itself.

A careful review of the status of linguistics has been conducted by the Dean of the College of Liberal Arts and Sciences and the Dean of the Graduate School, resulting in the joint recommendation of these officials for the creation of a separate administrative unit in the College of Liberal Arts and Sciences to promote the development and administration of activities in this field.

Most major universities and many minor ones have departments of linguistics; and a strong program in this field at Southern Illinois University would clearly strengthen a number of University programs such as anthropology, foreign languages, speech pathology and audiology, education, psychology, the school of medicine, and such units as the Center for Vietnamese Studies and Programs. Distinguished linguists and promising new graduates in linguistics are in short supply. Competition for their services is keen and will probably become keener. Such individuals tended to choose universities which have departments of linguistics with the advantages, privileges, autonomy, and self-determination usually accorded to any department in the university.

No special problems are foreseen with the establishment of the proposed Department of Linguistics. This reorganization simply entails an administrative severance from the Department of English and a separate allocation of budget therefor. It is a step toward decentralization which would tend to simplify the present complex structure. The present Department of English supervises well over 100 faculty members. In comparison, the new Department of Linguistics would be relatively small. The present program in linguistics involves approximately six FTE faculty and six graduate assistants. With the possible exception of a new chairman, no new faculty would be employed beyond that which is necessary for the normal development of the program.

It should be anticipated that some new programs in linguistics including the possible consideration of a Ph.D. program should be anticipated in this field whether the new department is established or not. However, the establishment of a separate department should enhance planning and budgeting for such matters. For these reasons, the following resolution is recommended to the Board for its approval.

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That the administration be authorized to reorganize the Department of English on the Carbondale campus, separating from that Department the programs and personnel dealing with the field of linguistics.

tics and establishing within the College of Liberal Arts and Sciences a new Department of Linguistics subject to approval by the Illinois Board of Higher Education.

On motion of Dr. Brown, seconded by Mr. Hitt, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

REPORT OF JUNE AND AUGUST, 1969, GRADUATES

Following are summaries showing the number of degrees and certificates awarded at the June 10 and 11, 1969, commencements and at the August 29 and 30, 1969, commencements. Copies of the official corrected commencement programs, showing the names of students to whom degrees and certificates were awarded, have been placed on file in the office of the Board. These programs have been certified by the Registrar.

On motion of Mr. Lockard, seconded by Mr. Fischer, the Board approved and ratified the report of June and August, 1969, graduates. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL

Additions and changes in faculty-administrative payroll were reported and approval requested. (See Appendix I.)

On motion of Dr. Brown, seconded by Mr. Lockard, the Board approved all changes in faculty-administrative payroll, as recommended. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

CONSIDERATION OF ACTIONS OF THE EXECUTIVE COMMITTEE

It is requested that the Board of Trustees consider and ratify actions of the Executive Committee in approving requisitions and the report of purchase orders and contracts awarded for the Carbondale and Edwardsville campuses during December, 1969. The detailed report of purchase orders and contracts was mailed to the members of the Board in advance of this meeting, and copies were placed on file in the office of the Board.

By letter dated January 6, 1970, the Executive Committee was asked to consider rejection of bids received December 23, 1969, for FM Transmitter Building Utilities, Edwardsville Campus. The Executive Committee has indicated approval of rejection of the bids received. It is therefore requested that this action be ratified also.

A report of purchase orders and contracts amounting to less than \$2,500, in the total amount of \$382,121.46 for Carbondale Campus and \$137,275.49 for Edwardsville Campus, awarded during December, 1969, was considered. Also considered were purchase orders and contracts amounting to \$2,500 or over, including actions of the Executive Committee in approving requisitions amounting to \$5,000 or over. The total of this portion of the report was \$234,885.48 for Carbondale Campus and \$189,686.05 for Edwardsville Campus.

Dr. Brown raised a question concerning four people who were paid honoraria for lectures; he wanted to know if the names were those of the artists or agencies. Chancellor Rendleman advised that the names were those of artists. Dr. Brown also asked what restricted funds were involved. Chancellor Rendleman advised that they were either student activity fees or a special grant. Dr. Brown inquired of the necessity for a collection agency. Chancellor Rendleman responded and Clifford Burger, Budget Director, advised that this is not done until we have exhausted all other means.

Mr. Fischer inquired about the penalty payment on page 31(e); Chancellor Rendleman replied because of the bad weather, an access road was delayed which threw other schedules into the winter.

In response to a question by Dr. Brown, Chancellor MacVicar advised that in the last year and a half, major events in the Arena have been breaking about even.

On motion of Mr. Lockard, seconded by Mr. Hitt, the Board ratified actions of the Executive Committee. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Mr. Elliott said he wished to submit Requisition No. 32665-2081 for \$180,000 for a printing press, which is a part of the equipment required for a building to be occupied by the Department of Journalism, to the entire Board. The Board was advised by Chancellor MacVicar that it was the opinion of the consultants that a press of this capacity will be needed for the *Daily Egyptian*, and which will permit use of full color. The *Egyptian* at the present can do only two colors. This does not require release of funds from the Governor and the Board of Higher Education. Robert L. Gallegly, Treasurer, said that Phase II for the entire project is \$4.7 million. There is a \$1 million grant from H.E.W. which includes \$500,000 for printing and communications equipment released by the Governor's Office in December, 1969, for the project. This printing press is one of the items within this release. Ben Gelman, of the *Southern Illinoisan*, inquired about future changes in *Egyptian* policy, and was advised that none were contemplated. Dr. Brown asked whether there would be other items coming along, and was advised that there would be some small ones. Chancellor MacVicar advised that these would probably be in photography. On motion of Mr. Elliott, seconded by Mr. Hitt, the Board approved the requisition. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

DUPLICATE REVENUE BONDS RESOLUTION

Shearson Hammill & Co., Incorporated, New York, New York, has reported to the University Treasurer that it is the owner and holder of Southern Illinois University Dormitory and Apartment Revenue Bonds, Series A of 1960 (Thompson Point, Southern Hills Phase II, and Group Housing Phase II) in the amount of \$9,000 which have become lost or apparently destroyed. Board approval is recommended for the following "Duplicate Bonds Resolution" so we may issue duplicate bonds with appropriate coupons attached for each of the nine (9) \$1,000 Lost Bonds:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University at Carbondale, Illinois as follows:

Section 1. It is found and declared:

a) This Board of Trustees duly authorized by a Resolution adopted and approved March 2, 1961, the issuance of \$3,900,000 aggregate principal amount of Southern Illinois University Dormitory and Apartment Bonds, Series A of 1960, numbered AM-1 through AM-3,900, inclusive. All of those bonds were duly and validly issued to the purchasers thereof on May 3, 1961.

b) Shearson Hammill & Co., Incorporated has delivered an Affidavit to the Treasurer of Southern Illinois University stating that it is the owner and holder of the following bonds of the Southern Illinois University Dormitory and Apartment Bonds, Series A of 1960:

Bond number AM-3105, due February 1, 1996, in the denomination

of \$1,000 with coupons attached payable August 1, 1969, and thereafter, payable to bearer; and

Bonds numbered AM-2751 through AM-2758, inclusive, due February 1, 1994, each in the denomination of \$1,000, with coupons attached payable August 1, 1969, and thereafter, and payable to bearer, but that those bonds so held (the "Lost Bonds") have become lost or apparently destroyed. A true copy of the Affidavit received from Shearson Hammill & Co., Incorporated is attached to and made a part of this Resolution as Exhibit A.

c) Shearson Hammill & Co., Incorporated has also delivered to the Treasurer of Southern Illinois University an indemnity insurance policy of Hartford Accident and Indemnity Company insuring the University and others against any loss in regard to the Lost Bonds or the issuance of duplicate bonds therefor. A true copy of the indemnity insurance policy is attached to and made a part of this Resolution as Exhibit B.

Section 2. On the basis of the Affidavit and indemnity insurance policy described above, it is determined to issue duplicate bonds with appropriate coupons attached for each of the Lost Bonds. The Treasurer of Southern Illinois University is authorized and directed to cause duplicates of the Lost Bonds to be printed and prepared, at the expense of Shearson Hammill & Co., Incorporated. The appropriate officers of the Board of Trustees of Southern Illinois University and the State Treasurer of the State of Illinois now or hereafter in office are authorized and directed to execute and deliver the duplicate bonds to Shearson Hammill & Co., Incorporated, together with duplicates of all coupons on the Lost Bonds, payable on August 1, 1969, and thereafter, and not paid as of the date of delivery of such duplicate bonds.

Section 3. The Treasurer of Southern Illinois University is authorized and directed to take all steps and incur all expenses necessary to carry out the preparation, execution, issuance and delivery of the duplicate bonds and coupons and to make or cause to be made all necessary requests, filings and representations to the State Treasurer of the State of Illinois now or hereafter in office in order for him to execute the duplicate bonds and coupons authorized by this Resolution.

Passed and approved _____, 19____

Chairman
BOARD OF TRUSTEES

ATTEST:

Secretary
BOARD OF TRUSTEES

On motion of Mr. Lockard, seconded by Dr. Brown, the Board adopted the Duplicate Bonds Resolution. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

A section concerning a grant of underground cable easement to the General Telephone Company, Carbondale Campus, was withdrawn.

A section concerning the appointment of employer's representative to

the University Civil Service System Merit Board for the Edwardsville Campus, was withdrawn upon suggestion of President Morris.

A section concerning novation agreement of airport operator's lease and rental of airport building facilities, was withdrawn upon suggestion of Chairman Sturgis.

A section concerning amendment of Board actions reporting personnel matters, was withdrawn upon suggestion of Mr. Elliott, with the request that an alternate recommendation be submitted.

F. M. TRANSMITTER BUILDING, EDWARDSVILLE CAMPUS

On January 23, 1970, bids were received for the Transmitter Building, Sanitary Sewer and Domestic Water. The low bids are indicated on the attached tabulation.

The building construction cost exceeds the original estimate of \$45,000 because the estimate was made prior to the preparation of detailed technical requirements. The architect indicates an estimated increase of 25% for this project because of winter season construction and a ninety-day construction time limit.

The cost of utility extensions, \$11,226 represents a saving of approximately \$5,000 compared with bids for these items received on December 23, 1969, and subsequently rejected by the Board of Trustees.

Attached is a copy of the architect's recommendation, dated January 23, 1970, that the low bid be accepted. This recommendation is concurred in by Chancellor Rendleman and the University Architect's Office.

The Administration requests approval of the Board of Trustees to award contracts in the amount of \$71,139 for the construction of an F. M. Transmitter Building. The following resolution is therefore recommended for adoption at this time:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That the following bids for construction of FM Transmitter Building, Sanitary Sewer and Domestic Water on the Edwardsville Campus are deemed the lowest responsible bids and hereby accepted by the said Board:

1. Building:			
General Construction	Ed Moore Construction Co.		
	Highway 111		
	Granite City, Ill.		\$37,423
Electrical Work	A B C Service		
	2101 Washington		
	Granite City, Ill.		16,600
Heating, Ventilation & Air Conditioning	France Plumbing & Heating		
	503 E. Vandalia		
	Edwardsville, Ill.		4,310
Plumbing	Gent Plumbing & Heating		
	311 N. Main Street		
	Edwardsville, Ill.		1,580
Subtotal			\$59,913

2. Outside Utilities:

Sewer and Water

Gent Plumbing & Heating
311 N. Main Street
Edwardsville, Ill.

\$11,226

Total

\$71,139

And be it further Resolved, That the bidders be so notified by the University Architect, and that, subject to compliance by bidders with the terms contained therein, contracts therefor shall be awarded to such bidders duly executed on behalf of the Board of Trustees.

On motion of Mr. Simonds, seconded by Mr. Lockard, the Board adopted the resolution. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

PROPOSED REQUISITION POLICY AND PROCEDURE STATEMENT

Policy Statement

General

The Board of Trustees, Southern Illinois University, has delegated to the University Purchasing Officer, through appropriate administrative channels, the authority to purchase goods and services. All purchases are made in accordance with Purchasing Rules and Regulations approved by the Board and filed with the Department of General Services of the State of Illinois.

Requisitions

Authorization by the Board of Trustees for expenditure of University funds will precede formal commitment of funds except in the following instances, when prior approval by the Board is not required:

- I. Any specific commitment initiated by a requisition involving less than \$5,000, and not for architectural, engineering, and artistic fees nor for items funded from Student Welfare and Recreational Facility Building Trust Fund (SWRF).
- II. Any specific commitment initiated by a requisition involving \$5,000 or more or excepted in the preceding paragraph when the requisition has been approved in advance by any two of the three members of the Executive Committee. This category of commitment also includes requisitions requesting multiple deliveries over an extended period of time. Additional prior approval of a supplemental requisition will be required if the amount of the supplement is in excess of 20% of the amount originally approved by the Executive Committee, or \$5,000, whichever is greater.
- III. Requisitions for the purchase of goods and services of a routine nature necessary for normal and usual operation of the University, where such goods and services are available from only one source of supply or where in actual practice no price selection is possible.

Requisition Procedure

The various offices and departments of the University communicate their requirements for commitments to the appropriate office by means of a requisition. When properly approved, the document constitutes authority for making commitments according to the procedures described in these regulations:

- I. For requisitions involving expenditures for a specific commitment less than \$5,000, appropriate departmental approvals are obtained in accordance with University policy. No prior approval is required by the Executive Committee or the Board of Trustees, except for architectural, engineering, and artistic services or items funded to Student Welfare and Recreational Facility Building Trust Fund (SWRF).
- II. For requisitions involving the expenditure for a specific commitment of \$5,000 or more or excepted in the preceding paragraph, prior approval is required by any two of the three members of the Executive Committee before the commitment of funds can be made. Fiscal officers will obtain appropriate internal approvals on the requisitions in accordance with University policy. After preparation of a letter of justification, this letter and attached requisition will be forwarded to the Campus Purchasing Officer, or if relating to capital funds, to the Treasurer. Requisitions that require Executive Committee approval will be reviewed by the Campus Purchasing Officer or the Treasurer. Using the letters of justification as sources of significant information, letters of transmittal will be prepared for the President's signature. Information included in letters of transmittal will state source and availability of funds, method of procurement and recommendation for purchase or award. Letters and attached requisitions will be forwarded from the Campus Purchasing Officer or the Treasurer to the office of the Chancellor for presentation to the President and for transmittal to members of the Executive Committee.
- III. For requisitions involving expenditures of a routine nature necessary for normal and usual operation of the University, where there is only one source of supply or in actual practice no price selection is possible, appropriate internal approvals are obtained in accordance with University policy. These requisitions require neither Executive Committee nor Board of Trustees approval; they will involve such items as the following:
 1. Postal charges purchased from the Postmaster and locked in the postage meter machine.
 2. Postage stamps, post cards, and bulk mailing.
 3. Telephone service.
 4. Electrical energy.
 5. Natural gas.
 6. City water and sewerage charges.
 7. Freight and express and interstate moving expenses.
 8. Rental of various physical facilities.
 9. Library cards procured from the Library of Congress.
 10. Annual renewal insurance premiums in years subsequent to the year in which the original insurance was contracted.
 11. Textbooks for the textbook rental program and books sold through the University stores.
 12. Subscription to journals and periodicals.
 13. Books and bound periodicals.
 14. Professional and technical services, excluding artistic, architectural, and engineering services.
 15. Credit card encumbrances for usual and customary automotive service station charges. Repair work other than the minor or emergency type must have previous approval of Transportation Service.
 16. Annual rental of equipment in years subsequent to the year in which the original requisition was approved for installation such as data processing equipment, photostatic copiers, accounting machines, and similar items.
 17. Payments for items from specific single-item appropriation such as I.B.A.

lease rental payment and retirement contributions, but excluding capital items.

Monthly Reporting Procedure

- A. A monthly report summarizing all Purchase Orders and Contracts against University funds for the period shall be submitted to the Board of Trustees for information.
- B. This report shall be submitted directly to the President for transmittal to each Board member in advance of the meeting without prior submission to the Executive Committee.
- C. The report shall be divided into two parts, one for each campus, and also be divided into capital and operating items and into sections as follows:
 1. Individual Purchase Orders and Contracts each involving less than \$1,000. Summary only is required showing the number of such commitments and total dollar amount.
 2. Purchase Orders and Contracts each involving amounts from \$1,000.00 through \$4,999. Information required: Requisition number, vendor, description of item, amount.
 3. Purchase Orders and Contracts each involving \$5,000.00 or over. Information required is the same as for the \$1,000.00 through \$4,999 category, plus the following:
The names of bidders, the amount of bid by each, the number of vendors invited to bid and declining, whether the requisition was approved by the Executive Committee, and basis of award if other than by low bid meeting specifications.
 4. If a speaking or performing fee is indicated in 1, 2, or 3 above, the name of the individual or group, and the amount of the remuneration will be provided in a separate list attached to the report.
 5. A summary sheet shall be provided.
 6. A copy of this procedure, and future amendments thereto, will be attached to the report.

[NOTE: Several minor changes in wording were requested and have been incorporated in this policy statement.]

On motion of Mr. Elliott, seconded by Dr. Brown, the Board approved the proposed requisition policy and procedure statement. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

PROCEDURE FOR SELECTION OF ARCHITECTS AND ENGINEERS FOR PLANNING PROJECTS

The name of an architectural firm was submitted to the Board of Trustees on January 17, 1970, for consideration in connection with the planning for the School of Dental Medicine at the Edwardsville Campus. The Board tabled this item and requested a study of the method by which architects are selected.

Attached are the following enclosures describing the University's procedure for selection of architects and engineers for planning projects:

1. Enclosure "A" - Procedure for Selection of Architects and Engineers for Southern Illinois University Projects.
2. Enclosure "B" - Matters Presented by President Morris (From the Minutes of the Southern Illinois University Board of Trustees Meeting of November 10, 1966).
3. Enclosure "C" - Proposal for Architectural Planning (From the Minutes of the Southern Illinois University Board of Trustees Meeting of April 7, 1967).

4. Enclosure "D" – Southern Illinois University, Board of Architectural Consultation, Organization and Function, January, 1967.

"A" – PROCEDURE FOR SELECTION OF ARCHITECTS AND ENGINEERS
FOR SOUTHERN ILLINOIS UNIVERSITY PROJECTS

A. *Background:*

On November 10, 1966 and April 7, 1967 Board action created the Architectural Board of Consultation to serve in an advisory capacity for the University Architect, the administration and the Board of Trustees, primarily for the Carbondale Campus (see Enclosures "B" and "C"). A similar function called the Design Consultants has also emerged for the same purpose for the Edwardsville Campus.

B. *Architects and Engineers Selection – General Procedure:*

1. Recommendations for the selection of architects and engineers are made by the University Architect and the Architectural Board (for Carbondale Campus) and Design Consultants (for Edwardsville Campus). One firm is recommended to the President, through the Chancellor, and if they concur this recommendation is presented to the Board of Trustees for approval.

(a) A file of data on each firm interested in working for the University is maintained in the University Architect's Office.

(b) Interviews with representatives of the firm are held in the University Architect's Office.

(c) When we are ready to recommend architects for a project, at least three (3) firms are considered after discussion with the Architectural Board or Design Consultants.

C. *Specific Techniques and Procedures Requiring Submittal of Data or Checking on the Following:*

1. Background of experience, indicating major projects completed.
2. Short history of firm.
3. Organization-listing of employees in various categories.
4. List of major projects in process of development.
5. Professional goals and philosophies.
6. Name of mechanical, electrical and structural engineers used by the firm.
7. Visit to the firm's office and completed building projects.
8. Check with owners of projects completed by the firm.
9. The review of a set of contract documents.
10. Creative ability, imagination and design talent.

"B" – (NOTE: See 1966-1967 *Annual Report of Board of Trustees*, Southern Illinois University, pp. 62-63)

"C" – (NOTE: See 1966-1967 *Annual Report of Board of Trustees*, Southern Illinois University, pp. 129-130)

"D" – SOUTHERN ILLINOIS UNIVERSITY BOARD OF ARCHITECTURAL
CONSULTATION ORGANIZATION AND FUNCTION JANUARY 1967

The Board of Architectural Consultation, hereafter called the Board, was discussed by the Board of Trustees on September 23, 1966 and approved by action of the Board on November 10, 1966, and its operation remains under their continuing review.

