BULLETIN

To the Faculty, Staff and Students of Southern Illinois University at Edwardsville

Vol. 25, No. 1
January 10, 1994

MEMO TO: The University Community

FROM: Nancy Belck

SUBJECT: Welcome to SIUE

The winter weather notwithstanding, welcome to Spring Semester at SIUE!

I am pleased to extend to you--students, faculty and staff--warm wishes for a pleasant and rewarding experience in whatever capacity you have chosen the campus as a major focus in your life for the next four months. Our hope is to do as much as possible to stimulate your growth as a person and to prepare you for meeting any challenge your environment may have to offer.

For me personally, it is especially rewarding to have this opportunity to serve one of the nation's best, four-year comprehensive public universities. I am impressed with the progress that has been made here, and with your active, continuing and complete interest, there is no limit to the heights we can reach. Sharing in this aspiration will be worthwhile to each of you personally since any enhancement in the quality of the University will make our record of accomplishment here commensurately more valuable.

Let's make the best of all our opportunities and grow together. Please call on me any time if you have suggestions for improvements.
