Parking lot C will be closed to all traffic and parking on June 12 and 13. Plant Operations will be setting and connecting light fixtures for this lot and will also be restriping the parking lane lines to provide for somewhat diagonal parking. Traffic arrow indicating one way flow of traffic will also be accomplished at this time.

Should weather conditions prevent us from working on June 12 and/or 13, the job will be scheduled for the following day.