The Board is concerned with the development of the Carbondale Campus. Through the University Architect it may also be kept informed of development at the Edwardsville Campus so that conflicting or inconsistent policies may be avoided.

The Board serves in an advisory capacity for all matters relating to campus planning and architectural design. It recommends general and specific policies,

periodically reviews the Master Plan, makes recommendations for building sites, recommendation for selection of architects and other design consultants, and reviews the design of new building projects.

I. COMPOSITION

The Board consists of three members selected for high professional knowledge in areas related to planning and architectural design. These members are appointed by the President with the approval of the Trustees and serve at the pleasure of the President and Trustees.

II. PROCEDURE

The Board performs its functions in liaison with the University Architect, who provides the information on which their recommendations are based. The University Architect prepares agenda for all Board meetings and forwards them to the members in advance of meeting.

The Board elects a Chairman and a Secretary from its membership. The Chairman is responsible that all recommendations are transacted by majority vote. Following such vote, the Secretary prepares all recommendations in writing for submittal to the University Architect.

The University Architect includes these recommendations in his minutes of meetings which are reproduced and circulated to members of the Board and elsewhere as policy may require.

III. ADVISORY RESPONSIBILITIES

The Architectural Board serves in an advisory capacity with reference to the development of the University Campus. It recommends to the University such architectural and planning principles and policies as it considers appropriate and advantageous for guiding the physical growth of the campus and its facilities. The University refers all architectural and planning matters, except interior remodeling, utility and minor grounds projects, to the Board for review and recommendation. The University Architect is responsible for the presentation of architectural and planning matters to the Board with the assistance of other members of the University staff, Project Architects, and Consultants.

IV. MASTER PLAN

From time to time proposals are made for the future physical development of the University campus. Such proposals as are adopted as part of an orderly policy are considered to constitute the Master Plan. It is the function of the Board to review the Master Plan periodically and to make recommendations concerning the status, improvement, and elaboration of this Master Plan. The Board has a special responsibility for the development of the aesthetic potentialities of the campus.

V. SPECIFIC PROJECTS

Specific portions of the campus development reach the status of projects through stages that include program development, site selection, and architect selection. These stages are subject to the Board's review and recommendation. The Board may assist in instructing the Project Architect at the inception of projects.

The work of the Project Architect is referred to the Board from time to time and especially at the completion of schematic and preliminary design phases of the work. The Board may make recommendations for approval, for changes, or for further study, but any recommendations involving additional expense to the University are subject to the approval of the Vice-President of Business Affairs.

"Approved by Vice-President for Business Affairs, John S. Rendleman, in accordance with his letter of February 3, 1967."

President Morris explained that this item relates to a question asked at the last Board meeting, and he has brought together here the record of the actions of the Board between 1966 and January, 1970. He asked Mr. Charles Pulley, University Architect, to review the policies of the Board.

Mr. Pulley explained that we have an Architectural Board of Consultation for Carbondale and a Design Consultants group for Edwardsville. Their recommendations for selection of architects and engineers go through the University Architect to the President through the Chancellor, and this recommendation is presented to the Board of Trustees.

Following the presentation, Mr. Simonds said he would like to study this matter further and Chairman Sturgis said it would be deferred until the next meeting and be put on the agenda.

OLD MAIN AREA

At a meeting on February 12, 1970, the Architectural Board reviewed alternate possibilities for the development of the Old Main Area. The Architectural Board made the following statement as a part of the minutes of their meeting:

"We recommend that work on the remnants of Old Main proceed in a manner to least inhibit future options. Specifically, we recommend that the walls of Old Main be taken down to the top of the sandstone base, that they be capped, the inside be cleaned, the wood floor removed, and the area filled with earth to the level of the surrounding grade. We believe that the retention of these walls can be achieved within the \$250,000 allocated for 'razing and restoring,' however, this belief has to be tested by actual bids.

"The interim use of the space, enclosed by the stone walls, can include outdoor classes, musical and theatrical events in the evening, and promenade space for Shryock activities.

"These recommendations are independent of the recommendation that support be sought from Alumni for the reconstruction of the Old Main Tower."

The administration concurs with the recommendation of the Architectural Board. A drawing will be presented at the Board of Trustees meeting showing Old Main razed to the top of the sandstone base. The administration requests approval of the Board of Trustees to proceed to take bids for the razing and restoring of the area around Old Main.

Mr. Pulley advised that several possibilities have been considered for the Old Main Area considering the addition of space for the School of Fine Arts. Mr. Pulley presented a drawing, showing the proposal for razing of Old Main walls to the belt course of sandstone, which would not preclude the later construction of a tower as a memorial to Old Main.

Upon Mr. Pulley's remark about planting grass, applause broke out among the spectators. President Morris declared: "There will be silence in the room or the room will be emptied."

Following the presentation by Mr. Pulley, Mr. Gallegly stated in response to a question by Mr. Elliott, that the funds for this project have to be committed by June 30 and expenditure not later than September 5 or 10, depending upon what date the Department sets. Mr. Elliott requested that the matter be deferred. The consensus was to defer it until the next meeting.

PEDESTRIAN OVERPASS, CARBONDALE CAMPUS

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That the following bid for construction of a pedestrian overpass over the Illinois Central Railroad and U. S. Highway 51, access stairway thereto, and relocation of Harwood Avenue, Carbondale Campus, is deemed the lowest responsible bid and hereby accepted by the said Board:

General Construction	J. L. Simmons Company	\$467,873.55
	P. O. Box 69	
	Decatur, Illinois	

And be it further Resolved, That the bidder be so notified by the University Architect, and that, subject to compliance with the terms contained therein, a contract therefor shall be awarded to such bidder duly executed on behalf of the Board of Trustees.

On motion by Mr. Simonds, seconded by Mr. Lockard, the Board accepted the low bid and adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

USE OF UNIVERSITY PROPERTY FOR FUND-RAISING, CANVASSING,
SOLICITING, AND VENDING

To serve as a supplement to the "Policies Governing the Use of University Property for Scheduled Events and Meetings," which became effective September 1, 1967, and to support the effective use of University property in activities directly involved in performance of the University's mission of instruction, research, and service, the following resolution is recommended for adoption at this time:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That the following Policies Governing the Use of University Property for Fund-Raising, Canvassing, Soliciting, Vending, and the allied advertising, shall be in effect from and after January 1, 1970, and all other policies and regulations inconsistent therewith are as of this date repealed. The President of the University is specifically authorized to except certain types of educational, cultural, and service activities from the operation of these policies, and may as usual delegate through established channels the authority for administration of these policies.

POLICIES GOVERNING THE USE OF UNIVERSITY PROPERTY FOR FUND-RAISING,
CANVASSING, SOLICITING, VENDING, AND ALLIED ADVERTISING

1. Fund raisers, canvassers, solicitors, vendors, and agents are forbidden to pursue their occupations on any property owned or controlled by the University except on official University business or in accordance with policies to except certain educational, cultural, and service activities. Proper notice of the policy shall be given.

2. No person shall conduct such activity without first having procured credentials identifying him as the agent for an activity within one of the above exceptions, nor when an otherwise excepted activity disrupts or interferes with or might reasonably lead the responsible administrative officer to forecast substantial disruption of or material interference with the official operations of the

University; the normal flow of vehicular and pedestrian traffic; conditions compatible with instruction, research, study, rehearsal, and practice; and health, sanitation, and safety of the University students, staff, and invitees. In addition, no such person shall in the course of such occupation purvey any material which contains, or publish about such material, statements which are willfully scurrilous or profane, demonstrably without factual foundation, malicious in law, or intentionally misleading or fraudulent, unless such statements are within the constitutional protection of the First Amendment or other legal privilege, nor shall any such person engage in any unlawful act in the course of such occupation.

3. This policy shall be administered in compliance with codified regulations and procedures developed by suitably authorized officials.

4. The following guidelines shall serve as standards for classification as an acceptable educational, cultural, or service activity as expressed in paragraph 1 above in any such regulations and procedures.

a. An educational or cultural activity may warrant such classifications when it is an activity of or sponsored by a college, school, unit or department of the University including recognized student organizations and when the major aspect of the activity is the display or exhibition of goods, products, or materials for the educational or cultural benefit of persons enrolled, registered, invited, or otherwise formally involved in the activity.

Examples of such activities are the Sports Clinics sponsored by the Department of Athletics, Summer Bookmen's Exhibit sponsored by the College of Education, Reading Conference, and the Library Materials Exhibit sponsored by the University Library.

b. A service activity performed by an accredited representative of a bona fide organization which is of benefit to the education and welfare of members of the University community or its service areas, or both, may also warrant such classification. All charitable solicitations must conform to law and comply with the highest standards of disclosure of and accountability for funds received.

Examples of such activities are the Campus United Fund Drive, the Student March of Dimes Drive, the Housing Business Services Program which provides for the personal needs of residents of University Housing areas, and the program whereby the University provides contractual services.

5. The credentials of such persons may be revoked for cause on the following grounds.

a. Misrepresentation at the time of application.

b. Material alteration or loss of an organizational characteristic essential to its continued compliance with a standard of classification under paragraph 4 above.

c. Misconduct under paragraph 2 above.

Dr. Brown stated that he was not satisfied with the policy, as he has reservations about University facilities being used for any activities for raising money. He asked what provisions were made to prevent any recurrences in the event some group should violate the policy. Mr. Gruny advised that credentials would be revoked or the group could be barred from scheduling a campus facility for a period of time. Dr. Brown suggested that the application blank state that the group does not anticipate soliciting contributions, and Mr. Gruny agreed that this was an excellent suggestion.

On motion of Mr. Elliott, seconded by Mr. Fischer, the Board adopted

the resolution as presented. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, Dr. Brown.

Chairman Sturgis stated that at this time, he had been requested to let Chancellor MacVicar present a matter.

Chancellor MacVicar stated that it was in the tradition of American democracy that petitions may be delivered to official boards, and even though in this particular instance he did not think due protocol had been followed, nonetheless, he understood that a delegation wished to present a petition or to read a statement. Pursuant thereto, he introduced Rich Wallace, Vice-President of the Carbondale Student Body.

Rich Wallace requested that the Board of Trustees listen to and seriously consider demands from the "Coalition," to be stated by Ken Zucker. The "Coalition" was represented as including every student activist or progressive group on campus. He stated a hope that these demands would be listened to, officially placed in the minutes, and some quick decision made. He said they had tried to be nonviolent in the past and had been attacked, and once again were trying, but were not going to be able to guarantee anything else after today. If they were not listened to, if they were attacked and beaten again, they were going to have to relate to self-defense in any way necessary.

There were outcries and applause, whereupon President Morris stated: "I think that perhaps there was a misunderstanding when I said that if order is not maintained and if there is not an absence of a festival atmosphere that I will recommend that the room be cleared. It is quite appropriate for you to speak; it is not appropriate to bring pressure by other than orderly means. Mr. Wallace, can you hold that atmosphere?"

Mr. Wallace replied: "I am sure we can."

Mr. Simonds asked: "Let me ask you a question? Was that a threat you just made, podnuh?"

Rich Wallace replied: "You know, if anybody was present at Woody Hall last Friday, you know, like we say we are engaged in conversation here. We are not making threats — we just said that if we are attacked, we will defend ourselves. That is not a threat by any means as far as I am concerned. Human beings defend themselves when they are attacked. That's all I'm saying. We are not threatening anybody. People are threatening us all the time. Okay, at the present time, Mr. Ken Zucker would like to read a list of demands to the Board of Trustees."

Mr. Ken Zucker read the following:

The Coalition, a loosely organized group, representing the voice of many concerned students, faculty, townspeople, and others demand the following statements be met within thirty days excluding demand number four which must be met with an immediate response:

1. The immediate termination of the A.I.D. grant that is directly connected with the Center for Vietnamese Studies and Programs.
2. Formation of a faculty-student review board that will investigate any technical assistance grant SIU has now or will receive in the future. This coun-

cil will investigate the true purposes of these grants, its members, and all its other components.

3. Total elimination of all student, faculty, and townspeople's political files that presently exist supposedly at the SIU Security Office.

4. Amnesty for the six persons arrested on January 29, 1970, and the thirteen persons arrested on January 30, 1970.

Thanks.

Chancellor MacVicar stated: "I presume, Mr. Chairman, that this was the request which has been made and I would suggest that this matter be placed formally before the Board in writing, which is the customary way that petitions are presented to official bodies, and I then suggest that we proceed to the next item on the agenda."

APPEAL OF DECISION OF CHANCELLOR MACVICAR CONCERNING
"CO-EDUCATIONAL STUDY HOURS"

The decision of Chancellor MacVicar relating to a proposal submitted by the Carbondale Student Government in relation to a more permissive policy concerning the visitation privileges in certain approved living centers has been appealed by the Carbondale Student Senate. Chancellor MacVicar did not approve the proposal in the form submitted for several reasons, including:

a. The proposal would have permitted a minority of the residents in a unit to implement the plan.

b. The proposal would have increased management problems by permitting students of both sexes to be present in the living centers over an unduly long period of time.

c. The proposal would have permitted students of both sexes to be present in the living centers in such a fashion as to invade the privacy of the other party occupying the two-student rooms which are the standard accommodation.

d. The proposal would have placed an unnecessary social pressure on students at a time in their educational careers when such pressures should be minimized.

For these and other reasons, the Chancellor denied the request and suggested as an alternative that the present policy covering "open houses" be reexamined with the view of accomplishing some of the desirable objectives of the proposal and eliminating the undesirable outcomes insofar as practicable. It is the recommendation of the administration that the Board deny the appeal from the Chancellor's decision and direct that each Chancellor on his respective campus develop within the existing "open house" policy proposed specific guidelines for the more adequate use of the public, semi-public and private spaces within the various units. It is understood and affirmed that the current policy requires that such visitation be conducted under appropriate supervision and that the doors of all private spaces be fully opened during the use of each space by members of both sexes.

SOUTHERN ILLINOIS UNIVERSITY STUDENT GOVERNMENT G-17
STUDENT SENATE
Carbondale Campus
October 22, 1969

CO-EDUCATIONAL STUDY HOURS

FACT: Co-educational study hours are established so that a residence hall can create a more desirable living experience for the residents, and greater inter-personal relationships could be developed among students of both sexes. It is

for these reasons and many more, that co-educational study hours exist, but with its existence, so must there exist an acceptance of responsibility on the part of students

MAXIMUM GUIDELINES: Each hall will be allowed to submit its own plan for implementation of co-educational study hours as long as they fall within the maximum guidelines as herein established . . .

1. **HOURS:** Sunday thru Thursday - 12:00 noon to 11:00 P.M.
Friday and Saturday - 1:00 P.M. to 1:00 A.M.

2. **HALL POLICY:** The procedures of each individual living center must be approved by a secret ballot and approved by a 2/3 majority of those voting on the question . . . and must not number less than 70% of those residents of the living center

3. **PRIVACY AND RIGHTS:** Consideration for the privacy and rights of roommates and any others concerned must be quite understood and guaranteed

4. **CONDUCT OF A GUEST:** Each guest must be escorted to and from the lobby area by the resident host or hostess. The guest must remain in the company of the host or hostess. Each host or hostess will be held responsible for the conduct of their guests.

5. **ENFORCEMENT:** Responsibility for enforcement of the hours or conditions of this policy rests with the residents. Violations of hours or conditions will be subject to appropriate disciplinary action.

PRINCIPLE: I feel that this is at best, a start in the right direction. There is a real need for a tool that would provide a better method of communication and interpersonal relationships. It is good to point out the fact that the ultimate responsibility of this project will rest with the individual.

ACTION: A co-educational study hours program shall be initiated at Southern Illinois University which will foster atmosphere in which a greater interpersonal relationship could be developed among students of both sexes.

MANDATE: Trial Period . . .

To correct unforeseen problems of the program and in the implementation of the conditions in force, it is suggested that the Student Senate endorse a Co-educational Study Hours program on a trial basis to begin as soon as possible and to continue until the end of the Winter Quarter of 1970. Several weeks prior to the end of the Winter Quarter an evaluation of Co-educational Study Hours will be held in each hall. If changes are deemed necessary, they will be implemented for the Spring Quarter, 1970. A second evaluation will be held during the last few weeks of Spring Quarter, 1970.

In order to properly assess opinions regarding Co-educational study hours, it is suggested that responses be obtained from resident students, resident fellows, and resident counselors.

Submitted by: C. Robert Bauman, Commuter Senator

STATUS

PASSED by the Student Senate on October 22, 1969.

Certified

Richard Wallace
Chairman Student Senate

Approved
/s/Dwight E. Campbell
Dwight E. Campbell
Student Body President

President Morris stated that this item on the agenda dealt with the formal appeal by the Student Government as transmitted by Dwight

Campbell, Student Body President, concerning student co-educational study hours, and that he had a letter from Mr. Campbell as of February 19, in which he named Mr. Nick Fera as a representative of Student Government; that Mr. Fera understood that he had available fifteen minutes for his presentation if that was needed, and he had indicated that it might be less. Nick Fera was called upon.

Mr. Nick Fera stated that co-educational study hours had already been denied by Chancellor MacVicar and they appealed this veto to the Board. He said that Student Government officials had many times been declared in dereliction of duty as making outlandish and raving statements. He showed a folder, alleged to contain a condensation of over 500 pages of study done from the various universities around the United States on co-ed studies.

He asked to make one thing clear about G-17 (the proposal) — that it's maximum guidelines, maximum; in fact, a compromise. They could have asked for twenty-four hour visitation but didn't think they could get it, so they asked for maximum guidelines and then from there they would let "the people" decide what they wanted and where they wanted it. He read some of their support from the Unity Party, from the Action Party, from every executive council on the campus, and read one of the letters. Then he read letters from two State Representatives. He alluded to figures from 275 universities that have co-educational studies, and said they had done their homework and had done it well. Remarks upon the generation gap and disbelief in local disapproval of the proposal followed.

He claimed that co-ed visitation was a right and they must not be denied their inalienable rights. Mr. Fera said he had petitions to present.

President Morris asked if he wanted to leave the petitions with the Board. Mr. Fera said "yes," but did not do so.

Mr. Lockard stated that Mr. Fera had made a nice speech, well delivered, but when he said the State Representatives were the people that are paying your salary, he wanted Mr. Fera and everybody else in this room to know that Board members get no salary — that members help pay the Representatives' salaries.

Mr. Fera replied, suggesting that pressure could be made to bear upon the Board from the Legislature which controls the financial budget of the University.

Mr. Elliott replied that the Board got pressure put on it from all angles. He noted that the study was presented to the Board only that day, and though Mr. Fera had made a good presentation, there were items which he had not been able to read; that he personally would like to read the study before he made a decision, and suggested the matter be set over to the next meeting so he would have a chance to study it.

Both Mr. Fera and Mr. Campbell requested the study to be read now and action taken.

An unidentified student in the audience stated that the proposal had been vetoed because the townspeople were against it. On the other hand,

the townspeople were for the proposed annexation of the University, yet the Board vetoed it. The student stated that this did not make sense to him.

Mr. Simonds stated his readiness for the question.

Chancellor MacVicar commented that the presentation reflected credit on the students, but pointed out that 200 universities did not represent all of higher education. Moreover, he pointed out that the study clearly says, "Must the room doors remain open or ajar when guests are present in the room," and one-third, admittedly not a majority but a substantial minority, responded "Yes." He suggested that his position of going down the road together for the betterment of the total housing situation was not an unreasonable one, but said to the Board that if it should choose to accept the recommendations of Student Government that its Chancellor and the Student Affairs staff would do their very best to follow its directive and implement this program as it may direct.

Mr. Fera replied that the Chancellor had picked one fact out of all the facts, but a very good point, but when the Michigan study allowed the occupants to choose to leave the door open or the door closed, 93% said closed. When asked as to why it was closed, 68% said privacy, 17% said to keep noise out, 2% said to keep noise in, and 2% thought it was none of their business. The remaining 4% was not explained. He didn't think it was the matter of the door because he thought it is not something that has to be granted to you; students do have rights. Students don't give up their rights as citizens or as people.

