SUBJECT: FY 96 Salary Increases

The SIU Board of Trustees approved salary increase plans for fiscal year 1996 at its July 13, 1995 meeting. In accordance with those plans, 3.3 percent salary increases for faculty, unrepresented professional staff, and open range civil service employees will be distributed based on merit and related considerations.

Increases are effective July 1, 1995, and employees paid monthly and semi-monthly will receive the new rate and pay adjustments on the August 1, 1995 pay day. Civil service employees paid bi-weekly will receive the new rate and salary adjustments on the August 4 pay day.

Prevailing wage employees will receive compensation in accordance with the Statute and Rules of the State Universities Civil Service System. The salaries of employees represented by unions will be determined through the collective bargaining process.

Questions regarding salary increases should be directed to the Office of University Personnel Services at extension 2190.
