*To the Faculty and Staff of Southern Illinois University*

Vol. 2, No. 10  
February 26, 1970

A trial run of a disaster alert siren will be sounded on the Edwardsville campus Monday morning (March 2) at 10:25.

Persons on campus are being asked to become aware of the siren. This is only a test. At any future date when the siren rings persons should go immediately to safe areas in the basements of all major university buildings.

The alert is a long wavering intermittent blast of sirens. The sirens may be heard as far away as Edwardsville.
