A free shuttle bus service, running from parking lot 9, will operate from 7:30 a.m. to 5:30 p.m. Monday through Friday while the University is in session. The bus will stop at points on the outer drive en route to parking lot 13, then go directly to the campus core area by way of the hairpin drive.

University sponsors of seminars, conferences or other activities involving visitors and guests may use the shuttle bus service during its normal operating hours. Visitors involved in programs of this type should be advised to park in lot 9 where the shuttle service originates. If special events are held after normal shuttle service hours, sponsors may contact Transportation Service (Mr. Harry Lutz, phone 3100) to arrange for service at a reasonable fee. Be sure to give sufficient lead time in arranging for bus service for special functions.

For sanitary and safety reasons, all students, staff and faculty members are requested to refrain from bringing pets into buildings on the SIU campus. Animals running loose in the buildings will be impounded.
