Vol. 4, No. 4

At its meeting Friday, Nov. 19, the SIU Board of Trustees approved pay increases for members of the faculty and staff, subject to the availability of funds from legislation now on Gov. Richard B. Ogilvie's desk awaiting signature, and to national pay guidelines. Exact amounts are to be recommended by the president of the university and approved by the executive committee of the trustees. If pay increases are granted they will be effective December 1. First pay checks reflecting the increase, if granted, will be those dated January 1, 1972.

The Security Office has moved its headquarters to a brick and frame building south of the academic core previously occupied by Dr. Ralph Ruffner, system vice president.

The move gives the Security Office more space than it had previously in the basement of the General Office Building.

Vice President Ruffner has moved his office to the building previously occupied by the president emeritus.
