Vol. 16, No. 5
July 16, 1985

MEMO TO: University Community

FROM: Earl Lazerson 

SUBJECT: Salary Increases

I am pleased to announce that in accordance with salary plans approved by the Board of Trustees on June 13, 1985, salary increases will be implemented as of July 1, 1985, for affected faculty, administrative, professional staff, and open range civil service employees of the University. New pay ranges for graduate assistants were also approved by the Board of Trustees, and stipends for affected graduate assistants will be effective July 1, 1985.

For those persons paid on a monthly basis, increases will be reflected in salary payments on August 1, 1985. Increases for individuals who are paid biweekly will appear on paychecks to be issued July 19, 1985.

Salary increases for former open range civil service employees who are now members of collective bargaining units will be determined through negotiations now pending or in progress.
