# **BULLETIN**

To the Faculty and Staff of Southern Illinois University at Edwardsville

Vol. 19, No. 8  
April 20, 1988

MEMO TO: Faculty and Staff  
FROM: Earl Lazerson   
SUBJECT: Good News on Enrollment

Spring Quarter on-campus enrollment totaled 9,618, an increase of 127 or 1.33% over Spring, 1987. This is the highest Spring Quarter enrollment since 1978.

Why is enrollment at a ten year high? We cannot easily identify the reasons for shifts in enrollment. I believe our success reflects the dedication of a hard-working faculty and staff. That dedication is evident in the excellent instruction that attracts and retains students; in a beautifully maintained physical plant that provides a pleasant environment in which to work and learn; and in the efficient, cordial, and helping services provided by the many offices that work with students, employees, and the public.

This has been a tough year. I understand how difficult it is to remain dedicated to the tasks at hand when the state has failed to recognize your dedication with a salary increase. I appreciate your continuing dedication and hard work and promise you that I will do my utmost to make certain that our situation is improved for next year.