Mr. Simonds moved and Dr. Brown seconded that the request from the Student Government for co-educational study hours be denied, and the Board uphold the decision of Chancellor MacVicar. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

President Morris suggested that the Board remain for a luncheon that had been prepared for the Board and then go into an executive session on matters of both land and property acquisition and personnel. Mr. Elliott moved that the Board lunch and go into executive session, which was seconded by Dr. Brown. Motion carried. The time was 12:30 P.M.

The Board reconvened at 2:30 P.M. Mr. Elliott moved, seconded by Mr. Simonds, that the open meeting be resumed. Members of the press, among others, reentered.

Mr. Elliott stated that he would like to discuss the matter of Old Main. He and Mr. Simonds had discussed it at lunch and they feel that while the money is available, we should proceed now to tear down the walls and stockpile the materials in sufficient quantity as to build a memorial later because funds have to be committed before June and have to be spent before September.

Mr. Simonds moved that we tear Old Main down to the ground, that we store the torn down materials in a storage yard protected with

the necessary requirements, and that it should be done with our own day labor forces rather than by contract; that we would get more for our money by doing it ourselves and being able to control the debris better this way. The motion was seconded by Mr. Elliott. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

President Morris, in another item to do with real property, requested that the Board authorize a lease purchase arrangement for a building in East St. Louis to house the Experiment in Higher Education, with authorization to pay a monthly rental of not more than \$1,000 per month. Mr. Lockard moved that the recommendation be accepted. Chairman Sturgis inquired if the lease price would apply to the purchase price and was assured that it would. Dr. Brown asked if the property need be identified in the Minutes, and President Morris stated that this might interfere with the negotiations in progress. Mr. Gruny advised that if the Board wished to authorize the President to sign on behalf of the Board a lease of this space for not more than \$1,000 a month, they might do this. Then Mr. Fischer seconded the motion. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

On motion of Mr. Elliott, seconded by Mr. Simonds and carried by unanimous vote, the Board adjourned at 2:45 P.M.

THE MARCH MEETING of the Board of Trustees of Southern Illinois University was held in the International Room of the University Center, Edwardsville Campus, on Friday, March 20, 1970, beginning at 9:30 A.M.

The following members of the Board were present: Chairman Lindell W. Sturgis, Dr. Martin V. Brown, Ivan A. Elliott, Jr., Harold R. Fischer, F. Guy Hitt, Melvin C. Lockard, Eugene T. Simonds. The Honorable Ray Page was absent.

Also present were President Delyte W. Morris, Chancellor Robert W. MacVicar, Chancellor John S. Rendleman, Vice-President Ralph W. Ruffner, Special Assistant to the President James M. Brown, Assistant to the President Roland Keene, University Legal Counsel C. Richard Gruny, Treasurer Robert L. Gallegly, Budget Director Clifford R. Burger, Director of University News Services William H. Lyons, University Architect Charles Pulley, Assistant to the Chancellor James M. Comer, Supervisor of Insurance Neal Spilman, Assistant Director of University News Services A. R. Howard, Jr.; reporters Donald E. Magary and Roger Parker, University News Services, Ben Gelman, *Southern Illinoisan*, Joe Melosi, *Alton Evening Telegraph*, Linda Reiniger, *St. Louis Post-Dispatch*, Judith Waters, *The Alestle*, Allen Winchester, *Metro-East Journal*, Valerie Wendeu, *Granite City Press-Record*, Charles Cox, Campus Photographer, Charles Tragesser, President, Student Government S.I.U.E., Carolyn Cornelius, Student, S.I.U.E.; and Alice Griffin, Acting Recorder for the Board of Trustees.

The Chairman presented the minutes of a regular meeting of the Board of Trustees held February 20, 1970, copies of which had been forwarded to all members of the Board in advance of this meeting. After discussion of a motion regarding the Old Main area as reported in the minutes, Mr. Simonds requested that plans for landscaping the site be clarified at the next meeting and moved that the minutes not be considered for approval at this time. The motion was seconded by Mr. Elliott, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Inasmuch as Dr. Brown may be unable to serve as delegate to a meeting of the Association of Governing Boards of Universities and Colleges in San Francisco on April 19-21, 1970, the Board discussed sending another representative.

Matters Presented by President Morris

THE FOLLOWING UNIVERSITY MATTERS were presented by the administration for consideration by the Board of Trustees:

PROCEDURE FOR SELECTION OF ARCHITECTS AND ENGINEERS FOR PLANNING PROJECTS

The name of an architectural firm was submitted to the Board of Trustees on January 17, 1970, for consideration in connection with the planning for the School of Dental Medicine at the Edwardsville Campus. The Board tabled this item and requested a study of the method by which architects are selected.

The following enclosures describing the University's procedure for selection of architects and engineers for planning projects were reproduced in full in the minutes for February 20, 1970, and are omitted here in the interest of economy.

1. Enclosure "A" — Procedure for Selection of Architects and Engineers for Southern Illinois University Projects.
2. Enclosure "B" — Matters Presented by President Morris (From the Minutes of the Southern Illinois University Board of Trustees Meeting of November 10, 1966).
3. Enclosure "C" — Proposal for Architectural Planning (From the Minutes of the Southern Illinois University Board of Trustees Meeting of April 7, 1967).
4. Enclosure "D" — Southern Illinois University, Board of Architectural Consultation, Organization and Function, January, 1967.

On motion of Mr. Simonds, seconded by Mr. Lockard, the Board requested that Chairman Sturgis appoint a committee from within the administration, including one member of the Board, to study this procedure in an effort to update or upgrade the present practice. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

SELECTION OF ARCHITECT FOR SCHOOL OF DENTAL MEDICINE, EDWARDSVILLE CAMPUS

The Design Consultants, University Architect's Office, Chancellor, and Dean of the School of Dental Medicine recommend retaining the architectural and engineering firm of Smith, Hinchman & Grylls Associates, Inc., for professional services relating to remodeling of facilities on the Alton Campus and the programming, master planning and complete architectural services for the development of physical facilities on the Edwardsville Campus. Proposed funding and a contract will be submitted to the Executive Committee of the Board of Trustees for approval.

Information regarding the experience of Smith, Hinchman & Grylls Associates, Inc., in connection with the planning of dental and medical facilities, is on file in the Office of the Board of Trustees.

Dr. Brown asked if a large amount of new construction was contemplated or if existing facilities of the old Shurtleff College Campus would be used. Chancellor Rendleman indicated that if the school opened in the fall of 1971, remodeled facilities of Shurtleff College at Alton will be used;

although no major construction is expected, there may be some major expenditure in remodeling the facilities.

In answer to a question from Mr. Simonds, Chancellor Rendleman indicated that the preparation of the Alton Campus is only the first step. Subsequently, a master plan for dental education on the central Edwardsville Campus, and for dispersed clinical facilities throughout the area, would be prepared and studied. President Morris indicated that one of the dispersed clinical facilities might be the very building now being remodeled.

On motion of Mr. Simonds, seconded by Dr. Brown, the Board approved employment of the architects recommended by the administration. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

REPORT OF DEATH

The death of Mr. Edward S. Sulzer, Professor of Guidance and Educational Psychology and Professor and Coordinator of the Behavior Modification Program in the Rehabilitation Institute was reported. Mr. Sulzer was born June 4, 1930, and died February 28, 1970. He received the Bachelor of Arts degree from the College of the City of New York and the Master of Arts and Doctor of Philosophy degrees from Columbia University. He served as Instructor at the State University of New York Upstate Medical Center and as Instructor and Assistant Professor at the University of Minnesota prior to accepting appointment at Southern Illinois University in 1965. He was a pioneer in experimental analysis of human behavior and the application of behavioral technology to human affairs, and his work in this special field attracted recognition throughout the country.

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL

Additions and changes in faculty-administrative payroll were reported and approval requested. (See Appendix I.)

On motion of Dr. Brown, seconded by Mr. Lockard, the Board approved all additions to and changes in the faculty-administrative payroll, as recommended. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

APPOINTMENT OF EMPLOYER'S REPRESENTATIVE TO THE UNIVERSITY CIVIL SERVICE SYSTEM MERIT BOARD FOR THE EDWARDSVILLE CAMPUS

In accordance with the regulations of the University Civil Service System Merit Board, each employer designates an Employer's Representative at each principal business location. The Employer's Representative is the officer through which the Merit Board staff conducts its day-to-day operations. It is the practice among the public universities of Illinois to appoint the personnel director at each campus location as the Employer's Representative for that campus. Now that Mr. Arthur M. Hale has been removed from acting status and is the Personnel Director at the Edwardsville Campus, he should be

appointed as the Employer's Representative for Edwardsville. A resolution dealing with this was offered to the Board.

On motion of Mr. Elliott, seconded by Dr. Brown, the Board approved appointment of Art Hale and Frank Hartman as Designated Employer's Representatives for the Edwardsville and Carbondale Campuses, respectively; further, all recommendations for Designated Employer's Representatives to the University Civil Service System Merit Board are to come before the Board of Trustees for approval. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

NOVATION AGREEMENT OF AIRPORT OPERATOR'S LEASE AND RENTAL OF AIRPORT BUILDING FACILITIES

The Fixed Base Operation Agreement dated November 30, 1964, as amended by Addendum No. 1, dated March 15, 1968, between the Board of Trustees of Southern Illinois University and Southern Illinois Airport Authority required the updating of the terms thereof to more fully reflect the expanded operations and present operating conditions. The changes made in the new agreement include minimum requirements by the Airport Authority in insurance coverage, equipment minimums, auditing and accounting procedures and elimination of now obsolete paragraphs. Total overall cost to Southern Illinois University should not vary to any appreciable extent from the past; this merely makes a more equitable distribution of costs in relation to benefits received. The specific changes, as distinguished from mere consolidation of addendum into the original agreement were synopsisized (which synopsis is on file in the Office of the Board).

Formal approval was requested as follows:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That the Novation Agreement with Southern Illinois Airport Authority be and is hereby approved as the act of this Board of Trustees.

Mr. Simonds questioned the minimum insurance coverage. It was the consensus of the Board that the University should explore carrying a million dollars coverage in some form of umbrella policy.

On motion of Mr. Lockard, seconded by Mr. Simonds, the Board approved the Novation Agreement with Southern Illinois Airport Authority. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

PROVISION OF ADDITIONAL SCHOLARSHIPS FOR JUNIOR COLLEGE GRADUATES

The Board of Trustees of Southern Illinois University has in many ways in the past encouraged the growth of the junior college movement in Illinois. On September 29, 1964, the Board of Trustees established 50 two-year tuition scholarships annually for the most deserving graduates of junior college programs in Illinois. Since that time the junior college movement has grown until there are now 36 Class I junior colleges in Illinois. Provision of additional scholarships for junior college graduates would seem to be a tangible and specific way of expressing the continued interest of the University in the growth of junior colleges.

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That in an effort to accommodate the ever-increasing number of graduates of junior colleges and recognizing the economic need of students who traditionally attend junior colleges, the Board of Trustees hereby establishes 100 two-year tuition scholarships annually for the Carbondale campus and 50 two-year tuition scholarships annually for the Edwardsville campus for the most deserving graduates of junior college programs in Illinois. These scholarships shall be in lieu of the 50 presently authorized. The administration of this program will be handled by the appropriate staff members on each campus, in accordance with the policies of the Board, and in cooperation with the appropriate academic units of the University.

On motion of Mr. Elliott, seconded by Mr. Hitt, the Board adopted the resolution presented. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, Dr. Brown.

CONSULTATION ON HOSPITAL AFFILIATION

Discussion for some months has gone on concerning the need for affiliation agreement between the Southern Illinois Medical School and the Springfield hospitals of the emerging Medical Center. Such affiliation agreements should be a model for agreements with other hospitals and medical centers throughout the region as the Medical School develops.

It has become obvious that these agreements require an exercise of expert and disinterested judgment which does not now exist among any of the parties. The Joint Trustees Committee of the Springfield Medical Center has agreed that the employment of external consultation is justified.

The administration requests Board concurrence to negotiate with the management firm of Booz, Allen, and Hamilton for such consultant service on a "service as rendered" basis with a maximum fee of \$16,000. Formal Board approval will be sought for the memorandum of understanding at the April meeting.

Chancellor MacVicar stated that he thought this item was essentially self-explanatory, but invited Dr. Brown, as the Board's representative to the Joint Trustees Committee for the Medical Center, which includes the University Medical School, St. John's Hospital, and Springfield Memorial Hospital, to add any comments desired.

Dr. Brown explained that it is essential to have a working agreement between hospitals and their governing bodies and a tax-supported university with a medical school. To draw such an agreement requires the services of experts because it must be agreeable both to St. John's and to Memorial Hospital, and the terms of the agreement will likely not be the same for each, because St. John's is governed by a group of Catholic Sisters and Memorial is a civic not-for-profit organization. The plan for these affiliations must come back to the Joint Trustees Committee and then be ratified by the governing board at each institution.

Chancellor MacVicar requested that the authorization be given to proceed with development of a document to be presented to the Board at the April meeting.

On motion of Dr. Brown, seconded by Mr. Lockard, the Board authorized the administration to negotiate with the management firm of Booz, Allen, and Hamilton for such consultant service on "service as rendered" basis, with a maximum fee of \$16,000. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

REORGANIZATION OF ACADEMIC UNITS

It has been recognized for some years that there is a significant relationship between the School of Communications and the School of Fine Arts. Some of the units within Communications (Theater and Photography and Cinematography) have significant implications for the activities of units within the existing School of Fine Arts. Likewise, units within the School of Fine Arts are handicapped by jurisdictional and administrative barriers in effecting a full cooperation within the units in the School of Communications.

After full discussion with the administrators concerned in both schools and with a committee representative of the faculty of the School of Fine Arts, it has been agreed that an appropriate step is a realignment of these schools into a single administrative unit under a single academic dean. In this realignment, for the time being, the Department of Design would become an independent academic unit with the expectation that it would affiliate with a new academic unit now in the process of formation.

Since the size, scope of program, and common designations of certain units to be embodied within the new combined academic organization justifies the designation "School," it is also recommended that the Departments of Journalism, Art, and Music be designated Schools.

The administration requests Board approval of a reorganization of the School of Communications and the School of Fine Arts into a single academic unit under the leadership of Dean C. Horton Talley, to be designated the "College of Communications and Fine Arts." This College would contain the following academic units: School of Art; School of Journalism; School of Music; Departments of Photography and Cinematography, Radio-Television, Speech Pathology and Audiology, and Theater. The Department of Design would become an independent department reporting to the Chancellor.

On motion of Mr. Lockard, seconded by Mr. Hitt, the Board approved a reorganization of the School of Communications and the School of Fine Arts into a single academic unit, as proposed. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

SUMMARY REPORT OF PURCHASE ORDERS AND CONTRACTS AWARDED DURING THE MONTH OF JANUARY, 1970

It is requested that the Board of Trustees consider and ratify actions of the Executive Committee in approving requisitions and the report of purchase orders and contracts awarded for the Carbondale and Edwardsville Campuses during January, 1970. The detailed report of purchase orders and contracts

was mailed to the members of the Board in advance of this meeting, and copies were placed on file in the Office of the Board of Trustees.

On motion of Mr. Fischer, seconded by Mr. Lockard, the Board accepted the report of actions of the Executive Committee in approving requisitions and the Report of Purchase Orders and Contracts Awarded During the Month of January, 1970. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Dr. Brown raised a question on sidewalks between Thompson Point and the Arena since students are forced to walk in the loop road; in his opinion, he felt that this should have a higher priority than sidewalks at Brush Towers. President Morris replied that there were several walks in the area, but agreed with Dr. Brown that there should be one added along the south side of the loop road.

President Morris reported that there were some requisitions sent to the Executive Committee which were returned with a request for further clarification. There were two requisitions for major computer changes; IBM 360/40 computer is for the Edwardsville Campus, and a more sophisticated computer, IBM 360/50, for the Carbondale Campus. The smaller computer on the Edwardsville Campus is for handling certain campus items, and for processing information for the larger computer to be transmitted to Carbondale. This action is not merely adding equipment; it is changing from second generation computers to third generation computers. We are now the only one of the four Illinois universities still on second generation equipment. The needs for increased capacity are enormous, and include the extensive surveys, reports, and analyses that we have to prepare for the State Board of Higher Education. One requisition is for rental for May and June of this fiscal year, and the other one is for April, May, and June of this fiscal year; both will be projected as a monthly rental.

There are two requisitions for purchase of disk packs. This is for a unit which will expedite use of the central computer.

President Morris explained that we have exercised care with the budgeting procedure for these items, which are included in the recommendation of the Board of Higher Education for next year. We cannot meet our requirements and the Board of Higher Education's without this upgrading, and have been preparing for this now for some eighteen months. We have had the consulting services of Mr. Brock from the Houston Space Center, who is familiar with this equipment and quantity data handling.

The other requisition is for the Registrar's Office, Carbondale, and it has to do with their own record-keeping. It sets up a microfilming process for 27,000 documents the first term alone.

Dr. Brown asked if this was a capital expenditure. President Morris replied that it is in our operating budget, which has already gone to the Governor and the Budget Bureau.

Mr. Elliott moved and Dr. Brown seconded the approval of requisitions 26919-7607, 26919-0031, 26919-0063, 26919-7611, 73035-0065, and 79405-1043. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

President Morris explained that by our bonding agreement, the Board is obligated to carry fire, extended coverage, and vandalism and malicious mischief insurance. Our insurance policy comes to the end of its three-year period on April 1, and presents a most difficult situation. He felt that it would be inappropriate to act administratively without bringing it to the Board. He asked Neal Spilman, Supervisor of Insurance, to explain the total picture.

Mr. Spilman explained that the coverage involved is on the dormitories, the University Centers on both campuses, plus the outlying residences that have been rented for offices, *et cetera*. The Purchasing Office mailed out forty-one invitations to bid, receiving an indication by February 25 that we were not going to receive any bids as per specifications. All of the companies were contacted, and for a while we dealt with three, and finally only one, who said that they would have a proposal by the bid deadline of March 12, but it would not be in accordance with our specifications. This proposal represents a total premium of \$246,000 with a \$100,000 deductible per loss. This figures at a rate of 25¢ per hundred. Our previous rate was .0395, short of 4¢ per hundred dollars. Our last year's renewal premium was \$32,928, with no deductible. The company that we have been in continuous conversation with since the date of February 25 is Alexander & Company, brokers out of Chicago, representing The Home. We might spend \$345,000 in premium and have a \$1,000 deductible per loss; \$320,000 in premium and have a \$25,000 deductible; or \$300,000 in premium and have a \$50,000 deductible.

Robert L. Gallegly, Treasurer, stated that the substantial increase in the proposed rate is certainly staggering; however, the decision as to whether or not we carry insurance and to what extent on buildings built from revenue bond issues had already been made when these bond resolutions were approved, because each bond resolution states that the Board shall keep the facilities, including furnishings and equipment, continuously insured against loss or damage by fire and lightning with extended coverage and boiler insurance in the full amount. There is no provision for a deductible item.

Dr. Brown asked if this insurance was covered in our operating budget that goes to the legislature. C. Richard Gruny, University Legal Counsel, replied that this must come out of room rents.

Neal Spilman stated that other State universities have not yet experienced an increase in rates of this scope. The University of Illinois did obtain somewhat similar coverage in July, 1969, at a rate of .1047 per hundred with \$10,000 deductible. Their previous rate was .0883 per hundred. Northwestern University recently experienced a trebling of

rates with a \$50,000 deductible clause. Other universities in Pennsylvania, Indiana, Colorado, and New York have experienced similar increases. Although we can find none whose rates have increased as significantly as those proposed for Southern Illinois University, any other school now seeking insurance renewal will have a similar problem.

Mr. Elliott commented that maybe this ought to be presented to the Higher Board and be taken to the legislature for a legislative insurance proposal or something similar.

