# Edwardsville Bulletin

To the Faculty and Staff of Southern Illinois University at Edwardsville

Vol. 12, No. 19  
September 15, 1980

MEMO TO: The University Community  
FROM: Earl Lazerson   
SUBJECT: Search for Administrative Appointees

I wish to inform you that we shall shortly begin a formal, nationwide quest for a person to assume the extremely vital position of Vice President and Provost. Advertisements of the position will be placed in the Chronicle of Higher Education and in other publications of wide circulation. Letters soliciting nominations will be sent to the chief administrative officers of other universities throughout the country.

A search will also be launched locally for a person to fill the position of Director of Supporting Services. A formal position description and invitation for applications will soon be published. I hope that interested, qualified members of the University will respond.

With the beginning of the fall quarter, I shall of course seek constituency assistance in the selection processes. In addition, I shall keep you informed of further developments as we take steps to fill other administrative positions.
