EDWARDSVILLE BULLETIN

To the Faculty and Staff of Southern Illinois University

Vol. 5, No. 2
September 19, 1972

The University is asking for a hearing in Madison County circuit court today on an application for a temporary injunction to end the strike by union painters.

The application for a temporary injunction was filed because of danger to the health and safety of University students, faculty and staff.

Essential services will continue to be maintained, despite temporary lack of air conditioning.

Classes will meet as scheduled for the duration of the strike.