C. Richard Gruny, University Legal Counsel, said that because our bond resolution requires that we be insured in a company licensed to do business in Illinois, we might have to create a public insurance corporation, approved to do business in Illinois, in which all universities might place their insurance.

Chancellor MacVicar stated that we were going to have a serious problem between now and the time the room rate goes up. He sees no alternative but to bring before this Board, at the earliest opportunity, a recommendation for further increase in room charges and other charges laid against students because some of these properly should be laid against all students, not just those who live in dormitories.

Mr. Hitt asked if our present insurance coverage also covered rental properties wherein we are paying rent with an option to purchase. C. Richard Gruny, University Legal Counsel, replied that when a lease is written, we negotiate it to either pay a little more and have the owner carry insurance, or pay a little less and we carry our own insurance; we usually prefer to carry it because we have been able to get a better rate. Neal Spilman, Supervisor of Insurance, estimated that we are talking about two million dollars valuation, including Builder's Risk Insurance on all buildings under construction. President Morris stated that student fees would not be raised to pay the additional cost for leased buildings or Builder's Risk; only the ones that are self-liquidating should be paid by student fees.

Chairman Sturgis said the only thing we can do is meet this situation because of the April 1 deadline and the guarantee by the Board of Trustees in the bond resolutions. He agreed with Mr. Elliott's idea about going to the legislature.

Mr. Elliott moved that the administration be authorized to purchase such fire, extended coverage, and vandalism and malicious mischief insurance as it can negotiate consonant with the requirements of the bonds, and that the administration explore with the Board of Higher Education and others the possibility of asking the legislature to create a public insurance corporation for these purposes. The motion was seconded by Mr. Lockard, and it was carried by the following recorded vote: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Mr. Fischer commented that he agreed with Chancellor MacVicar that

the administration should proceed immediately to see how much of an increase has to be made on these rooms, and the students so advised. Likewise, publicity, not only for SIU but for schools of the nation, should be given out as to what damages are being done by the irresponsible acts of students: Minors, who prefer to be termed adults.

President Morris stated that there is great general interest in environmental studies, with attention being called to all kinds of deterioration of environment including the polluting of great lakes, the destruction of the oceans, and the consumption of the atmosphere and its eventual pollution. He pointed out that our groups working on this have the background of a great deal that has been done not as a result of national efforts, but because of our own commitment. The things we have that are a bit unusual and easy to call upon are things like our Outdoor Laboratories at Little Grassy Lake, Pine Hills, other locations near Belleville, near Sparta, down toward Metropolis, and the base to study Lusk Creek, all of which can be made available to outside agencies. He asked each Chancellor to explain their approaches to how this University can best relate itself to what is going to be a national movement.

Chancellor MacVicar explained that to organize an institution on a problem with such a wide scope and dimension is not easy as there is no aspect of the University that is not somehow related to the environment; there is no aspect of the University that is not somehow affected by environmental change. It is not purely a matter of pollution, but also the matter of how one modifies those human activities that result in pollution. We have been having on the Carbondale Campus a series of conferences trying to first inform ourselves as to national priorities, and the various current activities to evolve an administrative organization to make it possible to capture resources from the state and federal governments, to assist in the research and continuing education and service necessary to the improvement of environmental quality.

Chancellor Rendleman characterized this as one of the foremost problems of the decade. About two months ago, at the suggestion of Dr. Jason of his Chemistry faculty, he appointed a committee to study the University's role in environmental studies. He endorsed Chancellor MacVicar's remarks on the vast magnitude of the problem and the broad spectrum disciplines involved; on his committee were people all the way from Sociology to Biology, all having a separate concern. He suggested concern not just with the chemical and physical facts of pollution, but also with the actions of people who create pollution, and that there are no known parameters for an administrative unit to deal with this problem, and that is sought at this time.

President Morris added that, by way of laboratories, adjacent to the Edwardsville Campus is one of the worst air pollution problems anywhere, and that we also have within easy reach for study the rivers of the area. What control can accomplish can be seen in the upper regions of the

Tennessee River or even the upper Mississippi River. He also requested any suggestions from the Board.

Mr. Simonds commented that all industry would like to see this problem cleared up, and that people in industry would be happy to help solve these problems.

President Morris suggested that the mood of the day was not so much to blame or penalize anybody, but to try to seek solutions.

Mr. Lockard distributed a letter from the consultants to each Board member and other interested persons. It was not a preliminary report, but a procedural report.

Mr. Elliott moved that the Board go to lunch and then into executive session. The motion was seconded by Dr. Brown, and it was carried by unanimous vote. The time was 11:58 A.M.

Following the executive session, at 2:50 P.M., Mr. Elliott moved that the open meeting be resumed and asked that it be recorded that there was no action taken in the executive session. The motion was seconded by Dr. Brown, and it was carried by unanimous vote.

President Morris presented the following resolution to the Board for approval:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular session assembled, That the President of Southern Illinois University is hereby authorized and directed to engage Roy Wenzlick and Company of St. Louis, Missouri to appraise the property of Parks College of Aeronautical Technology for the purpose of determining a cost figure of this property as an educational institution which the Board of Trustees could forward to the Board of Higher Education for their consideration.

Dr. Brown requested that this appraisal be kept confidential until after the Board had seen it.

On motion of Mr. Simonds, seconded by Mr. Hitt, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

The meeting was adjourned at 2:55 P.M.

April 17, 1970

THE APRIL MEETING of the Board of Trustees of Southern Illinois University was held in Ballroom "A" of the University Center, Carbondale Campus, on Friday, April 17, 1970, beginning at 9:30 A.M.

The following members of the Board were present: Chairman Lindell W. Sturgis, Dr. Martin V. Brown, Ivan A. Elliott, Jr., Harold R. Fischer, F. Guy Hitt, Melvin C. Lockard, Eugene T. Simonds. The Honorable Ray Page was absent.

Also present were President Delyte W. Morris, Chancellor Robert W. MacVicar, Chancellor John S. Rendleman, Vice-President Ralph W. Ruffner, Special Assistant to the President James M. Brown, Assistant to the President Roland Keene, University Legal Counsel C. Richard Gruny, Treasurer Robert L. Gallegly, Budget Director Clifford R. Burger, Assistant Director of University News Services C. A. Frazer, reporters Rich Davis, *Daily Egyptian*, Judith Waters, *The Alestle*, Ben Gelman, *Southern Illinoisan*, Doug Thompson and Pat Nussman, *Alton Evening Telegraph*; Charles Tragesser, Student Government, Edwardsville, and Mrs. Alice Griffin, Acting Recorder for the Board of Trustees. Several unidentified persons were also in attendance.

The Chairman presented minutes of regular meetings held February 20, 1970, and March 20, 1970, copies of which had been forwarded to all members of the Board in advance of this meeting. On motion of Mr. Lockard, seconded by Dr. Brown, the minutes of February 20, 1970, were approved. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay none.

Approval of the minutes of the meeting held March 20, 1970, was postponed until a later date.

Matters Presented by President Morris

THE FOLLOWING UNIVERSITY MATTERS were presented by the administration for consideration by the Board of Trustees:

PROPOSAL FOR ESTABLISHMENT OF A BACHELOR OF SCIENCE DEGREE IN THE ADMINISTRATION OF JUSTICE, CARBONDALE CAMPUS; A BACHELOR OF ARTS DEGREE IN HUMAN SERVICES, EDWARDSVILLE CAMPUS; A RESEARCH UNIT IN THE CENTER FOR THE STUDY OF CRIME, DELINQUENCY, AND CORRECTIONS, CARBONDALE CAMPUS

The Illinois Board of Higher Education has directed its staff to conduct a study of the needs in Illinois for education in the area of delinquency and crime. The

staff of that Board is, therefore, developing a master plan for a comprehensive higher education program in law enforcement, criminal justice, police science, and corrections, and has requested Southern Illinois University to submit plans and proposals for programs to be developed in these areas.

Our major needs in these fields, at present, are to develop extended course offerings at the bachelor's degree level to provide both minor and major field concentrations leading to the baccalaureate degree, and to further develop graduate programs by adding a professional master's degree and an extended graduate research program to train research scientists in the several related graduate disciplines.

The faculty of the Center for the Study of Crime, Delinquency, and Corrections has developed plans and several program proposals in response to the request of the Board of Higher Education staff. These were submitted to the staff of the Board of Higher Education as part of the master plan process as requested on March 15, 1970.

Two of the programs consist of a Bachelor of Science Degree in the Administration of Justice at the Carbondale Campus and a Bachelor of Arts Degree in Human Services at the Edwardsville Campus. These programs are similar but do not duplicate each other. Each is founded on the premise that undergraduate programs in the field of crime and delinquency are most effective if based on a broad background in the behavioral and social sciences. These two programs, as well as the establishment of a special research unit within the Center for the Study of Crime, Delinquency, and Corrections, are ready for submission to the Illinois Board of Higher Education for approval, and the University has been encouraged to proceed. These programs have, as well, received the appropriate campus approvals including the approval of the respective Chancellors.

A graduate program for a Master's Degree in the Administration of Justice for the Carbondale Campus is now before the Graduate Council for its evaluation and is not ready for submission at this time. It will come before the Board of Trustees for consideration in due course.

In view of the desire of the staff of the Illinois Board of Higher Education to proceed, approval of the following resolution is requested.

Resolution

The Board of Trustees of Southern Illinois University in regular session assembled, Approves the following program proposals and directs that they be forwarded to the Illinois Board of Higher Education for final approval before implementation:

- Unit No. 46 – Bachelor of Science Degree in the Administration of Justice, Carbondale Campus
- Unit No. 47 – Bachelor of Arts Degree in Human Services, Edwardsville Campus
- Unit No. 48 – The establishment within the Center for the Study of Crime, Delinquency, and Corrections of a special unit on research, Carbondale Campus

THE ESTABLISHMENT OF A DEPARTMENT OF COMPUTER SCIENCE IN THE COLLEGE OF LIBERAL ARTS AND SCIENCES, CARBONDALE

Beginning in 1966, a series of faculty committees on the Carbondale Campus developed a plan for a program leading to the degree Master of Science in Computer Science. This program was approved by the Board of Southern Illinois University on August 16, 1968 (1968-1969 *Annual Report*, p. 29), and by the Illinois Board of Higher Education on January 7, 1969.

As a beginning, the Computer Science Program drew upon existing courses

and staff resources in the College of Liberal Arts and Sciences, the School of Technology, and the School of Business. It was understood that this was an expedient, and it was projected that development of the program would entail creation of an independent department or equivalent unit. From inception of planning, alternative forms of organization were explored. Upon careful review, the Dean of the College of Liberal Arts and Sciences and the Dean of the Graduate School conclude that effective personnel and curricular management will be best achieved through a full Department of Computer Science within the College of Liberal Arts and Sciences. The Dean of the School of Business and the Dean of the School of Technology concur in this recommendation.

The Master of Science program in Computer Science is approved and funded; new positions have been allocated to secure necessary staff. It is anticipated that many existing courses will continue cross-listed, and that there will be cross-appointments of staff between the proposed new department and the parent department. However, the new department will be better able to meet the needs of the approved program which leads to the degree Master of Science in Computer Science. In addition, it will be in a better position to meet substantial and disparate demands for courses to serve students in other programs and need for programs in Computer Science at the baccalaureate or doctoral level.

The following resolution is, therefore, recommended to the Board for its approval:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That, subject to approval by the Illinois Board of Higher Education, the administration be authorized to establish within the College of Liberal Arts and Sciences on the Carbondale Campus a new Department of Computer Science.

On motion of Dr. Brown, seconded by Mr. Lockard, the Board adopted the resolutions set forth above. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

REPORT OF DEATH

The death of Mr. Joseph F. Zaleski, Assistant Professor and Assistant Dean of Students, was reported. Mr. Zaleski was born December 24, 1912, and died March 10, 1970. He received the Bachelor of Science and Master of Science degrees from West Virginia University and the Doctor of Education degree from the University of Florida. He taught in the public schools of Buffalo, West Virginia, and Mapletown, Pennsylvania, and served as Associate Professor at Indiana State College located at Indiana, Pennsylvania, prior to accepting appointment at Southern Illinois University in 1959. He enjoyed association with students and devoted a good deal of his time to counseling with them, both on campus and off campus, and established a reputation for being firm and fair.

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL

Additions and changes in the faculty-administrative payroll were presented and approval requested. (See Appendix I.)

On motion of Dr. Brown, seconded by Mr. Fischer, the Board approved all additions to and changes in the faculty-administrative payroll, including a resolution honoring Mr. Joseph F. Zaleski, deceased. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

EASEMENT TO CITY OF EDWARDSVILLE, FOURTEEN-INCH WATER MAIN

The City of Edwardsville has constructed a fourteen-inch water pipe line across certain lands owned by Southern Illinois University at Edwardsville. The City of Edwardsville now seeks an easement covering the water line which has been constructed.

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That the grant of a water line easement to the City of Edwardsville in the following form and over the property described in said form, be and is hereby approved, and the Chairman and Secretary are hereby authorized to execute an easement in such form in the name of the Board.

EASEMENT

The undersigned Grantor, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, does hereby grant to the City of Edwardsville, Illinois, Grantee, its successors and assigns, the right and easement to lay, operate, maintain, patrol, renew, alter, remove and relay a fourteen-inch pipe line at a minimum depth of thirty inches, for the transportation of water through, over and across certain lands owned by Grantors, situated in the County of Madison, State of Illinois, and described on Plats A, B, C, and D attached hereto each captioned "Plat Showing Water Main Easement," prepared by Sheppard, Morgan & Schwaab, Inc., Consulting Engineers, as Job No. 6602-7.

Grantor further grants the right to use for said purposes the adjacent roads and the right to use reasonable working space adjacent to said Easement during construction and maintenance of said water line, and the right of ingress to and egress from said Easement for the purpose aforesaid over existing roadways or over route designated by the Grantor.

Grantee, City of Edwardsville, Illinois, shall repair any damage to property of Grantor, or pay any damages which may be caused to property of Grantor in the process of laying, construction, reconstruction, maintenance, renewal or removal of said water line. Grantee further agrees by acceptance hereof, as a condition of this grant, to keep its said Easement in the proper state of repair and replace all earth or grass removed or disturbed in construction or maintenance thereof and not to remove or disturb trees or shrubs without prior approval of the Grantor.

Grantor reserves a reversion of all rights granted hereunder upon Grantee's ceasing to use the Easement for transportation of water for a period of ninety days or more.

Grantor hereby reserves the right to make other uses of the land within said Easement provided such uses shall not interfere with said water line and Grantor shall not erect permanent structures thereon.

WITNESS the hand and seal of the Grantor this ____ day of _____, 1970.

ATTEST:

BOARD OF TRUSTEES
SOUTHERN ILLINOIS UNIVERSITY

BY _____

Secretary

Chairman

On motion of Mr. Simonds, seconded by Mr. Fischer, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

The Plats A, B, C, and D mentioned above have not been duplicated herein, but are on file in the Office of the Board of Trustees.

Dr. Brown, a member of the Executive Committee, brought up a requisition in the amount of \$342,500.00 which represented an estimated annual fire insurance premium. Mr. Elliott, the other member of the Executive Committee, and Dr. Brown felt this requisition required Board action.

Mr. Charles Tragesser, President of the Student Body at the Edwardsville Campus, requested to make a statement on this item. He pointed out that there had been an obvious absence of any type of disorder at the Edwardsville Campus. He referred to Dr. Brown's statement that the students would be the ones to pay for this increase in insurance premium. He felt that it was not fair that this burden fall upon the Edwardsville students. Mr. Gruny, University Legal Counsel, pointed out that this increase was not tied to the Carbondale Campus or any other individual campus, but was a nation-wide rate, according to the insurance brokers. Chancellor MacVicar asked that the record show that the loss ratio in Carbondale and the buildings under consideration was about 50 per cent of our current premium. One could not attribute the increase to any losses which have occurred in the bonded buildings on the Carbondale Campus. He also felt the record should show that it was the damage that has been done to academic buildings generally, and particularly to the physical plants of private higher education where insurance is carried on all buildings, that had induced the deep concern on the part of the insurance underwriters with respect to this particular issue. He hoped that the General Assembly would enact appropriate legislation to permit a consortium of public and private universities in the State of Illinois with State underwriting to reduce these losses to premiums with more manageable dimensions.

On motion of Mr. Elliott, the Board approved Requisition 47360-0044 in the amount of \$342,500.00. The motion was seconded by Dr. Brown, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

SUMMARY REPORT OF PURCHASE ORDERS AND CONTRACTS AWARDED DURING THE MONTH OF FEBRUARY, 1970

A report of purchase orders and contracts amounting to less than \$2,500.00, in the total amount of \$469,076.64 for Carbondale Campus and \$171,965.76 for Edwardsville Campus, awarded during February, 1970, was considered. Also considered were purchase orders and contracts amounting to \$2,500.00 or over, including actions of the Executive Committee in approving requisitions amounting to \$5,000.00 or over. The total of this portion of the report was \$293,358.87 for Carbondale Campus and \$153,549.19 for Edwardsville Campus.

Mr. Fischer moved that the Board accept the report of actions of the Executive Committee in approving requisitions and the Report of Purchase Orders and Contracts Awarded During the Month of February, 1970. Mr. Lockard seconded the motion, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

SALE OF PORTION OF TRACT 29-3 TO THE S.I.U. FOUNDATION (AMENDED)

Mr. W. Clement Stone has donated to the S.I.U. Foundation stock in the Combined Insurance Companies of America of the value of One Million Dollars, more or less, for acquisition and completion of construction of the Official Residence and Guest Facility which had heretofore been constructed with Board funds; he has stipulated, however, that no stock may be sold for three years from the date of the gift. In order to enable consummation of this extremely generous gift, the following resolution is recommended for adoption at this time:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That the conveyance to Southern Illinois University Foundation, a corporation not-for-profit of the State of Illinois, of the following described real estate with all improvements not herein reserved for Board usage is hereby authorized and directed, to wit:

Part of Tract 29-3

[Note: In the interest of economy, detailed land description is omitted, but has been placed on file in the Office of the Board.]

Be it further Resolved, That such conveyance shall be made in consideration of a promise to pay not less than the actual dollar cost to the Board or the State of Illinois, or either, of the real estate and improvements thereby conveyed, such payment to be due upon the expiration of the aforesaid restriction upon sale of stock imposed by the donor, and

Be it further Resolved, That acceptance of use of the completed facility by the Board for the purposes for which it was planned at no cost to the Board or the State of Illinois except for ordinary operating expense and maintenance in the condition in which received for use is hereby authorized and directed, and

Be it further Resolved, That the Chairman and Secretary are hereby authorized and directed to execute such agreements, deed or other documents and perform such other acts as shall be deemed necessary or desirable to facilitate the above authorized actions in substantial accord with the above provisions, as advised by Legal Counsel, and

Be it further Resolved, That it is the wish and desire of this Board that the name of the donor be formally ascribed to this Foundation property in an appropriate manner in conformity with the sound discretion of the Foundation Board of Directors subject to the absence of objection by the said donor, and

Be it further Resolved, That this Resolution shall amend and replace the Resolution of the same title enacted at the Special Meeting of November 21, 1969.

At 10:20 A.M., many unidentified persons entered the room.

Chancellor MacVicar asked to make an announcement. He stated that this was an official meeting of the Board of Trustees of Southern Illinois University, that there would be no disorder or interference with the meet-

ing, and that attendance at the meeting would be done with decorum or not at all.

An unidentified person spoke from the floor. Chancellor MacVicar suggested that the Board's agenda be pursued in order.

On motion of Mr. Lockard, seconded by Mr. Fischer, the Board adopted the resolution presented. The vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Mr. Elliott moved that previous action with regard to tearing down the walls of Old Main to the ground be clarified, to add that the remains of Old Main be completely removed, that the excavation be filled, that the ground be leveled, and that the area be landscaped. Mr. Lockard seconded the motion, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

President Morris commented that he would like to inform the Board of Trustees with regard to the legislature and the budget. Reductions in certain items will make it very difficult for the University; namely, in all phases of reimbursement of personnel, and in price increases. He said that he would appreciate any help any members of the Board might give in relation to speaking to legislators they know or to friends who might be helpful to getting an understanding of the very difficult situation to the State administration and to the General Assembly.

