CHRONO

Vol. 8, No. 3
October 17, 1975

Dr. Ramon N. Williamson, Vice President for Student Affairs, has been granted a sabbatical leave effective immediately. Dr. Williamson, with concern for students, members of the Student Affairs staff, and the University community in general, felt that by voluntarily asking for a sabbatical at this time he would assist in expediting the administrative realignment which has been proposed and is under study.

Dr. Warren L. Brown, Dean of Students, is to assume Dr. Williamson's duties as Chief Administrative Officer for the Student Affairs Division. He will serve in this capacity until the report of the Review Committee for Student Affairs has received careful study and the new administrative alignments are completed.
