MEMO TO: The University Community

FROM: Earl Lazerson

SUBJECT: Civil Service Merit Awards

I am pleased to announce that, in accordance with the Civil Service Merit Award Program developed by the University Staff Advisory Council, the Awards Selection Committee has completed its evaluation of all nominations for merit awards. The awards will be presented at the Annual Five Year Service Awards Luncheon on December 14, 1979.

Of the 155 persons nominated, 48 have been selected for awards.

The levels of performance of those nominated were independently evaluated by each member of the Committee and further reviewed by the joint Committee in accordance with the following criteria:

- Level 1 - Within job requirements
- Level 2 - Conservatively supportive of nomination
- Level 3 - Comfortably supportive of nomination
- Level 4 - Strongly supportive of nomination

All nominations selected for \$500 awards were judged to be in Level 3. Eight nominations selected for \$750 awards were judged to be intermediate between Levels 3 and 4. The one nomination selected for a \$1,000 award was judged to be in Level 4.

Forty-five nominations were selected for awards for performance exceeding job requirements. Two nominations were selected for awards for contributions or adopted suggestions (C). One nomination was selected for an award for special acts or services (S).

I want to extend sincere appreciation to the members of the University Staff Advisory Council for their efforts in establishing the program and guidelines, and to the Business Affairs area for their capable assistance.

Congratulations to all award recipients!