At this point the Board recessed by common consent, because of audience noise and disorder, and the room was cleared.

Chairman Sturgis called the meeting to order again. Mr. Simonds stated that the Board should go on record that it would review any problem that would come to this Board properly channeled. Mr. Lockard commented that it ought to be a matter of public record that the Board had some requirements; this group did not meet those requirements, and that is the reason they did not appear on the agenda today. The Board then discussed the ways and means by which students or citizens may get items on the agenda for the Board meetings. It was decided to review the present methods, to improve them if necessary, and to publish these methods in student-read news media, such as the *Daily Egyptian*.

Mr. Elliott moved that the Chairman create a committee to study these procedures and the comments made at this meeting, and report back to the Board. He suggested that the committee might possibly include one or more Board members and several individuals from the administration. Mr. Simonds seconded the motion, and the vote was as follows: Aye, Dr. Brown, Mr. Elliott, Mr. Fischer, Mr. Hitt, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Chancellor Rendleman suggested that the Chancellors appoint one stu-

dent member to the committee from each campus. Mr. Fischer suggested that such a committee meet as soon as possible.

The meeting was adjourned at 12:00 noon.

THE REGULAR MAY MEETING of the Board of Trustees of Southern Illinois University was held in the International Room of University Center, Edwardsville Campus, on Friday, May 15, 1970, beginning at 9:30 A.M.

The following members of the Board were present: Chairman Lindell W. Sturgis, Ivan A. Elliott, Jr., Harold R. Fischer, Melvin C. Lockard, Eugene T. Simonds. Dr. Martin V. Brown, Mr. F. Guy Hitt, and The Honorable Ray Page were absent.

Also present were President Delyte W. Morris, Chancellor Robert W. MacVicar, Chancellor John S. Rendleman, Vice-President Ralph W. Ruffner, Special Assistant to the President James M. Brown, Assistant to the President Roland Keene, University Legal Counsel C. Richard Gruny, Treasurer Robert L. Gallegly, Budget Director Clifford R. Burger, University Architect Charles Pulley, Director of University News Services William H. Lyons, Assistant Head of University News Services A. R. Howard, Jr., Director of Business Services Bill D. Hudgens, Campus Photographer Charles H. Cox, Dean of Students Ramon N. Williamson; Professors Howard Webb, Willis Moore, Lewis E. Hahn, Milton T. Edelman, C. Addison Hickman, Carbondale Campus; Richard B. Ogilvie, Governor, State of Illinois, John Dailey, Assistant to the Governor, Fred Bird, Press Secretary to the Governor, James Holderman, Executive Director, Board of Higher Education, David Keene, Mayor of Carbondale; Roger Parker and Don Magary, University News Services; reporters Judith Waters, *The Alestle*, Terry Hillig, *Edwardsville Intelligencer*, Ben Gelman, *Southern Illinoisan*, Doug Thompson and H. H. Condray, *Alton Evening Telegraph*, Valarie Evenden, *Granite City Press-Record*, Henry DeZutter, *Chicago Daily News*, Lawrence Taylor, William Cook, Mr. Hiller, and Mr. Witman, *St. Louis Post-Dispatch*, Don Berns and Bruno Torres, *United Press International*, Jack Etzel and two staff members, KMOX-TV, St. Louis, Bill Wilkerson, KMOX, St. Louis, Pete Maer, WIBU, Belleville; Carbondale and Edwardsville Student Representatives, Mrs. Alice Griffin, Acting Recorder for the Board of Trustees, and several unidentified persons.

The Honorable Richard B. Ogilvie, Governor of the State of Illinois, who was invited to attend this Board meeting by the Board members, was introduced by Chairman Sturgis. Dr. James Holderman, Executive Director of the Board of Higher Education, and John Dailey, Assistant to the Governor, were also introduced by Chairman Sturgis.

Mr. Elliott made the motion, seconded by Mr. Simonds, that the Board

go into executive session. Motion carried unanimously. At 9:47 A.M., the Board and Governor Ogilvie convened in executive session.

At 2:30 P.M., Mr. Elliott moved that the Board reconvene in open session. The motion was seconded by Mr. Simonds and was carried by unanimous vote. Chairman Sturgis apologized to all concerned for the executive session taking so long. During the executive session, the Board interviewed many people.

Chairman Sturgis dispensed with the formal matters of the agenda so that individuals representing themselves or groups could speak to the Board. The following is a list of individuals who made statements before the Board: David O. Thomas, Vice-President, Graduate Student Council, Carbondale; Mike Castell, Graduate Student Union, Carbondale; Stanford Scott, Black Students Association, Edwardsville; Carmen Deist, Coalition, Edwardsville; Vernon Falls, Black Students Association, Edwardsville; Charles Tragesser, Student Government, Edwardsville; Ken Hight, *Ad Hoc* Committee of Concerned Students, Carbondale; Tom Busch, Coordinator of the Student-Faculty Task Force, Carbondale; Gregg Chalcraft, Student, Edwardsville; Frank Scaglione, Students for Positive Reaction, Edwardsville; Charles Webb, Student, Carbondale; Al Long, Vice-President, Black Students Association. Each was invited to place a written statement on file with the Recorder of the Board.

After a roll call was taken, Chairman Sturgis directed President Morris to proceed with the regular agenda. There were at this point some interruptions from the audience.

Matters Presented by President Morris

THE FOLLOWING UNIVERSITY MATTERS were presented by the administration for consideration by the Board of Trustees:

President Morris recommended that Item 3 on the agenda, Field Trip Report by John O. Anderson — Evaluation of the Progress of Southern Illinois University's International Education Programs — be held over. He also recommended that the item, Presentation of Schematic Design for Center for the Advanced Study of the Physical Sciences — Phase I (CASPS), Carbondale Campus, be postponed until a later date.

RECOMMENDATION TO ILLINOIS BUILDING AUTHORITY TO AWARD CONTRACT FOR INSTALLATION OF FIXED SEATING FOR COMPLETION OF PHYSICAL SCIENCE II

It is necessary for the Board of Trustees to make a recommendation for award of contract by the Illinois Building Authority for installation of fixed seating for Completion of Physical Science II, Carbondale Campus, and in accordance with the attached abstract of bids and communication from the Office of the Treasurer, the following resolution is therefore recommended for enactment by the Board at this time:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular session assembled, That it be and is hereby recommended to the Illinois

Building Authority that award of contract for installation of fixed seating for IBA Project 075-21, Completion of Physical Science II, Carbondale Campus, be made to Clarin Manufacturing Company, 4640 West Harrison Street, Chicago, Illinois 60644, in the amount of \$18,972.00.

On motion of Mr. Lockard, seconded by Mr. Fischer, the Board adopted the resolution presented. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

REPORT OF DEATHS

The death of Mr. Harold E. Briggs, Professor (Emeritus) of History, was reported. Mr. Briggs was born September 29, 1896, and died April 24, 1970. He received the Bachelor of Arts and Master of Arts degrees from the University of South Dakota and the Doctor of Philosophy degree from the University of Iowa. He served as Superintendent of Harding County High School, Buffalo, South Dakota, and as Professor at Culver-Stockton College and the University of Miami prior to appointment at Southern Illinois University in 1945 as Professor and Chairman of History. He was a specialist in the history of the western frontier and his books in this field received wide recognition.

The death of Mr. William H. Garrett, Assistant Director of Technical and Adult Education was reported. Mr. Garrett was born August 9, 1933, and died April 5, 1970. He received the Bachelor of Science degree from the Agricultural, Mechanical, and Normal College, Pine Bluff, Arkansas, and the Master of Science in Education degree from Southern Illinois University. He had taught in the public schools of Elaine, Arkansas; Hayti, Missouri; and at the United States Prison, Marion, Illinois, prior to appointment at Southern Illinois University in 1968. He was the first Negro appointed in an administrative assignment in the East St. Louis Manpower Training Program and improved the working relationships between the black community and the program.

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL

Additions and changes in the faculty-administrative payroll were reported and approval requested. (See Appendix I.)

On motion of Mr. Fischer, seconded by Mr. Lockard, the Board approved all additions to and changes in the faculty-administrative payroll, as recommended. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Item D, Actions of the Executive Committee, an informational report of purchase orders and contracts awarded during the month of March, 1970, required no action.

ADDITION TO SUBSTATION EASEMENT, CARBONDALE CAMPUS

By agreement with Central Illinois Public Service Company the electrical substation for the Carbondale Campus was moved from behind the power plant across the Illinois Central tracks, and the supply cables were installed under-

ground rather than overhead. With the opening of some of the planned buildings and building additions and the incorporation of air-conditioning equipment in these buildings, it is necessary to revise the previous boundaries of the substation easement. Some 3,600 square feet of the property on the north, upon which University-owned switchgear is located, will be reconveyed to the University in exchange for 5,500 square feet to be added to the east side of the present easement. The following resolution, authorizing a right-of-way grant to the present substation site plus the eastern extension subject to the aforesaid reconveyance by CIPS, is therefore recommended for adoption at this time:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That the grant of right-of-way to the Central Illinois Public Service Company for the purpose of erection and expansion of an electrical substation to provide service solely to the Carbondale Campus of the Board on the following described tract of land be and is hereby authorized and directed:

[Note: Legal description is omitted in the interest of economy; said description is on file in the office of the Board.]

Subject, however, to the condition that the aforesaid Central Illinois Public Service Company contemporaneously reconvey and release to the University the previous grant of easement described as follows:

[Note: Legal description is omitted in the interest of economy; said description is on file in the office of the Board.]

And be it further Resolved, That the President of the University is hereby authorized and directed to execute in the name of the Board a grant of such right-of-way for such uses and purposes.

On motion of Mr. Lockard, seconded by Mr. Fischer, the Board adopted the resolution presented. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

THE ESTABLISHMENT OF A DEPARTMENT OF SOCIAL WELFARE IN THE COLLEGE OF LIBERAL ARTS AND SCIENCES, CARBONDALE CAMPUS

For the last several decades, there have been courses offered in the Department of Sociology on the Carbondale Campus dealing with the broad area of social welfare. In the 1960's, this program was increased by offering a series of courses and making it possible for a student to have a field of concentration within the Department of Sociology in the field of social welfare. Students have been attracted to this particular program in increasing numbers, and there are now some 150 students who have chosen this particular concentration within the broad field of Sociology for their specialization.

A careful review of the status of the situation at Carbondale has been carried out through the use of independent consultants, all of whom have been experts in the field of social welfare. These consultants uniformly recommend that an independent Department of Social Welfare be created and that the program be strengthened by such means as may be necessary and appropriate, after the current faculty now within Sociology is given that identity as a faculty of the Department of Social Welfare.

The University has been receiving for the last year and has a continuing grant until 1973 from the Department of Health, Education, and Welfare to strengthen its undergraduate offerings in the field. This is one of the very few awards of this kind made to an institution without a Graduate School of Social Work. No particular problems are foreseen with respect to the establishment of

the proposed Department of Social Welfare since some two and one-half faculty members are already identified as members of the current Department of Sociology. There is adequate leadership for the Department in the person of an experienced individual in the field of social welfare who will receive a Ph.D. from Indiana University in 1970. Given the anticipated growth in the coming fiscal period an additional faculty member would be made available and appropriate resources can be devised either by the reallocation of resources now assigned to Sociology or by the allocation of funds to be derived from the formula for expansion positions and resources.

This change has been carefully worked out with the full cooperation of the Department of Sociology and has the approval of its faculty and chairman. They are pleased to have been involved in the nurturing of the present program to its current size and dimension but feel that it is no longer appropriate for them to be responsible for its further development and management. They will continue to support the program with basic course work in Sociology and there may be individuals who will hold cross appointments in both the new Department of Social Welfare and the existing Department of Sociology.

On the basis of the facts above, it is recommended that a Department of Social Welfare be created within the College of Liberal Arts and Sciences at Carbondale, and that appropriate requests be made for the concurrence of the Board of Higher Education in the offering of a new degree at the baccalaureate level in the field of social welfare. To that end, the following resolution is presented:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That the administration be authorized to reorganize the Department of Sociology on the Carbondale Campus, separating from that Department the programs and personnel dealing with the field of social welfare and establishing within the College of Liberal Arts and Sciences a new Department of Social Welfare subject to approval by the Illinois Board of Higher Education.

Be it further Resolved, That the administration is authorized to request the Board of Higher Education for approval to grant the baccalaureate degree in social welfare within the College of Liberal Arts and Sciences and under the cognizance of the above designated department.

On motion of Mr. Fischer, seconded by Mr. Lockard, the Board adopted the resolution presented. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

APPROVAL OF PROJECT TO IMPROVE FACULTIES ENGAGED IN TEACHER EDUCATION

Last year the Department of Health, Education, and Welfare awarded a grant to Southern Illinois University for the purpose of planning and developing a program in the Training of Teacher Trainers. The Training of Teacher Trainers Project brings together the College of Education, the College of Liberal Arts and Sciences and the Carbondale public schools in a long-range effort to revise and improve teacher education and teaching at all levels. An underlying premise of the project is that, before teacher education can be improved, we must first improve the education of college faculties who teach future teachers and the persons in the schools who supervise the work of teachers in the classroom. There are two distinct but interrelated aspects to the project. On the one hand, an effort is being made to improve the quality of undergraduate teaching at the University level, and on the other hand, there

is a parallel effort being made to improve the level of student teacher supervision in the public schools.

In the past, there has tended to be lack of communication among the various key elements identified even though all are involved in teacher education. Thus, five teams composed of faculty members drawn from the four participating departments in the College of Liberal Arts and Sciences, the College of Education, and the Carbondale School Districts are actively developing procedures to be implemented in the project. Planning for the project has engendered much enthusiasm among participating groups and has already brought the three elements closer together as this relates to the preparation of teachers.

Because of the success of the program here, Southern Illinois University was one of only forty universities in the nation who were encouraged to proceed with this type of project. A prospectus outlining the proposed program was accordingly submitted, and the Department of Health, Education, and Welfare has approved a grant of \$240,000 for the period of July 1, 1970, through June 30, 1971. Our proposal also includes University commitment in kind; that is, contributed staff time of persons already engaged in teacher education in the amount of \$88,000. The magnitude of this expanded grant requires both the approval of the Board of Trustees and the Illinois Board of Higher Education. It is, therefore, requested that the following recommendation be approved:

Resolution

The Board of Trustees of Southern Illinois University, in regular meeting assembled, Approves the Training of Teacher Trainers Project to be funded by Health, Education, and Welfare Grant of \$240,000 supported by a University commitment in kind of \$88,000, and authorizes that this project be forwarded to the Illinois Board of Higher Education for approval.

On motion of Mr. Simonds, seconded by Mr. Fischer, the Board adopted the resolution presented. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

RECOMMENDATION FOR HONORARY DEGREES, CARBONDALE AND EDWARDSVILLE CAMPUSES

It is recommended that at the June 12, 1970, commencement or some commencement thereafter held on the Carbondale Campus, the honorary Doctor of Humane Letters degree be awarded A. Craig Baird.

A. Craig Baird was born on October 20, 1883, to William John and Sarah (Hedden) Baird, in Vevay, Indiana. He received his A.B. degree from Wabash College in 1907; B.D., magna cum laude, Union Theological Seminary in 1910; A.M., Columbia in 1912. He is also the recipient of several honorary degrees, including the Doctor of Letters from Wabash College.

An outstanding authority in the field of debate, rhetoric, and public address, Dr. Baird has been a Professor at a number of universities, most notably his long tenure at the University of Iowa, 1925-1952; now Professor (Emeritus). He has been a Distinguished Visiting Professor in the Department of Speech at Southern Illinois University for ten years, 1959-1969.

Dr. Baird is the author of a number of books, and has published articles in various professional journals for all of his professional career. Often called the "Father of International Debate" and "Mr. Public Address in America," his most recent volume is *Rhetoric: A Philosophical Inquiry*. A member of the leading speech associations of America, civic and fraternal organizations, Dr. Baird is also a Phi Beta Kappa, and has been honored by a number of the professional organizations.

Persons knowledgeable in his field consider him the greatest scholar in public address; his record of leadership in his chosen field is beyond challenge.

It is recommended that at the June 13, 1970, commencement or some commencement thereafter held on the Edwardsville Campus, the Honorary Doctor of Literature degree be awarded Mrs. Jane Latzer Kaeser.

Mrs. Jane Latzer Kaeser was born in 1878, to Louis and Eliza Luehm Latzer, natives of Highland, Illinois. Her father was one of the developers of the evaporated milk process and the Helvetia Milk Company which later evolved into the Pet Milk Company. She attended Highland public schools and received her B.A. and M.A. degrees from the University of Illinois in 1901 and 1902, respectively. She was a teaching assistant in bacteriology at the University of Illinois while working on her doctor's degree. In 1907, she married Dr. Albert F. Kaeser, a native of Highland.

Mrs. Kaeser's interest in philanthropy has been extensive and all of her contributions are not a matter of public record. Those that are include a surgical wing for the hospital in Highland in 1941. She helped establish a permanent county historical museum in Edwardsville in 1965. Large gifts have gone to Berea College in Kentucky and to the School of the Ozarks in Missouri for the assistance of deserving young people.

Mrs. Kaeser presented the University its millionth book, which was the single most valuable book ever purchased for Southern Illinois University (\$4,500). She has since been the donor of substantial funds for other rare books for Lovejoy Library.

Recently, although in her 90th year, she completed translating a virtually unknown German volume written in 1859 about the Swiss settlement in Illinois now known as Highland. She has presented this work and two other rare books about Highland's early days to Lovejoy Library.

Libraries and books have always been an important part of her life. In 1928, with other members of her family, the Latzer Memorial Public Library was established in memory of her father. Mrs. Kaeser has maintained her interest, serving as president of the Board since its founding. In 1962, she was honored as Library Trustee of the Year by the Illinois Library Association. Presently, she is providing an expansion of this library as a gift to the community of Highland.

Mr. Elliott left the meeting at this time.

On motion of Mr. Fischer, seconded by Mr. Lockard, the Board approved the recommendations for honorary degrees. The vote was as follows: Aye, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

RECOMMENDATION FOR DISTINGUISHED SERVICE AWARD,
EDWARDSVILLE CAMPUS

It is recommended that at the June 13, 1970, commencement or some commencement thereafter, the Southern Illinois University Distinguished Service Award be presented to Mr. Henry D. Karandjeff, banker.

Mr. Henry D. Karandjeff was born in Smardesh, Macedonia, and came to the United States, settling in Granite City in 1906, at the age of twelve. Although of limited formal education, he has taken extension and postgraduate courses in banking and finance at St. Louis University, Washington University, Rutgers, Northwestern, and the American Institute of Banking.

He has been with the Granite City Trust and Savings Bank continuously since 1911, of which he is now chairman. Other business activities include Chairman, American National Bank of Granite City; Chairman, Baughman-Oster Manufacturing Company, Decatur; President, Industrial Roller Company, Smithton; and President, Sunset Hill Trust Estate.

His record in community and civic activities has been outstanding. They

include Member of the Board, Illinois Hospital Service, Inc., Rockford; Member of Board, Protestant Welfare Association; Chairman, Horseshoe Lake Commission (appointments made by past Governors and present Governor); County Chairman, U.S. Treasury Department Savings Bonds Division; Elder, First Presbyterian Church of Granite City; Member of Board, McKinley Presbyterian Foundation, University of Illinois; Member of Advisory Board, Granite City Civil Defense; Member of Board, Religious Council of Southern Illinois University; Member, Granite City Optimist Club; Past President and Member of Executive Council, Illinois Bankers Association; Member, various committees of American Bankers Association; Past President, Madison County Mental Health Society; Past President, Granite City YMCA and now Member of Board; Member, Executive Council of Cahokia Mound Council, Boy Scouts of America; Member, Tri-City Regional Port District Board; President, United Fund, Inc., of Tri-Cities; President, Southwestern Illinois Metropolitan Area Planning Commission; Member, Salvation Army, Granite City Park District, St. Elizabeth Hospital Board, Illinois State Chamber of Commerce, and Illinois Housing Authority.

