# Edwardsville Bulletin

To the Faculty and Staff of Southern Illinois University at Edwardsville

Vol. 11, No. 19  
July 30, 1979

MEMO TO: The University Community

FROM: Kenneth A. Shaw *Kenneth A. Shaw*

SUBJECT: Emergency Red Cross Blood Drive

On March 30 we received a letter from Mrs. Roanne Rutman of the Missouri/Illinois Regional Red Cross Blood Services notifying us of a serious deficit in scheduled blood collections for the week of August 6, 1979. Mrs. Rutman states in her letter that "...this potentially dangerous situation could be turned around if SIU-E would agree to sponsor a faculty - staff - student bloodmobile on Monday and Tuesday, August 6 and 7 for 200 donors each day..."

Mrs. Rutman has been informed that the University will be pleased to help in this emergency situation. Accordingly, the Red Cross Bloodmobile will make an emergency visit to the campus on Monday and Tuesday, August 6 and 7, 1979. The blood donation station will be set up in the St. Clair Room (the east half of the Meridian Ballroom) from 9:00 a.m. to 3:00 p.m. on those two days.

A sign-up table to register as a donor will be available in the Goshen Lounge-North Gallery Wall on Monday, July 30; Tuesday, July 31; Thursday, August 2; and Friday, August 3 from 9:00 a.m. to 3:00 p.m. each day. Telephone registration is also available by calling campus extension 2794.

I hope that you will give this matter serious consideration and trust that our response will meet or exceed the goal of 200 units of blood each day.
