MEMO TO: The University Community

SUBJECT: Appointment of Vice Chancellor for Student Affairs

It is a pleasure to announce the appointment of Narbeth R. Emmanuel to the office of Vice Chancellor for Student Affairs, effective January 1, 1996. **Please come meet him this afternoon from 3:30 to 5:30 at the Faculty and Staff Holiday Open House** in the Meridian Ballroom. The appointment has been approved by the Chancellor and is subject to formal ratification by the Board of Trustees. Dr. Emmanuel will succeed Harvey Welch, Vice President for Student Affairs at Southern Illinois University at Carbondale, who has been on loan to us on a part-time basis.

Dr. Emmanuel has served with distinction as vice president at Ferris State for the past five years. Of special note is his selection as the 1996 Outstanding Performance Award given by the National Association of Student Personnel Administrators, Region IV-East. Recently, he was recognized by the Ferris State student newspaper for his innovative residence halls program and his leadership in promoting harmonious race relations.

Previously, Dr. Emmanuel was assistant vice president for student affairs at the University of Vermont, after serving seven years as associate dean of students and one year as interim dean of students. At SIUE, he will be responsible for Campus Recreation, the Carol Kimmel Student Leadership Development Center, Counseling Service, Disability Support Services, Early Childhood Center, Health Service, Information and ID Card Center, International Student Services, Office of Campus Life, Student Publications, University Center, and University Housing.

He completed his baccalaureate and master's of education degrees and a doctorate in educational administration and supervision at Bowling Green, Ohio, State University. There he held a number of positions, including assistant to the vice provost for educational development, assistant program director for the Upward Bound Program, a doctoral fellow in the Office of the Vice Provost for Student Affairs and a special assistant to the dean of the College of Education, a doctoral intern in the Office of Student Activities, and an international fellow in the Office of International Student Programs.

Dr. Emmanuel held faculty rank and taught numerous courses as an assistant professor in the College of Education and Social Services at The University of Vermont and as an assistant professor in the College of Education at Bowling Green State University. He has published extensively and has been a presenter at many conferences on issues concerning student affairs. A leader on numerous committees and task forces at the institutions where he has served, he is active in professional and community organizations.

Please join me in welcoming Narbeth Emmanuel, his wife Ann, and their children, Jason and Chandra, to the University community. Nobby, as he is called, will bring outstanding leadership in helping us continue to pursue excellence at SIUE.