His contributions to education are especially significant as a member of the Southwestern Commission on Higher Education. He was also active in fund raising for the purchase of land for the Edwardsville Campus.

This recommendation has been initiated by the Edwardsville Faculty Committee on Honorary Degrees, approved by the University Committee for Honorary Degrees, and has the endorsement of the administration.

On motion of Mr. Fischer, seconded by Mr. Lockard, the Board approved award of a Distinguished Service Award, as recommended. The vote was as follows: Aye, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

SUPPLEMENTARY ALLOCATION OF TUITION FEES UNIVERSITY CENTER, EDWARDSVILLE CAMPUS

In a resolution dated July 1, 1964, creating an issue of \$5,500,000 Student Union Revenue Bonds of Southern Illinois University, the Board of Trustees approved the withholding of tuition fees to supplement the gross revenue of the Project in an amount not to exceed \$415,000 per annum. The proposed increase of \$200,000 would change the maximum to a total of \$615,000.

The Gross Revenues of the project, plus the \$415,000 of tuition fees annually retained in the treasury of Southern Illinois University, have been insufficient to meet the annual debt service requirements on the Student Union Revenue Bonds, the annual costs of maintenance and operation of the project, and to provide for the reserves established in the Bond Resolution.

Senate Bills 1092 and 1093, which were approved by Governor Ogilvie on September 16, 1969, authorized a "supplemental allocation of fees for debt service of bonds heretofore issued...after a determination by it (the Board) that the maximum revenues which may reasonably and economically be derived from the operation of a building already constructed or acquired under the Act are or will be insufficient to meet the costs of operation and maintenance and to pay the principal of and interest on bonds issued for such building."

The following resolution is therefore recommended for adoption:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That a supplementary allocation of not to exceed \$200,000 per annum of tuition fees income is hereby made, beginning with the fiscal year ending June 30, 1970, to supplement the Gross Revenues of the

University Center at Edwardsville, the Board having determined that the maximum revenues therefrom are and will be insufficient to meet the annual debt service requirements of the Student Revenue Bonds of 1964, the annual costs of maintenance and operation of the Project, and to provide for the reserves therefor established in the Bond Resolution.

On motion of Mr. Fischer, seconded by Mr. Simonds, the Board adopted the resolution presented. The vote was as follows: Aye, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Consideration of negotiation for some arrangement concerning Wilson Hall, requested by the administration, was postponed on suggestion of Mr. Simonds.

EDWARDSVILLE RELIGIOUS COUNCIL BUILDING SITE

The Religious Council for the Edwardsville Campus is prepared to build a student center and has in fact received bids for such a building. It is proposed that the Board of Trustees grant a 99-year lease on a site, restricting usage to student counseling and religious education functions. A similar arrangement is in effect for the Student Christian Foundation at Carbondale (1954-55 *Annual Report*, p. 78). Authority is requested for the Board to enter into such a lease in substantially the following form.

LEASE

The Lessor, the Board of Trustees of Southern Illinois University, an Illinois not-for-profit corporation, and the Lessee, the Religious Council of Southern Illinois University, Edwardsville Campus, an Illinois not-for-profit corporation, agree as follows:

1. That the Lessor hereby leases to the Lessee certain unimproved premises described as follows:

(Note: Detailed description is omitted here in the interests of economy.)

Said lease to run for a period of ninety-nine years commencing on June 1, 1970.

Further, the Lessee agrees to pay as annual rental for the said premises Six Hundred Dollars (\$600.00), payable on the first day of June of each year.

2. With regard to the premises leased under paragraph 1. hereof, the Lessor further agrees as follows:

A. To deliver possession of the premises to the Lessee on or before June 1, 1970.

B. That the Lessee may make any improvements to the premises; provided it first obtains the written consent of the Associate University Architect for the Edwardsville Campus of Southern Illinois University or his successor. Such consent shall not be withheld except on the basis of lack of architectural or engineering conformity with the Edwardsville Campus of Southern Illinois University.

3. With regard to the premises leased under paragraph 1. hereof, the Lessee further agrees as follows:

A. To pay for all utilities used on the premises.

B. To use the premises only for the purposes and in the manner customary in the carrying on of student counseling and student religious education functions.

C. To keep the leased premises in good repair and condition in keeping with general campus appearance.

D. That it will not assign this lease nor sublet the premises or any part thereof without the written consent of the Lessor.

- E. That at the expiration of the term of this lease it will yield up the premises to the Lessor without further notice in as good condition as when it entered upon the same, ordinary wear and tear excepted.
- F. That this lease may be terminated by the Lessor in the event of the breach of any of the agreements of the Lessee contained herein, or in the event of the bankruptcy or insolvency of the Lessee, and in either event the Lessor may re-enter, and on such re-entry the lease shall terminate; provided, that prior to seeking termination for a default in the payment of rent the Lessor shall give thirty (30) days notice to the Lessee of its intention to terminate.
- G. That the Lessor is hereby released of any liability to the Lessee in the event this lease should be held void in whole or in part by any court of competent jurisdiction.
4. It is further mutually agreed by the parties that all of the agreements herein contained shall be binding upon the representatives, successors and assigns of the parties hereto as if they were in all cases named.

IN WITNESS WHEREOF, the Lessor has set its official hand and seal and the Lessee has caused its corporate seal to be hereto affixed, and caused its name to be signed to these presents by its President, and attested by its Secretary, this ____ day of _____, 1970.

THE RELIGIOUS COUNCIL OF
SOUTHERN ILLINOIS UNIVERSITY
EDWARDSVILLE CAMPUS

ATTEST:

BY _____
President

Secretary

Chancellor Rendleman explained that this would be the lease for property for the Religious Council to enable them to build their building. This is the implementation of previous action by the Board and is in accordance with the established policy.

On motion of Mr. Fischer, seconded by Mr. Lockard, the Board approved execution of lease, as requested. The vote was as follows: Aye, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Chancellor Rendleman said that he would like to make a request of the Board: "I am asking the Board of Trustees to approve a moratorium

on war and racism to be held on the Edwardsville Campus on Monday, working together with the Faculty Senate and arranging the appropriate convocations and programs. I am asking that classes be dismissed on that day so the entire University community of Edwardsville can participate. I ask the Board to join us at the University in a campaign to help eradicate racism in America and I ask that the Board request me to work on the nine points that have been presented. I would appreciate approval by the Board of this suggestion."

Mr. Fischer moved that Chancellor Rendleman be granted the proper authority and instructions to proceed as he requested. Mr. Lockard seconded the motion. Motion passed unanimously.

Mr. Elliott rejoined the meeting.

Mr. Lockard moved that the Board go into executive session and return at exactly 4:15 P.M. Mr. Fischer seconded the motion, and the motion passed unanimously. The time was 3:40 P.M.

Mr. Fischer moved that the Board convene in open session. Mr. Lockard seconded the motion, and the motion passed unanimously. The time was 4:15 P.M.

Mr. Elliott asked permission to read a resolution. He commented that Mr. Lyons, Director of University News Services, would have copies of this resolution to give to any of the news media or anyone else who desired copies.

Resolution

WHEREAS, The Board of Trustees of Southern Illinois University has met with the Governor, the President of the University, both Chancellors, representatives of the faculty of both campuses, representatives of students of both campuses, and a number of students who asked to be heard by the Board. It has reviewed the past and current situation on the Carbondale Campus and in the nation. It has carefully considered all of these matters and recommendations.

The Board is deeply concerned with the educational opportunity available to students on the Carbondale Campus, and is seriously concerned with the imminent danger to life and property at that location. The Board is very greatly disturbed by the current major disorders on this campus and their effect on the educational opportunity actually available at this time.

It is therefore Resolved, That the classes on the Carbondale Campus be suspended for the remainder of the present term except that specific students' instruction or areas of instruction may be continued in present or revised form with permission of the Chancellor or Dean of the Graduate School.

The Chancellor and Dean of the Graduate School will determine and announce specific means of grading or giving credit to the end that students will not be prejudiced academically by the suspension of classes - possibly by giving a grade of Satisfactory or Unsatisfactory, giving credit for the hours and not counting the hours in calculation of grade point.

The Board deplores violence, wars, and racism not only on our campus but also across the nation, and world. It is concerned with doing all it can to restore an atmosphere of peace in the University and nation.

To that end the Board will meet in about ten days. It invites the Faculty Sub-Council of the Carbondale Campus to meet with it when it reconvenes and

to present specific recommendations to re-establish an effective academic atmosphere. The Board may invite others.

The Board desires to remove force from the campus. This should be done by removing professionals whose only desire is disruption and who have no interest in the legitimate issues involving students and the University. It desires to remove troops and police from the campus at the earliest moment that security permits.

The Board calls on all faculty, students, staff, and citizens of Illinois to work during this cooling-off period to understand and solve important student concerns.

Mr. Lockard moved the adoption of the resolution just read by Mr. Elliott. Mr. Fischer seconded the motion, and the vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Sturgis, Mr. Lockard; nay, Mr. Simonds.*

On motion of Mr. Simonds, seconded by Mr. Elliott, the meeting was adjourned at 4:20 P.M.

(*Mr. Simonds explained his reasons before he cast his vote, saying that he was for all the items in the resolution except closing down the University.)

A SPECIAL MEETING of the Board of Trustees of Southern Illinois University was held in Ballroom "A" of University Center, Carbondale Campus, on Friday, May 22, 1970, beginning at 9:30 A.M.

The following members of the Board were present: Chairman Lindell W. Sturgis, Ivan A. Elliott, Jr., Harold R. Fischer, Melvin C. Lockard, Eugene T. Simonds. Dr. Martin V. Brown, Mr. F. Guy Hitt and The Honorable Ray Page were absent.

Also present were President Delyte W. Morris, Chancellor Robert W. MacVicar, Chancellor John S. Rendleman, Vice-President Ralph W. Ruffner, Special Assistant to the President James M. Brown, Assistant to the President Roland Keene, Treasurer Robert L. Gallegly, University Legal Counsel C. Richard Grunty, Budget Director Clifford R. Burger; Director of University News Services William H. Lyons, Assistant Director C. A. Frazer, and staff members Pete Brown and Robert Stokes; H. Edward Flentje, Assistant Director of Programs, Illinois Board of Higher Education; Professors John Baker, Robert G. Layer, and John M. H. Olmsted, Carbondale Campus; Carbondale Faculty Sub-Council Members Clifton R. Andersen, James N. Bemiller, James G. Benziger, John J. Cody, Ross Jean Fligor, Anna Carol Fults, Charles H. Lange, Abraham M. Mark, George McClure, Ward M. Morton, Randall H. Nelson, Ray Nowacki, Howard H. Olson, Phillip H. Olsson, Thomas Pace, Edward J. Shea, Harry R. Soderstrom, Clarence W. Stephens, E. Earle Stibitz, Howard W. Webb, Jr.; reporters Mitch Farris, WSIU-TV, Roger Frick, *Daily Egyptian*, Steve Brown, *Chicago Sun-Times* and *St. Louis Globe-Democrat*, Ben Gelman, *Southern Illinoisan*, Sam Hancock, *United Press International*, Patricia A. Nussman, *Alton Evening Telegraph*; and Mrs. Alice Griffin, Acting Recorder for the Board of Trustees.

Chairman Sturgis called the meeting to order. He explained that the Board would consider two items to be presented by President Morris before the Board met with the Carbondale Faculty Sub-Council.

Matters Presented by President Morris

THE FOLLOWING UNIVERSITY MATTERS were presented by the administration for consideration by the Board of Trustees:

REFUND OF DORMITORY CHARGES

Because of the early termination of dormitory services, it has been suggested that it would be equitable to refund some portion of the charges for such

services. Many of the costs of operation remained the same regardless of the early closing, but there were some costs which were saved mostly in the areas of foodstuff and wages. The housing staff has calculated that these would warrant refunds as follows and it is recommended that the same be authorized by the Board at this time:

SCHEDULE OF REFUNDS PROPOSED

	REVENUE		PROPOSED
	FUND	QUARTERLY	
ROOM AND BOARD REFUND	DATE	RATE	REFUND
Brush Towers	1966	\$327.00	\$70.00
Thompson Point	1960	327.00	70.00
University Park-Neely	1963	327.00	70.00
University Park-Triads	1963	312.00	67.00
Southern Acres Res. Halls		287.00	62.00
V.T.I. Dormitory	1966	322.00	69.00
Room Refund			
Group Housing	1958-1960	162.00	15.00
Southern Acres Co-op		72.00	6.00

On motion of Mr. Simonds, seconded by Mr. Fischer, the Board approved refunds of dormitory charges, as recommended. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

LIMITATIONS IN ENROLLMENT, EDWARDSVILLE CAMPUS

The current freeze on capital expenditures for higher education in the State of Illinois has placed the Edwardsville Campus in a very difficult position. The last building to be completed and occupied on the Edwardsville Campus was the General Offices Building in March of 1969. Since that time, the enrollment has increased by approximately 2,000 students. By fall quarter, 1970, it is anticipated that the Edwardsville Campus including space at Alton and East St. Louis will be able to accommodate not more than 13,700 students.

Considerable effort, thought, and planning has been under way to assure utilization of all available space. Some programs are being moved to Alton so additional space will be made available on the Edwardsville Campus.

Serious and comprehensive studies have been made of the number of student stations available, efficient methods of scheduling classes from 8:05 in the morning to 10:20 at night and an expanded use of Saturday morning classes. These studies indicate that 13,700 students is the maximum number that the Edwardsville campus can accommodate in its present facilities.

Southern Illinois University has never limited its enrollment because it has felt that educational opportunities should be available to all students who are interested. However, because of the limitation of space, the following resolution is therefore recommended for adoption at this time:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in special meeting assembled, That effective Fall Quarter, 1970, the enrollment of the Edwardsville Campus be limited to 13,700 students, such restriction to be in effect until further physical facilities become available on that Campus.

On motion of Mr. Elliott, seconded by Mr. Fischer, the Board adopted the resolution presented. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

President Morris recommended that Southern Illinois University open its Summer Session on schedule, June 22, 1970. Chancellor MacVicar explained that he operated on the basis of having contingency plans. This proposal is Contingency Plan "A," and if circumstances change, he would recommend to the President Contingency Plan "B," or it may be "C."

Contingency Plan "A" means that we will be ready, and a great many teachers and others are operating on the assumption that their programs which they have been working on for many years can be continued this summer.

On motion of Mr. Fischer, seconded by Mr. Lockard, the Board approved the administration recommendation concerning Summer Session, 1970. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Mr. Elliott stated that the main reason for this special meeting was to discuss with the Faculty Sub-Council the issues of campus security and the safety of staff and students. He moved that the Board go into Executive Session with the Faculty Sub-Council. Mr. Fischer seconded the motion, and the motion carried unanimously. The time was 12:20 P.M.

At 3:07 P.M., Mr. Elliott moved that the open session of the Board of Trustees resume. Mr. Fischer seconded the motion, and the motion carried unanimously.

Mr. Elliott moved that the University separate the University Graduate School into two campus Graduate Schools with resident Deans and Councils and that the respective Chancellors start work on this matter immediately and submit to the Board any additional resolutions of authority or details which are necessary. The motion was seconded by Mr. Lockard, and the vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Mr. Elliott stated that in order to clarify and to further implement and to further empower the Chancellor Search Committee, he moved that the Chancellor Search Committee which is already appointed shall become advisory to the Board of Trustees, through the President, and that it be immediately empowered to conduct its own meetings, set up its own agenda and schedules and elect its own officers. Also, Mr. Howard Webb should be designated temporary Chairman of this Committee for the purpose of calling the meeting for organization only. Also, funds shall be made available for the Committee for necessary expenses; if further action is necessary in regard to funds, this shall be prepared and submitted to the Board for approval and additional revenue. Mr. Simonds seconded the motion, and the vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Mr. Elliott moved that the Advisory Committee for the Selection of a

Chancellor be asked to report to the Board through the President, at least three, not more than five, names of individuals to serve as acting Chancellor of the Carbondale Campus until such time as a permanent Chancellor can be named. The next meeting of the Board is planned to be at 2:00 P.M. on Friday, May 29, 1970. Mr. Simonds seconded the motion, and the vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Mr. Fischer commented that the Board did not mean to limit the Committee, to five names; if there is a selection of seven names, submit all seven.

President Morris stated that the Legal Counsel pointed out to him that next Friday, May 29th, is an official University holiday. Mr. Lockard moved that the meeting date be changed from Friday, May 29, 1970, to Wednesday, June 3, 1970. Mr. Sturgis seconded the motion, and the motion carried unanimously.

Mr. Ben Gelman questioned whether any action was taken in the Executive Session. Mr. Elliott replied that the safety and security of the campus was discussed, but no action was taken.

The special meeting adjourned at 3:25 P.M.

A SPECIAL MEETING of the Board of Trustees of Southern Illinois University was held in Ballroom "A" of University Center, Carbondale Campus, on Wednesday, June 3, 1970, beginning at 9:30 A.M.

The following members of the Board were present: Chairman Lindell W. Sturgis, Ivan A. Elliott, Jr., Harold R. Fischer, Melvin C. Lockard, The Honorable Ray Page, Eugene T. Simonds. Dr. Martin V. Brown and Mr. F. Guy Hitt were absent.

Also present were President Delyte W. Morris, Chancellor Robert W. MacVicar, Chancellor John S. Rendleman, Vice-President Ralph W. Ruffner, Special Assistant to the President James M. Brown, Assistant to the President Roland Keene, Treasurer Robert L. Gallegly, University Legal Counsel C. Richard Gruny, Budget Director Clifford R. Burger, Director of University News Services William H. Lyons and staff members C. A. Frazer and Peter Brown; H. Edward Flentje, Assistant Director of Programs, Illinois Board of Higher Education, George Criminger, Assistant to the President, Professors Milton T. Edelman, John E. King, Robert G. Layer, Willis E. Malone, Ralph McCoy, Randall Nelson, John M. H. Olmsted, Clarence W. Stephens, Howard W. Webb, Carbondale Campus; reporters Roger Frick, *Daily Egyptian*, Judith Waters, *The Alestle*, Doug Thompson, *Alton Evening Telegraph*, Hank DeZutter, *Chicago Daily News*, Don Rebuffoni, *St. Louis Globe-Democrat*, Ben Gelman, *Southern Illinoisan*, Sam Hancock, *United Press International*; Mrs. Alice Griffin, Acting Recorder for the Board of Trustees.

Chairman Sturgis called the meeting to order. He asked for the Report of the Advisory Committee for Selection of a Chancellor. President Morris read the following report:

The twelve members of the Committee, who represent virtually every major segment of the campus community, have made a vigorous attempt to respond to the charge given to the Committee by the Board of Trustees at its meeting of May 22. In response to that charge, the immediate attention of the Committee has been focused upon recommending qualified candidates for the post of Acting Chancellor.

Because of the interim nature of the appointment and the early date at which the appointee must begin to serve, consideration has been restricted to persons who are already members of the campus community. Suggestions have been received from many sources, and a large number of able persons have been identified. From this large list, the Committee has agreed upon four men who seem especially well fitted to assume this important post at this critical hour.

This process of selection included the careful examination of the complete

personnel records of all persons suggested as possible candidates, plus a sharing of information, perspectives, and judgments by the members of the Committee, from their own vantage points and those of their constituencies.

The Committee recognizes, of course, that no two men have precisely the same body of experience, nor precisely the same "mix" of qualifications. It is the collective judgment of the Committee, however, that all of these men possess the administrative experience, the sound judgment, the strength of character, and the general trust and respect of the campus community, requisite to this position. Each in his own way, these are strong, able, and good men.

Although each of these men is recommended by the Committee, the rank order in which they are recommended may be of interest to the Board of Trustees. Our nominees for the post of Acting Chancellor, in order of preference, are:

- | | |
|------------------|-------------------|
| 1. Robert Layer | 3. Milton Edelman |
| 2. Willis Malone | 4. Ralph McCoy |

Brief summations of the personnel records of these men are attached for Board scrutiny. The Committee stands ready to provide additional information and explanation, upon request.

