# CHRONO

Vol. 5, No. 12  
June 6, 1973

Southern Illinois University at Edwardsville will discontinue use of touch-tone telephone equipment and convert to standard dial service early in the fiscal year beginning July 1. The changeover is expected to save SIUE more than \$11,000 during the first year and more than \$18,500 annually in subsequent years.

The changeover involves approximately 1,300 telephones at Edwardsville, Alton and East St. Louis.
