MEMO TO: The University Community

FROM: Kenneth A. Shaw 

SUBJECT: United Way Campaign

The University United Way campaign will kick off on Wednesday, October 5. It coordinates efforts of all area United Ways to provide a simple yet effective way for us to contribute to our own communities.

Today very few persons give cash donations. One of the most effective and least painful methods of contributing is through the payroll-deduction plan. You can also request direct billing for specific amounts at any time you specify.

Within the next few days you will be contacted by a fellow member of the University community for your contribution. I know you will respond as generously as you can.
