SUBJECT: University Closing July Fourth Holiday Weekend

To facilitate scheduled Physical Plant maintenance, all University buildings will be secured and locked during the Fourth of July weekend and holidays. Buildings will be locked at the conclusion of regular operations Thursday night, June 30 and will remain locked until 7:00 a.m. Tuesday, July 5.

The core buildings on the Edwardsville campus will be without domestic hot water and the Science laboratories will be without steam while repairs are being made to the high temperature water distribution system. In critical areas, required room temperatures will be maintained by using electric refrigeration units during the repair period.
