MEMO TO: The University Community

FROM: Kenneth A. Shaw 

First of all, Mary Ann and all the rest of the Shaw family would like to express our warm gratitude for the generous welcome and energetic cooperation that has been extended to us during the year past. Indeed, we have found a hospitable new home here, and your friendship and kindness will serve as an inspiration in the years to come.

Thus it is that I would like to invoke those feelings of family devotion and community spirit that take on a special life for all of us at this time of year. In every way that I can, I will try to reciprocate those attitudes of comity and collegiality that should guide us all as we build on the firm foundations that have been laid for us by those who have gone before.

So it is with pleasure and appreciation that I offer you all good wishes for the season. I'm sure that all of us, in our own special ways, will have occasion to celebrate. Let's look forward to the years to come with optimism, commitment, and a spirit of sharing.
