Former SIUE president Shaw to receive an honorary degree

RICHARD A. KOERPER II
NEWS STRINGER

A former president and chancellor of SIUE will receive an honorary degree and speak at the commencement this year.

Kenneth Alan Shaw, who was appointed president of SIUE in 1977 and chancellor in 1979, will receive the honorary doctorate of humane letters May 4 at commencement.

Shaw started the Presidential Scholars Program and helped implement the Problem Identification Process, which helped solve problems with a decreasing budget during his time at SIUE.

He then went on to be appointed president of the

University of Wisconsin in 1986. He was appointed president and chancellor of Syracuse University in 1991 and remains in that position today.

Shaw also holds positions as chair of National Collegiate Athletic Association task force on intercollegiate basketball and the board of trustees of the Commission on Independent Colleges and Universities. He is also a member of the Board of Directors of the American Council on Education.

"He's receiving this award because he's become a leader in higher education," Associate Vice Chancellor for Student Affairs Janet McReynolds said.

Shaw has a bachelor's degree from Illinois State

Kenneth Shaw

University, a master's education from the University of Illinois Urbana-Champaign and a doctorate from Purdue University. He has received numerous honorary doctoral degrees as well from Purdue University, Illinois State University, Illinois College and Towson State University.

The ceremony is open to all who would like to attend.

"It is a celebration for the friends and family of the

graduates, but anyone is welcome to join us," White said.

Judge Sandra Hemphill of the circuit court of St. Louis County will speak this year during the ceremony.
