BULLETIN

To the Faculty, Staff and Students of Southern Illinois University at Edwardsville

Vol. 24, No. 13
June 8, 1993

MEMO TO: The University Community

FROM: Earl Lazerson 

I wish to comment on rumors that two students, Michael D. Carter, Jr. and Scott A. Mills, will be barred from participating in this year's Commencement ceremonies or from graduating because of pending disciplinary proceedings. There is no substance to those rumors. It is my understanding that the students have planned to participate in the Commencement ceremony, and there is no reason for their not doing so. In addition, given that the appropriate academic requirements have been met, the students will graduate on schedule.

I also wish to reiterate SIUE's commitment to its established processes for student discipline and student grievances. The University will adhere to compliance with due process and the orderly resolution of disputes as expressed in its policies and procedures.
