MEMO TO: The University Community

FROM: Earl Lazerson

It is with great regret that I announce the resignation, effective October 1, 1993, of Benjamin Quillian, Vice President for Administration. Dr. Quillian has accepted a position as Vice President for Administration at California State University at Fresno. I know that I speak for the University community in wishing him every success in his new assignment.

With regard to those units that currently report to Dr. Quillian:

1. On a continuing basis, and effective September 1, 1993, the Office of Institutional Research will report to Provost David Werner. In addition, effective October 1, 1993, the Personnel Office, the Office of Information Technology, and the Environmental Safety and Security Office will report to Provost Werner, pending the selection of a Vice President for Administration.
2. On a continuing basis, and effective October 1, 1993, the Office of Human Relations will report to the President. In addition, the Finance Office and Physical Plant will report to the President, pending the selection of a Vice President for Administration.

Information with regard to the search for a Vice President for Administration will be provided as plans for the search unfold.
