BULLETIN

To the Faculty and Staff of Southern Illinois University at Edwardsville

Adm I: Pub: EB

Vol. 29, No. 10
July 20, 1998

MEMO TO: SIUE Faculty and Staff
FROM: David Werner 
SUBJECT: FY99 Salary Increases

The SIU Board of Trustees approved a salary increase plan at their meeting on July 11, 1998 for those SIUE employees who are not represented through collective bargaining. The approved plan provides for a 3% salary increase effective July 1, 1998, to be distributed on a merit basis. Decisions on individual salary increases have been recommended by chairs, deans, and directors in accord with existing policy and practice.

The Board also approved the distribution of up to an additional 2% increase later in the fiscal year to address matters of salary equity. Distribution of this additional amount will follow President Sanders' approval of equity plans that I will submit to him following consultation with appropriate campus constituencies. The inclusion of this additional 2% increase to address matters of equity follows upon my consultation with the UPBC and the Faculty Senate Executive Committee in June.

Salary increases for those employees who are members of collective bargaining units will be determined through normal negotiations.
