MEMO TO: SIUE Community

FROM: David Werner 

SUBJECT: PREVIEW SIUE

On Monday, October 9, 2000, from 9:00 a.m. until approximately 3:00 p.m., the University will welcome prospective students and their families and friends to PREVIEW SIUE.

This is our annual open house, showcasing our academic, service and co-curricular programs. It features departmental booths and presentations, as well as opportunities for visitors to talk with faculty and students. It also offers tours of the campus including Lovejoy Library and University housing facilities. Several special interest sessions will be available for prospective students and their parents. PREVIEW brought nearly 1,000 visitor to our campus last year, and we expect an equal number this year.

PREVIEW is an excellent opportunity for our visitors to get to know SIUE in an informal and friendly atmosphere, but its success depends upon the participation and enthusiasm of the entire University community. The majority of the day's activities will take place in the Morris University Center, however, you can expect to see visitors throughout the campus. Please make our guests feel particularly welcome on Monday, October 9.

I extend my appreciation to the 2000 PREVIEW Planning Committee and thank the faculty, staff and students who are contributing their time and talents to this event.
