MEMO TO: The University Community
FROM: Nancy Belck *Nancy Belck*
SUBJECT: Dedication of Dental Implant Clinic
Wednesday, March 26, Noon

You are invited to the dedication ceremonies for the new Dental Implant Clinic at 195 University Park Drive. A ribbon-cutting at noon will open this exciting 8,200-square-foot building--one of eight such clinics in the United States! A reception and tours will follow.

The facility will provide opportunities for dental students and practicing dentists to get professional academic training, and hands-on experience, required to treat patients needing implant dentistry. In addition, the faculty will continue their ongoing involvement in treating children born without teeth, who have the rare disease ectodermal dysplasia.

Guests may be dropped off directly in front of the Clinic, and shuttle transportation will be provided for drivers. Parking on the shoulders of University Park Drive will be coordinated by SIUE Police and parking agents.

We look forward to this special day in the growth and advancement of the University. Please join us for this special occasion.
