MEMO TO: The University Community
FROM: Earl Lazerson *[Signature]*
SUBJECT: President's Annual Speech

I urge each of you to attend the President's annual address to the University community, Thursday, September 28, at 3:45 p.m. in the Communications Building Theater.

As an annual fall tradition highlighting the first week of classes, the President will update recent developments affecting the University and articulate institutional goals for the coming year.

For those unable to attend, the speech will be televised to several campus locations via closed circuit transmitting facilities of the University Broadcasting Service. These locations include the Goshen Lounge in the University Center, University News Service, and the lobby of the Communications Building. The speech will be taped for delayed radio broadcast at 7 p.m. by WSIE-FM (88.7), the campus radio station. It also will be videotaped and made available to campus groups for later viewing.

Following the speech, a reception will be held in the lobby of the Communications Building. I look forward to seeing you there.
