SUBJECT: Blood Drive

The American Red Cross is experiencing a critical blood shortage. To assist, a blood drive has been scheduled for Tuesday February 7, and Wednesday February 8, from 10:00 a.m. to 3:00 p.m. in the SIUE University Center. Late afternoon hours for the drive will be held at the Tower Lake Commons on February 7, from 4:00 to 8:00 p.m.

The American Red Cross, on a national level, has hit the highest level of blood shortage—code red or appeal. Many surgeries, cancer treatments, burn victims, sickle cell anemia patients, and other medical needs have been placed on hold for 16,000 people.

Please mark your calendar to donate on either February 7th or 8th. For additional information, call 692-2686.

Let's all support this important effort.
