MEMO TO: The University Community

FROM: Earl Lazerson 

SUBJECT: Red Cross Blood Drive

In an effort to avert a potential blood shortage in the metropolitan area this summer, Gamma Sigma Sigma Sorority and the Office of Student Activities are co-sponsoring a Red Cross Blood Drive at the University on Monday and Tuesday, July 12 and 13. The Red Cross donation unit will be located in the Conference Center on the second floor of the University Center, between the hours of 10 a.m. and 3 p.m. each day.

While all types of blood are needed, there is a special urgency for donors with type "O" blood. Those between the ages of 17 and 66 can donate blood without any additional consent being required. Donors over 66 must have a doctor's written permission obtained no more than two weeks prior to the time of donation.

If you wish to participate, please make an appointment at the sign-up tables which will be located in the Goshen Lounge on the first floor of the University Center during the days preceding the blood drive. Members of the University community have an opportunity to make a significant contribution to an extremely worthy cause.
