Edwardsville Bulletin

To the Faculty and Staff of Southern Illinois University

Vol. 3, No. 3
October 2, 1970

Chancellor Rendleman has approved a policy recommendation made by the University Senate which reads as follows:

"That instructors on the Edwardsville campus of Southern Illinois University be urged to excuse from classes those students who declare their intention of working in political activities during the week preceding the week of the national election on November 3, 1970; and that instructors permit said students to make up, without penalty, all work missed during the week."

The recommendation of the University Senate now becomes official Edwardsville campus policy.

On Sept. 29 the University Senate voted against overriding a veto by Chancellor Rendleman of a proposal that all classes on the Edwardsville campus not meet on the day of and the day preceding a national election. In a memorandum to the University Senate the Chancellor has requested the Senate to review the entire matter of the University Calendar.