Meanwhile, the Committee is proceeding to intensify its search for and consideration of candidates, whether from off-campus or on-campus, for the ongoing post of Chancellor.

Respectfully submitted,

/s/ Howard Webb, *Chairman*
 ADVISORY COMMITTEE ON SELECTION
 OF A CHANCELLOR

Mr. Lockard expressed the Board's appreciation for the work performed by this Committee. Chairman Sturgis asked for consideration of any other items before going into Executive Session.

Dr. James M. Brown inquired whether the Board motion with regard to the removal and the restoration of the site of Old Main included the installation of sidewalks for pedestrian traffic or whether landscaping was meant only in terms of plantings. After discussion, Chairman Sturgis instructed Dr. Brown to proceed with sidewalks as long as they are within the normal concept of a crossing plaza.

Chancellor Rendleman asked the Board for authorization to enter into a one-year lease in the amount of \$2,000 a month for rental of the former Bricklin Funeral Home in East St. Louis to house the Experiment in Higher Education. He explained that the University cannot obligate itself beyond the first year, and an agreement would bind the present owners for five additional years. During the second year, SIU would pay \$1,500 a month for use of the building, and then \$1,000 a month for four more years, all of which would go toward purchase of the building. Under the agreement, the Board would act each year on the rental scale and lease-purchase renewal for this building. On motion of Mr. Lockard, seconded by Mr. Fischer, the Board authorized execution of the lease, as requested.

The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Mr. Elliott moved that the Board go into Executive Session. Mr. Simonds seconded the motion. The motion carried unanimously. The time was 9:50 A.M. (The Honorable Ray Page joined the Executive Session at 12:50 P.M.)

At 2:15 P.M., Mr. Elliott moved that the open session of the Board of Trustees resume. Mr. Fischer seconded the motion, and the motion carried unanimously.

Mr. Lockard moved that Willis E. Malone be designated Acting Chancellor of the Carbondale Campus of Southern Illinois University, effective immediately, to replace Dr. Robert MacVicar; and that Dr. MacVicar be placed on terminal leave until he leaves the University, August 31, 1970. During this leave, Dr. MacVicar is requested to advise and assist concerning the medical school, and also is requested to make himself available until June 30, 1970, at the request of the Acting Chancellor to effect an orderly transfer of duties and operations, and is further requested to participate as Chancellor in commencement exercises.

Mr. Fischer seconded the motion, and the vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Page, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

The Board expressed its appreciation to Dr. MacVicar for the splendid service he has given Southern Illinois University, including the organization of the Edwardsville Campus and the planning of the new medical school. The Board wished both Dr. and Mrs. MacVicar success and happiness at his new post.

So there would be no confusion about the matter of communications, Mr. Elliott moved that both Chancellors have direct access to the Board. Mr. Lockard seconded the motion, and the motion carried unanimously.

Mr. Elliott moved that the Board go into Executive Session. He also suggested that the Board adjourn from the Executive Session. Mr. Lockard seconded the motion, and the motion carried unanimously. The time was 2:20 P.M.

THE REGULAR JUNE MEETING of the Board of Trustees of Southern Illinois University was held in Ballroom "A" of University Center, Carbondale Campus, on Friday, June 19, 1970, beginning at 9:30 A.M.

The following members of the Board were present: Chairman Lindell W. Sturgis, Ivan A. Elliott, Jr., Harold R. Fischer, Melvin C. Lockard, Eugene T. Simonds. Dr. Martin V. Brown, Mr. F. Guy Hitt and The Honorable Ray Page were absent.

Also present were President Delyte W. Morris, Acting Chancellor Willis Malone, Chancellor John S. Rendleman, Vice-President Ralph W. Ruffner, Special Assistant to the President James M. Brown, Assistant to the President Roland Keene, Treasurer Robert L. Gallegly, Budget Director Clifford R. Burger, H. Edward Flentje, Assistant Director of Programs, Illinois Board of Higher Education, John Cutler and John Reid, Reid & Tarics Associates, Architects and Engineers, San Francisco, California, Bill Colp, Carbondale, Carl Taylor, Secretary, The Business Agents Conference of Southern Illinois, Paul Gill, President-elect, Alumni Association, Bloomington, Illinois, Stanley Narusis, Marion, George Berry, Four Rivers District Council, Paducah, Kentucky, Stanley Pears, Egyptian District Council of Carpenters, Murphysboro, Illinois, Bill Gauch, Bricklayers, Local #72, Elkhville, Illinois, Bill Held, Plumbers & Pipefitters, Local #160, Murphysboro, Illinois, Phil J. Koclanes, Plumbers, Local #551, West Frankfort, Illinois, Charles Mileur, Southeastern Illinois Building Construction Trades, Forrest Moreland, Carpenters, #803, Metropolis, Illinois, Frank Nimmo, Cement Masons, Local #542, Grand Tower, Illinois, Abe North, Operating Engineers, Local #318, Harrisburg, Illinois, Joe Reames, Painters, Local #352, Carbondale, Illinois, Art Vincent, Egyptian District Council of Carpenters, Murphysboro, Illinois, Luther Webb, Painters, Local #335, Cairo, Illinois, Charles Pulley, University Architect, Willard Hart, Campus Architect, Robert Artz, Legal Counsel, George Criminger and Paul Morrill, Assistants to the President, Arthur Grist and Walter Robinson, Assistants to the Vice-President, Jerry Lacey, Assistant to the Chancellor, Howard Webb, Chairman, Advisory Committee for the Selection of a Chancellor, Robert Odaniell, Director, Alumni Services, Andrew Marcec, Coordinator, Extension Services, Joseph Goodman, Coordinator, Information and Scheduling, Robert Stokes, University Photographer, William H. Lyons, C. A. Frazer, and Peter Brown, University News Services, SIUC, and A. R. Howard, SIUE, reporters John Pavlik, Steve Pemberton, and Dave Smith, *The Alestle*,

Henry Hanson, *Chicago Daily News*, Larry May, *Evansville Courier*, Allen Winchester, *Metro-East Journal*, Dean Rebuffoni, *St. Louis Globe-Democrat*, Ben Gelman, *Southern Illinoisan*, Sam Hancock, *United Press International*, Fred Keller, WJPF Radio, Herrin, Illinois; Larry Sumner, President, Student Body, SIUE, Alice Griffin, Acting Recorder for the Board of Trustees, and several unidentified persons.

Chairman Lindell W. Sturgis presented the minutes of meetings of the Board of Trustees held March 20, April 17, May 15, May 22, and June 3, 1970, copies of which had been forwarded to each member of the Board in advance of this meeting. On motion of Mr. Lockard, seconded by Mr. Simonds, the Board unanimously approved the minutes presented.

Mr. Bill Colp, native of Carbondale, Illinois, explained to the Board that he had a few points that had been concerning him for some time. He felt that more dialogue was needed between the administrators, faculty, and students of the University and that the Board of Trustees should have representatives of the faculty and the students as nonvoting members. He thought that anyone receiving a doctorate in any subject should be required to serve an internship in some practical application of his field. He suggested establishing definite policies and rules so that the faculty and students would know, without question, at what point these rules were violated. He felt that the power of expulsion had not been used as often as necessary, although this should be the last resort. In closing, he requested that the University insist on very high standards and very close screening of prospective students and faculty members.

Chairman Sturgis introduced Mr. Carl Taylor, Secretary, The Business Agents Conference of Southern Illinois. Mr. Taylor, in turn, introduced several people who represent unions in Southern Illinois. He explained that these people represented from 35,000 to 40,000 union members. He wanted to make it clear that this group has been a friend of the University and has given support to many of its endeavors. He expressed resentment at interference with education and destruction of public property, and said that they were supporting the bill in the legislature which says that students will be expelled in performing uncouth deeds and also faculty members. He felt that if a student had a gripe, that student should have a chance to express his opposition in words, and that the administration take his views, analyze them, and see if they have merit, but that the Board and administration were the proper ones to actually set the rules. He objected to disarming defenders of order or property. He remarked that America has the highest standard of living in the world, and we should not let it be taken away from us. He concluded that the building trades and unions of the area were pledging the University their support.

Matters Presented by President Morris

THE FOLLOWING UNIVERSITY MATTERS were presented by the administration for consideration by the Board of Trustees:

PRESENTATION OF SCHEMATIC DESIGN FOR CENTER FOR THE ADVANCED
STUDY OF THE PHYSICAL SCIENCES — PHASE I (CASPS) CARBONDALE CAMPUS

This project was approved by the Board of Higher Education and the State Legislature for planning and construction as a part of Fiscal Year 1970 Budget and is included in Senate Bill 1240, declaring this building project in the public interest for construction through the Illinois Building Authority.

A brochure was sent to the members of the Board in advance of this meeting which briefly described the program, basic information, site and schematic design for the project, and included photographs of a perspective and schematic design drawings.

Approval is requested of schematic design for this project in order that design development drawings may be completed.

President Morris introduced Mr. John Reid and Mr. John Cutler, who presented a colored slide presentation of the Center for the Advanced Study of the Physical Sciences Building.

On motion of Mr. Simonds, seconded by Mr. Lockard, the Board withheld approval of the schematic design for further study. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

An item concerning S.I.U. participation in study of Mill Street underpass, was withdrawn by President Morris on the advice of the University Legal Counsel.

REPORT OF DEATH

The death of Mr. Herman M. Haag, Professor of Agricultural Industries, was reported. Mr. Haag was born June 19, 1903, and died June 4, 1970. He received the Bachelor of Science in Agriculture degree from the University of Missouri and the Doctor of Philosophy degree from Cornell University. He served as Assistant to the Director of Information, Farm Credit Association, Washington, D.C.; as Assistant Professor and Associate Professor, University of Missouri; as Director of Research, Missouri Farmers Association, Columbia, Missouri; and as Advisor on Agricultural Education and Development, Ford Foundation, Rangoon, Burma, prior to appointment at Southern Illinois University in 1959. He was widely recognized for his devotion to teaching and research and enthusiastic participation in civic affairs.

CHANGES IN FACULTY-ADMINISTRATIVE PAYROLL

Additions and changes in the faculty-administrative payroll were reported and approval requested. (See Appendix I.)

On motion of Mr. Lockard, seconded by Mr. Elliott, the Board approved all additions to and changes in the faculty-administrative payroll, as recommended. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

ACTIONS OF THE EXECUTIVE COMMITTEE

For the information of the Board of Trustees, per procedures adopted on February 20, 1970, a summary report of purchase orders and contracts awarded during the month of April, 1970, was mailed to the members of the Board in advance of this meeting, and a copy was placed on file in the Office of the Board.

On motion of Mr. Fischer, seconded by Mr. Simonds, the Board accepted the report of actions of the Executive Committee in approving requisitions and the summary report of purchase orders and contracts awarded during the month of April, 1970. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

PERSONNEL POLICIES AFFECTING CIVIL SERVICE EMPLOYEES

The administration of the Civil Service program at this University has been guided by the Personnel Policies Affecting Civil Service Employees, approved by the Board of Trustees on January 21, 1954, as amended May 26, 1965. Some of these policies are outdated and no longer provide the most effective guides for achievement of University objectives.

The attached policies have been developed through close coordination between all offices concerned at both the Edwardsville and the Carbondale Campuses.

The significant changes result from the implementation of the Fair Labor Standards Act, and the revised vacation, holiday, and sick leave provisions approved by the Board of Trustees effective July 1, 1969. Other changes are that the provision for reemployment of disabled veterans has been liberalized and the privilege of enrollment for courses tuition-free has been somewhat restricted.

The administration requests Board approval of these revised policies as recommended for publication. Following approval of these policies, an employee handbook will be developed which contains the procedures necessary to implement these policies at each Campus.

[Note: In the interest of economy, personnel policies are omitted; a copy of such revised policies is on file in the office of the Board.]

Mr. Elliott commented that the Merit Board of the University Civil Service System of Illinois has under study a program for uniformity of fringe benefits affecting Civil Service employees, which may change some of these policies. Chancellor Rendleman suggested that these policies, therefore, be prepared in an inexpensive form, such as mimeograph.

On motion of Mr. Elliott, seconded by Mr. Fischer, the Board approved these revised policies as recommended for publication. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

AMENDED MOTOR VEHICLE REGULATORY POLICY, CARBONDALE

The Carbondale Campus Traffic and Parking Advisory Committee suggests that the present language of the Campus Motor Vehicle Regulatory Policies admits of the interpretation that parking fees may be expended otherwise than upon parking facilities construction, maintenance, and regulation. Their feeling is that it should be clear beyond any doubt what use will be made of the fees

Appendix I

Changes in the Faculty-Administrative Payroll

paid by students and employees, and that as respects the Carbondale situation the inclusion of "costs connected with parking and traffic control" as stated in the resolution of January 19, 1969, establishing the Traffic and Parking Revenue Fund (1967-1968 *Annual Report*, pp. 115-116), should be restricted to parking costs only. The following resolution is therefore presented for adoption at this time:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That Section X of the Motor Vehicle Regulatory Policies for the Carbondale Campus of August 3, 1967, as amended August 16, 1968, is amended to read as follows:

"X. All revenues derived as a result of these Policies shall be paid into the Traffic and Parking Revenue Fund for the Carbondale Campus for use to meet costs connected with motor vehicle parking and for no other purpose."

On motion of Mr. Simonds, seconded by Mr. Lockard, the Board adopted the resolution presented. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

RESOLUTION CONCERNING SALARY INCREASES FOR CIVIL SERVICE EMPLOYEES,
1970-1971

It is requested that the Board of Trustees adopt the following resolution concerning salary adjustments for Civil Service employees for the fiscal year 1970-1971:

Resolution

Be it Resolved, The administration of Southern Illinois University is authorized to grant salary increases to Civil Service employees effective July 1, 1970, in an amount not to exceed \$982,833 to June 30, 1971.

On motion of Mr. Lockard, seconded by Mr. Simonds, the Board adopted the resolution presented. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

AWARD OF BIDS FOR TEMPORARY UNIVERSITY STORAGE AND
OFFICE BUILDINGS

Advertisement for bids was issued on May 26, 1970, for University Storage and Office Buildings No. 0896 and No. 0897. Addenda Nos. 1 and 2 were issued on June 3, 1970, and June 4, 1970, respectively. Addendum No. 3 is in process of preparation and it is contemplated that it will be sent telegraphically on June 10, 1970. Bid opening date is June 16, 1970. The proposal requested is for construction of pre-engineered steel buildings on University premises in Carbondale, to be completed by September 1, 1970, and leased by contractor to the University.

Since information as to bidders and amounts will not be available until June 16, 1970, and in view of time factors involved, it is recommended that consideration of this matter be placed on the Board agenda for its meeting of June 19, 1970. Detailed information will be presented to the members of the Board on or before said date.

A summary sheet dated June 18, 1970, was presented, showing the apparent low bidder, recommendation for acceptance of base bids D and E and Alternate Bids #1 and #2, together with a schedule of yearly payments and sources

of funds. A copy of said Summary Sheet is on file in the office of the Board.

Chairman Sturgis left the meeting at this time.

On motion of Mr. Elliott, seconded by Mr. Simonds, the Board approved award of contract to the low bidder, J & L Development and Construction Company, Inc. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Lockard; nay, none.

INCREASE IN TUITION CHARGE

During the Illinois General Assembly session that adjourned at the end of May, the operating funds sections of the Southern Illinois University appropriations bill for fiscal 1970-71 were developed from arrangements between Governor Ogilvie, the Bureau of the Budget, the members of the General Assembly, the Executive Director and staff of the Board of Higher Education, and the senior State-supported colleges and universities governing boards and administrative personnel. To reconcile the operating appropriations needs of higher education and the State's other appropriations needs, the arrangements reached required tuition increases at all the State-supported senior colleges and universities of (1) for each full-time resident student, \$50 per quarter (or \$75 per semester) to be effective January 1, 1971, and (2) for each full-time nonresident student, tuition equal to 75 per cent of projected instructional cost for 1970-71, effective with the fall quarter or semester, 1970, which amounts to \$398 per quarter for Southern Illinois University, an increase of \$192 per quarter over 1969-70 (from \$206 per quarter). By previous Board of Trustees action on October 17, 1969, nonresident tuition was scheduled to be increased to \$240 per quarter in fall, 1970; consequently, the current recommendation represents a further increase of \$158 per quarter.

The Board of Governors of State Colleges and Universities (Eastern Illinois, Western Illinois, Chicago State, and Northeastern Illinois) increased tuitions comparably at its May meeting, and the University of Illinois Board of Trustees approved similar tuition increases on Wednesday, June 17.

Approval of tuition increases is requested at this time so that the information can be included in printed materials and fee statements.

The University administration regrets the necessity for recommending the tuition increases incorporated in the following resolution:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular meeting assembled, That effective for Winter Quarter of 1971 the tuition charge for Illinois residents shall thenceforward be \$39.00 per quarter for five hours of credit or less, \$78.00 per quarter for six to ten hours of credit, and \$117.00 per quarter for eleven hours of credit or more, an increase of \$50.00 per quarter for full-time students, and that effective for Fall Quarter of 1970 the tuition charge for nonresident students shall thenceforward be \$133.00 per quarter for five hours of credit or less, \$265.00 per quarter for six to ten hours of credit, and \$398.00 per quarter for eleven hours of credit or more, an increase of \$158.00 per quarter for full-time students.

Chairman Sturgis returned to the meeting.

On motion of Mr. Fischer, seconded by Mr. Lockard, the Board adopted the resolution presented. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

CONSIDERATION OF PROPOSALS FOR SURFACING SUPPORTING SERVICES AREA
AND RESURFACING ROADS P-1 AND P-2, EDWARDSVILLE CAMPUS

In the construction of the Supporting Services Building funds were provided for the installation of a 12" base course and curb and gutter for roads, parking and service areas around the building. Funds were made available by the State Legislature for Fiscal Year 1970 for surfacing with I-11 bituminous concrete.

The main circulation roads P-1 and P-2 in the central parking areas east of the main campus require resurfacing with 1½" thick I-11 bituminous concrete. This material will be placed over 10" soil cement base which received an A-3 treatment six years ago.

Proposals were received on June 16, 1970, for surfacing of Supporting Services Building road, parking and services areas and under an addendum the paving of parking lots roads P-1 and P-2. Two bids were received with a lower base bid of \$65,380, 31.89 per cent below the engineers' estimate and the paving of parking lot roads P-1 and P-2, 15.11 per cent below the engineers' cost estimate.

We recommend acceptance of the bids for this project by Marcal Asphalt Paving, 1921 Burling Drive, Alton, Illinois, as follows:

1. Base Bid	\$65,380.00
2. Addendum No. 3	
Paving Parking Lot Roads P-1 and P-2	31,833.00
Total	<u>\$97,213.00</u>

Funding of the base bid portion will be from General Revenue funds, Site Development Supporting Services Road Release No. 2, and funding for Roads P-1 and P-2 will come from Campus Planning and Development Funds, Account No. 00-56-6-15051.

On motion of Mr. Lockard, seconded by Mr. Elliott, the Board approved award of contract to the low bidder, Marcal Asphalt Paving, as recommended. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

RECOMMENDATION TO AWARD CONTRACT FOR EXTENSION OF CHILLED WATER
LINE TO UNIVERSITY CENTER BUILDING AND SHRYOCK AUDITORIUM

It is necessary for the Board of Trustees to make recommendation for award of contract by the University for extension of chilled water line to the University Center and to Shryock Auditorium on the Carbondale Campus, and in accordance with the attached abstract of bids and communication from the Office of the University Architect, the following resolution is therefore recommended for enactment by the Board at this time:

Resolution

Be it Resolved by the Board of Trustees of Southern Illinois University in regular session assembled, That it be and is hereby recommended that the award of contract for extension of chilled water line to the University Center and to Shryock Auditorium on the Carbondale Campus, be made to The Fowler Company, 217 East Second Street, Centralia, Illinois 62801, in the amounts of \$249,000 and \$72,000 for the respective extensions.

Mr. Gallegly, Treasurer, explained that the Board of Higher Education had approved this extension of the chilled water line. A copy of the abstract of bids was placed on file in the office of the Board.

