Vol. 9, No. 7  
December 13, 1976

In a continuing effort to respond to budgetary limitations, the University Center Building will be closed on the otherwise regularly scheduled work days of December 27, 28, and 29. In effect, this closing, when combined with scheduled holidays and weekends, will permit a plant shutdown during the period of December 23 through January 2.

Payroll time cards normally distributed in the University Center will be relocated on the first floor of the John S. Rendleman Building, and University Information Service will be temporarily located at University News Service.

The University Center will reopen Monday, January 3 for the reduced hours of 7:30 a.m. - 5:00 p.m. and resume normal operating hours on Tuesday, January 4.
