BULLETIN

Adm I: Pub: EB

To the Faculty, Staff and Students of Southern Illinois University at Edwardsville

Vol. 28, No. 10
June 14, 1997

MEMO TO: The University Community

FROM: Nancy Belck

SUBJECT: Visit by Governor Jim Edgar
Monday, June 16, 2:30 p.m.

Governor Jim Edgar will visit the SIUE campus on Monday, June 16, to present a check for \$21,256,200 for construction of the Engineering Building. There will be a short ceremony at 2:30 p.m. at the building site, just north of the Art and Design Building.

All members of the University Community are invited to attend the presentation ceremony so we can show our appreciation to the Governor for his efforts, and celebrate the newest addition to our beautiful campus. Offices which can close without significantly disrupting University operations may do so at 2:15 p.m. Supervisors of offices which must remain open are asked to permit as many staff as possible to attend the ceremony.

In the event of inclement weather, the ceremony will be held inside the Art and Design Building.

This is an exciting event for SIUE! The Engineering Building is our largest construction project in many years, and represents the culmination of tireless effort by many members of the University community, the General Assembly, and the Governor.

I look forward to seeing you at the celebration!