On motion of Mr. Lockard, seconded by Mr. Fischer, the Board adopted the resolution presented. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Mr. Elliott moved that the Board go into Executive Session at this time. Mr. Fischer seconded the motion, and the motion carried unanimously. The time was 10:55 A.M.

At 11:20 A.M., Mr. Elliott moved that the meeting resume in open session. Mr. Fischer seconded the motion, and the motion carried unanimously.

President Morris requested and was granted permission to read the following statement to the Board:

It has been my pleasure and privilege to participate since the fall of 1948 in one of the most exciting and rewarding developments in American Higher Education — the growth of Southern Illinois University. This development has been characterized by M. M. Chambers, one of the country's best-known experts on higher education, as an educational miracle.

The first important step was the creation by the General Assembly of an independent, nonpolitical, and nonpartisan Southern Illinois University Board of Trustees in 1949. Before that time, most matters of concern to the University were handled by a Teachers College Board largely limited in its purview to teacher training, and circumscribed by the necessity of clearing virtually everything, including many staff appointments and even the smallest purchases and printing orders through the code departments in Springfield. The independent Southern Illinois University Board of Trustees has had a remarkable record of placing ahead of everything else service to the citizens and particularly the young people of Southern Illinois, of supporting innovative educational programs, and of resisting pressures to turn back the clock to the time when Southern Illinois was treated as an inferior or depressed area of the State.

A second significant happening was the organization of an Extension Center at Belleville in 1949. At first, only a few extension courses were taught in the junior high school there, but the needs for higher education in Southwestern Illinois were so obvious that by 1957, it had become necessary to organize full-fledged Residence Centers at Alton and East St. Louis and in 1965, to occupy a new major campus at Edwardsville. The rest is history.

A third major development was the reorganization of the educational program to meet the varied needs of ever-increasing numbers of students.

The earlier liberal arts, educational, and vocational programs became thoroughly professionalized, and by 1970, there were also degree courses in agriculture, business, communication, fine arts, home economics, science and technology, with medical, dental, and health science programs in the immediate offing. In 1948, only one master's degree program (in teacher education) had been developed. By 1970, there were over fifty master's degree programs and at least eighteen doctor's degree programs. During the same period, support of faculty research efforts grew from little or no assistance in terms of money and time to a major university-wide program of research grants, research space, and research time. In a remarkably short time, the school changed from a teachers college to a major comprehensive university, one of the twenty largest in the country.

Southern Illinois University also pioneered in vocational-technical education at a time when the current concern for junior colleges and two-year technical programs simply did not exist. Its Vocational-Technical Institute, established in 1950, has served as a model for this kind of program in Illinois and many other states.

The Vocational-Technical Institute, which was directly geared to the employment needs of communities and municipalities, called attention to the possibility of a wide variety of services which the University could take off the campus to the people of the region and the State. This led to the organization in 1952 of Community Development and Area Services programs, which provided for direct contact between the communities and the campus experts in municipal government and finance, city planning, and business and industry.

There have been other developments too numerous to list, but what has been said may indicate my reason for regarding the past twenty-two years as an exciting and rewarding time. It remains to say a word or two about the current state of the University and my views of the future.

The very success of the University has created certain problems. Each major development has called for a new look at the organization; and both the Board and the staff of the University have repeatedly concerned themselves with how the University can best be governed and operated. One of the first things the independent Board did was to approve a codification of the University's regulations and practices in the Bylaws and Statutes of the Board of Trustees, first issued May 25, 1951, and subsequently revised and amended several times. For the past two or three years, a governance committee of the faculty has been at work studying a possible major revision of the Statutes, but their interim reports have been held pending the report of the Board's consultants on governance, with the thought in mind that other aspects of the University's reorganization should properly wait upon the Board's views of central governance. Naturally, the several departments of the University have been greatly concerned about their ultimate place in the reorganized University structure.

As President, I have shared their concern. Most people work best in a fairly well defined situation, but the situation at Southern Illinois University has changed so rapidly and so often that in many cases feelings of insecurity have resulted. In these circumstances, the University owes much to the many responsible people who have kept their heads and used their best judgment as to how to carry out their duties effectively in a fluid situation.

As the person most affected, I am fully in accord with the view that the President's function needs redefining. He should have a number of freedoms which he does not now have:

1. Freedom from routine matters which can better be handled by the specialists in the organization.
2. Freedom for access to and from citizens, students, faculty members and administrators. (At present, our complex channels of communication obstruct the President as well as other people.)
3. Freedom to try out innovative ideas and nurture into continuation those proved worthy. (At present, the sheer bulk of the established organization tends to discourage or crowd out innovative projects.)
4. Freedom to proceed with the development of the external relationships of the University with domestic and foreign agencies. (At present, the burden of routine makes it impossible to maintain valuable outside contacts.)
5. Freedom to develop financial support for the University from foundations, government agencies, and other collaborating agencies. (Time spent effectively on these matters would develop means of support for projects for which State monies are not available.)
6. Freedom to participate in such activities as the chairmanship of the Regional Industrial Development Corporation, now in its second year.
7. Freedom to proceed with certain developments now in the planning or development stage, such as Professor R. Buckminster Fuller's World Game, which has received national and international attention; a performing arts center at the Edwardsville Campus, which might well develop from the Mississippi River Festival; a program of humane studies, which would allow for inter-

disciplinary approaches to complex problems; a further emphasis on the Crime and Corrections Program, which is now on its way to greatness; the development of environmental studies through outdoor education programs and through studies of both natural and human resources; a renewed emphasis on foreign programs, an important step toward international understanding; and continuing exploration of the means for community and area development.

In addition, before reorganization can be successful, means must be found to restore law and order to the University community and to ferret out and eliminate from it those who simply do not wish to see the University continue. Beginning over two years ago, I have taken a strong position toward maintaining the stability of the campus and keeping it open. The result has been considerable criticism and further determined efforts to destroy the University. Only a President with strong support from his Board and other authorities has the knowledge and the motivation to fight this battle successfully, for there are too many people even on university campuses who enjoy violence, condone violence, yield to violence or use violence to achieve their aims. Such attitudes were successful in closing the University this spring; and this success will encourage further attempts to close it again unless all are willing to take a strong position on this matter and to profit by the known difficulties of the past. It appears to me that any dilution or dispersion of this function is simply further invitation to trouble; and I request the authority to eliminate from our campuses those people (many of them not *bona fide* students) who persist in disruptive tactics. I also request authority to protect the right to attend classes, to perform one's work, to engage in peaceful criticism and dissent, for classes to be held without interruption, to work within the American system for peaceful change and improvement, for defense of all those whose privileges have been abridged by the violent.

If Southern Illinois University is an educational miracle, the credit belongs to the people of the area who have insisted upon the best possible education for their sons and daughters; to the far-sightedness, broad-mindedness, and stubborn courage of its independent Board of Trustees; to the dedicated work of its faculty members and other employees; and to the eagerness, energy, and intelligence of the many students who have obtained their education on our campuses and who have gone out into the world as responsible citizens. To repeat, it has been a pleasure to work with them.

In order to concentrate my full energy to such important tasks as those enumerated above, I need to have for them the period from September 1, 1970, to December 1, 1971. For the period immediately thereafter until September 1, 1973, I request a deferred sabbatical leave of absence — after which I wish to retire. During the sabbatical period, I would expect to serve the University through any special tasks the University might wish me to undertake. Of course, after retirement I shall always be ready to help the University in any manner possible and desired because of my deep love and affection for her. To clarify the situation, I request my title be changed to President Emeritus September 1, 1970.

President Morris requested acceptance and approval of this document.

Mr. Lockard made the following comments:

First, I wish I had the expertise, the rhetoric, the education, and the ability to state what I am going to say as well as it has been stated in this written paper that several of you have in your hands. I want to say that there is no man — no man — who has had more influence on the lives of the people of Southern Illinois than Dr. Delyte W. Morris. I want to say that it is absolutely without, to use a politician's word, successful contradiction, that no man has had more influ-

ence on higher education in all of the State of Illinois than Dr. Delyte W. Morris. And I count, ladies and gentlemen, on my two hands (and I won't use all of my fingers or my thumbs) the men that have had the influence on higher education in this whole nation as Dr. Delyte W. Morris. If it hadn't been for this man the last twenty-two years, many of our sister State institutions would still be floundering in the depths of mediocrity. This man has been the spark that lit the fire. He has been the leader. He has been our leader, and during this time he has set for himself goals that many people thought could not be reached. He set for himself goals and goals for this University, keeping the University always in mind, working unselfishly for it, but these goals were so far out that no member of this Board of Trustees thought some of them could be reached. And he set goals that 99 44/100 per cent (like Ivory Soap) of the people of this country wouldn't set for themselves because they thought they were out of reach. And this University, with its multiple campuses, two great ones, at Carbondale, Illinois, and Edwardsville, Illinois, and other campuses, stands as living proof of this man's ability. Now, he has been criticized, he has been talked about, he has been in the newspapers and all of this, but I want to say to you here and now, that many of those who talked about him are not worthy of stooping to (I can't quote the Bible exactly, but I know what I am trying to say) — they're just not worthy to bow down and tie his shoe lace, and for that reason, Mr. Chairman, I move that this Board accept Dr. Morris' request with regret in principle, and that a committee be appointed to work out the details.

The motion was seconded by Mr. Fischer, and the vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

Chairman Sturgis appointed the Special Committee of the Board that was appointed on November 12, 1969, to employ a management consultant firm, to work out the details with President Morris on the statement he just presented.

President Morris presented the summary of appropriated funds operating budget base and new funds distribution for 1970-71. He asked for the Board's endorsement of this distribution. Mr. Burger, Budget Director, explained that this is the preliminary move toward the preparation of the internal budget, and resulted from extensive conference with the Board of Higher Education.

A copy of the summary was placed on file with the Secretary for deposit in the office of the Board.

On motion of Mr. Lockard, seconded by Mr. Elliott, the Board endorsed the summary of appropriated funds operating budget base and new funds distribution for 1970-71, as presented. The vote was as follows: Aye, Mr. Elliott, Mr. Fischer, Mr. Simonds, Mr. Sturgis, Mr. Lockard; nay, none.

President Morris requested that a meeting be scheduled on July 17, 1970, the next regular meeting of the Board of Trustees, with the East St. Louis Citizens Advisory Committee. The Board members agreed to meet with this group on the Edwardsville Campus on July 17, 1970.

Mr. Paul Gill, President-elect of the Alumni Association of S.I.U., then

made a statement to the Board. His purpose was to orally bring to the attention of the Board a resolution which was adopted unanimously by the Association's Legislative Council supporting Dr. Morris as President of the University. He read the following resolution:

Resolution

Resolved, The Association of Alumni and Former Students of Southern Illinois University through its Legislative Council and Board of Directors strongly support President Delyte W. Morris and endorse the recommendations he made recently to the Illinois General Assembly concerning needed legislation banning agitators and non-students from State university campuses.

He explained that this resolution attempted to recognize his leadership and commend Dr. Morris for his leadership as an excellent leader during times of great growth, both numerically and academically, and during also times of utmost stress from many quarters of the University. Mr. Gill pledged to the Board individually and collectively support which could be deemed appropriate to bring reasonable solutions to the complex problems confronting Southern Illinois University.

Mr. Stanley Narusis, a lawyer from Marion, Illinois, and an alumnus of the class of 1949, addressed the Board, saying that while the Board had heard from the faculty, students, public officials, and others they had not had presented the attitudes and feelings of the local citizens. Mr. Narusis then read the following petition:

We hereby voice our strong disapproval and dissent of the turmoil, disruption and violence on the campus of Southern Illinois University, caused and fomented by a minority who are destroying and interfering with the rights of the students to obtain the education for which they, and we as taxpayers, have paid.

We feel that mob rule and anarchy have no place on a university campus. We further believe that the persons so involved should be immediately expelled from the university campus in order that the students may continue with their education in an atmosphere conducive to learning and not to burning.

He explained that this petition had been signed by 20,000 of the people of Southern Illinois, representing what the people of Southern Illinois feel and what they want, and that they are giving encouragement to the Board to take a firm and fair stand with reference to the people that have caused this trouble.

Mr. Elliott moved that the Board go into Executive Session, that from the Executive Session they recess for lunch and go back into Executive Session, that no further action be taken by the Board, and the Board would adjourn from the Executive Session. Mr. Simonds seconded, and the motion carried unanimously. The Board went into Executive Session at 12:00 noon.

The meeting was adjourned at 2:00 P.M.

Changes in Faculty-Administrative Payroll

THE FOLLOWING ADDITIONS AND CHANGES were reported and approval requested during the fiscal year 1969-70. The date of the meeting at which such action occurred is noted at the end of each entry.

- ABBASS, ABDUL M., Professor of Government, leave without pay for the fall quarter, 1970. 4/17
- ABBASS, ABDUL M., Professor of Government, cancellation of leave without pay for the fall quarter, 1970. 5/15
- ABELL, MARY E., one-half time Instructor in Family Economics and Management for the spring quarter, 1970, at \$375.00 a month, contingent upon completion of master's degree requirements by date of appointment. 5/15
- ABERCROMBIE, ALICE F., one-half time Staff Assistant in Chemistry, term appointment June 16 to July 1, 1969, at \$300.00 a month paid from restricted funds. 7/18
- ABERCROMBIE, ALICE F., one-half time Staff Assistant in Chemistry, reappointment July 1 to September 1, 1969, with salary paid from restricted funds. 10/17
- ABERNATHY, WILLIAM R., Instructor in Recreation, continuing appointment effective July 1, 1969, on a fiscal-year basis at \$820.00 a month. 8/15
- ABRAMS, FRANCES, one-half time Instructor in English, term appointment for the fall quarter, 1969, at \$350.00 a month. 10/17
- ABRAMS, FRANCES, one-half time Academic Adviser in the College of Education, term appointment for the winter and spring quarters, 1970, at \$350.000 a month. 2/20
- ABRASHKIN, MORTIMER D., Adjunct Professor in the Vocational-Technical Institute, term appointment, serving without salary, for the fall, winter, and spring quarters, 1969-70. 11/21
- ABRASHKIN, MORTIMER D., Adjunct Professor in the Vocational-Technical Institute, resignation effective December 20, 1969. 1/17
- ACKERMAN, KENNETH J., Assistant Professor of Physical Education for Men, continuing appointment effective September 24, 1969, on an academic-year basis at \$1,300.00 a month. 8/15
- ADAMS, DONALD R., to the rank of Associate Professor, effective September 22, 1970. 6/19
- ADAMS, FRANK C., to the rank of Associate Professor, effective July 1, 1970. 6/19
- ADEYEMI-WILSON, OLUSEYE E., one-half time Counseling Trainee in the Teacher-Counselor Project, at \$300.00 a month, March 1 to July 1, 1970, superseding terms of appointment reported previously. 3/20
- AFFSPRUNG, EDWARD, Assistant Director (Financial Assistance) in Student Work and Financial Assistance, rather than Counselor (Pre-College) in the Registrar's Office, effective July 1, 1969, at \$900.00 a month. 7/18
- AGOSTO, NORAIDA, one-half time Assistant in Morris Library, term appointment November 3, 1969, to July 1, 1970, at \$230.00 a month. 12/13
- AHLBRAND, WILLIAM P., JR., Assistant Professor in the Education Division, continuing appointment effective September 24, 1969, on an academic-year basis at \$1,335.00 a month. 8/15

- AIKMAN, ARTHUR L., Assistant Professor of Secondary Education, returned from Vietnam to campus assignment effective June 1, 1969. 7/18
- ALBERS, CATHERINE, 34 per cent time Staff Assistant in Music, summer-quarter appointment June 17 to August 31, 1969, at \$149.60 a month. 7/18
- ALBERS, KENNETH L., one-half time Staff Assistant in Music, summer-quarter appointment June 17 to August 31, 1969, at \$400.00 a month. 7/18
- ALCORN, MINNIE, Instructor in the Vocational-Technical Institute, summer-quarter appointment June 17 to August 31, 1969. 8/15
- ALCORN, MINNIE A., Instructor in Technical and Adult Education, continuing appointment effective September 23, 1969, on an academic-year basis. 10/17
- ALCORTA, LOUIS B., Associate Professor in the College of Liberal Arts and Sciences and educational specialist, reappointment to serve in Nepal, July 1, 1969, to April 1, 1970, with salary and allowance paid from restricted funds. 2/20
- ALCORTA, LOUIS B., Associate Professor in the College of Liberal Arts and Sciences and educational specialist, reappointment to serve in Nepal April 1, 1970, to April 1, 1971, with salary and allowance paid from restricted funds. 5/15
- ALEXANDER, BETTY J., one-half time Counseling Trainee in the Teacher-Counselor Project, term appointment July 1 to September 1, 1969, at \$247.50 a month with salary paid from restricted funds. 9/19
- ALEXANDER, MYRL E., Professor in the Center for the Study of Crime, Delinquency, and Corrections effective February 1, 1970, on an academic-year basis at \$2,500.00 a month, superseding terms of appointment reported previously. 3/20
- ALEXANDER, THOMAS G., Adjunct Associate Professor of History, term appointment, serving without salary, for the fall, winter, and spring quarters, 1970-71. 5/15
- ALIX, ERNEST, to the rank of Associate Professor, effective July 1, 1970. 6/19
- AL-KHATIB, IBRAHIM I., Staff Assistant in the International Services Division, reappointment April 1 to July 1, 1970. 4/17
- ALLEN, JOHN W., Instructor (Emeritus) in University News Services, report of death August 29, 1969. 9/19
- ALLEN, LESTER D., Assistant (in Operating Engineers Program) in Technical and Adult Education, reappointment March 16 to June 18, 1970, at \$1,135.00 a month paid from restricted funds. 4/17
- ALLEN, R. A., Assistant Professor in the Vocational-Technical Institute, leave without pay effective July 1, 1969, to July 1, 1970. 7/18
- ALLEN, ROBERT V., Assistant Professor in the Vocational-Technical Institute, report of death September 13, 1969. 10/17
- ALLEN, SPENCER M., one-fourth time Lecturer in the Fine Arts Division, term appointment for the fall quarter, 1969, at \$500.00 a month. 11/21
- ALLEN, SPENCER M., one-fourth time Lecturer in the Fine Arts Division, reappointment for the winter quarter, 1970. 1/17
- ALLSUP, GENE D., one-half time Lecturer in the Education Division, summer-quarter appointment June 17 to August 12, 1969, at \$437.50 a month. 7/18
- AL-RUBAYI, NAJIM, to the rank of Associate Professor, effective September 22, 1970. 6/19
- ALSIP, JAMES H., Assistant (in Machine Operator Program) in Technical and Adult Education, term appointment August 4, 1969, to May 9, 1970, at \$800.00 a month with salary paid from restricted funds. 9/19
- ALSTON, MELVIN O., Visiting Professor of Secondary Education, term appointment for the fall, winter, and spring quarters, 1970-71, at \$1,900.00 a month. 5/15
- ALTEKRUSE, MICHAEL, to the rank of Associate Professor, effective September 22, 1970. 6/19

- ALTES, WALLACE, Lecturer in the Social Sciences Division, summer-quarter appointment June 15 to June 30, 1970, at \$1,600.00 a month. 6/19
- ALTEVOGT, RAYMOND, three-fourths time Assistant Professor in the Science and Technology Division, term appointment for the spring quarter, 1970, at \$825.00 a month. 5/15
- ALTVATER, NANCY B., Assistant Professor in the Fine Arts Division, to serve on a term basis, rather than continuing basis, for the fall, winter, and spring quarters, 1969-70. 7/18
- ALTVATER, NANCY, Assistant Professor in the Fine Arts Division, resignation effective August 16, 1969. 1/17
- ALVIS, WALTER P., 33 per cent time Physician in the Health Service, term appointment for the fall quarter, 1969, at \$510.00 a month. 9/19
- ALVIS, WALTER P., 33 per cent time Physician in the Health Service, September 24, 1969 to July 1, 1970, superseding dates of appointment reported previously. 11/21
